

Pine Belt League Gets Good Start; Six More Games Coming Up Wednesday

The Pine Belt Basketball League series started out auspiciously Wednesday night with the six participating teams meeting each other throughout the area.

The USAF Air-Ground school team played the St. Pauls National Guard Anti-Aircraft unit at St. Pauls, and defeated the Ack-Ack boys in a close match 42-39. Razar and Layel were the high scorers for the Airmen with 11 and 9 points respectively.

The Pinehurst Lions club team journeyed to the Raeford National Guard unit at Raeford, and handed them a 60-51 defeat.

Spectators at the Southern Pines school gym agreed that they had seen the most exciting basketball game of the season, when the Southern Pines Guard unit played the strong Red Springs Robins. Trailing 17-0 in the first quarter, the local Guard unit hit their stride and played superb ball till the last whistle, but that first period deficit was too much to overcome and the Robins won 59-48. The local team, although losing the game, scrapped to the last second trying to wipe off the 64-30 defeat the Robins team handed them two weeks earlier in a practice game. Cecil Dunn and Gorman Williams were high scorers for the Robins with 18 and 15 points each. Red Maness, Voit Boyte and Joel Stutts were high scorers for the Southern Pines unit with 10 points each.

Wednesday night of next week, Pinehurst plays at Red Springs, Southern Pines Guard unit at St. Pauls, and the Air-Ground school will play host to the Raeford Guard unit at the Southern Pines gym. Game time for all will be 8 p.m.

Catholics Plan Sunday Breakfast At Mid Pines

Communion breakfast for Catholics of the area will be held at the Mid Pines Club at 9:15 a. m. Sunday, sponsored by the Southern Pines-Pinehurst unit of the N. C. Catholic Laymen's association. Father Thomas Kerin of Raleigh, state NCCLA chairman of home and family life, will be the speaker.

Members of the two parishes, also any visitors wishing to take part, will attend early mass and communion at the church of their choice, then come to Mid Pines for the breakfast and program. Reservations should be made in advance, by telephoning Mrs. Curtis Townshend, NCCLA president, at her home, 2-4333, or by purchasing tickets from her. The breakfast replaces the local organization's monthly meeting.

Practice Teachers At High School

Two senior students of the University of North Carolina, education majors, have joined the faculty of the Southern Pines High school for this quarter for their field work in practice teaching.

They are Joel Siegel of Salisbury, and Robert Thomason of Flemington, N. J. Mr. Siegel's field is English, Mr. Thomason's social studies. For the first three weeks they are "observing," then will take over a full instruction schedule.

They are staying at the home of Mrs. Stanley Briggs on South May street.

Dr. W. H. Olive Passes Suddenly At Ellerbe Home

Dr. W. H. Olive, 66, chiropractor, who had practiced in Southern Pines for 25 years, died suddenly Tuesday night at his home in Ellerbe.

He had had the flu and was not feeling well, but was not thought to be seriously ill. He kept his appointments Monday at his office in the Hart Building here, where he came three days a week, but had canceled those for the rest of the week, leaving a notice that he would be back next Monday.

Funeral services were held Thursday afternoon at the home, conducted by the Rev. C. E. Ruffin, with burial in the Ellerbe cemetery.

William Harvey Olive was born near Apex, in Wake county, February 16, 1886, son of John and Ann Bolden Olive. He attended Wake County schools and graduated from the Iowa College of Chiropractic Medicine and came to Ellerbe in 1922. In 1927 he established an office in Southern Pines and built up an extensive practice here. Of late years he divided his time between the Southern Pines office and one at Rockingham, giving only occasional treatments at his home.

He was one of the earliest chiropractic practitioners, probably the first, in this section.

Surviving are his wife, the former Esther B. Lentz, of Ellerbe; three daughters, Mrs. J. Y. Wilson, Lake City, Fla.; Miss Jean Olive, Ellerbe, and Miss Wilhelmina Lentz Olive, of Bob Jones university, Greenville, S. C.; one grandchild; one brother, Jarvis, of New Hill, and four sisters, Mrs. Hubert Holt, Sanford; Mrs. Sill Broadwell, Kenly; Mrs. Red Edwards, Raleigh, and Miss Lena Olive, New Hill.

PHOTO-RECORDER

(Continued from Page 1)
With this equipment, the duplication with camera is done only through the negative stage. The negatives are then sent to the Greensboro office for enlargement and printing, at a cost of 67 cents a sheet—which, with 700 instruments a month now being recorded, would amount to a considerable sum. The delays occasioned in the mailing back and forth were also considered.

Agreed On Need
While the pros and cons of the various types were discussed at some length, the board was unanimous in agreement that one type or another was needed. The work of copying the instruments consumes most of the time of the office staff, it was learned from Mrs. Bessie Griffin, register of deeds, and, despite extensive proofreading—another tedious operation—there is always the possibility of error.

The photo-recorder produces an identical copy, including signatures, within a short time, at small cost.

Moore Out Of Line
The action toward equalization of fees was taken on the basis of data presented by Mrs. Griffin, who besides being register is secretary of the board. Her survey had showed that Moore is far out of line, as most counties have raised their fees, and that adjustment would bring in revenue more in keeping with the increased costs of operation of this office.

While the commissioners approved the introduction of a bill, no new schedule of fees was immediately fixed, pending further study.
