

Mrs. Wonderly Hurt In Accident On Oklahoma Trip

Dr. and Mrs. William H. Wonderly and their three children, who left Southern Pines Monday of last week to drive to Oklahoma, were involved in an accident Thursday which resulted in injuries to Mrs. Wonderly.

Her kneecap was crushed and she has had to undergo an operation at a hospital in Memphis, Tenn., where she will remain as a patient for two or three weeks. Dr. Wonderly and the children, Mary Emily, George and Sammie, suffered only minor bruises and scratches.

The accident happened about 40 miles beyond Memphis when an approaching car turned left directly across the highway in front of the Wonderleys. Dr. Wonderly, at the wheel, swerved to the right to try to avoid the other but was unable to do so, and in the ensuing collision his car was overturned.

Mrs. Wonderly is the former Dorothy Richardson, daughter of Sam B. Richardson, and she and her family had spent the past several months with Mr. and Mrs. Richardson here. They were on their way to the Wycliffe Bible camp at Norman, Okla., where Dr. Wonderly teaches each summer. He is a member of the Wycliffe Bible Translators and for the past 12 years has been stationed among the Zoque Indians in the mountains of southern Mexico, making a study of their language as he and his wife have worked among them in the interest of Christianity.

MISS RITTER

MISS BRISTOW

Two Sandhills Girls Graduate Together From Rex Hospital Training School

Miss Joy Ann Bristow, daughter of Mr. and Mrs. K. D. Bristow of Southern Pines, and Miss Betty Ellen Ritter, daughter of Mr. and Mrs. C. H. Ritter of Pinehurst, are new graduates of the nurse training school of Rex hospital, Raleigh.

Both are remaining at Rex as staff nurses until they take their state board examinations in the fall.

The two girls attended school together in Pinehurst, graduating together from Pinehurst High school in June 1950. Joy's parents moved from Pinehurst to Southern Pines while she was a high school student and she decided to continue at her old school. Joy is now 20, Betty Ellen 21.

Both were outstanding students in high school. During their senior year Joy was president of the Beta club and Betty Ellen of the Student Council. Betty Ellen was valedictorian and winner of the American Legion citizenship award. She was editor of the school annual, "The Sandspur," while Joy was on its advertising staff. Joy wrote the class prophecy her senior year.

They received their diplomas, climaxing three years of nurse training, in graduation exercises at Raleigh June 5. The commencement program was held at Meredith college. Afterward the girls came home with their families for a vacation weekend before getting back on the job Monday.

The Bristows live on US Highway 1 a little distance north of town, where they operate the Bristow Motor Court.
