

Special Events At Church Announced

Three special events at Emmanuel Episcopal Church were announced today by the rector, The Rev. Charles V. Covell.

A motion picture, "Each In His Own Tongue," will be shown at Church School which begins at 10 a. m.

Holy Communion will be celebrated at the regular 11 a. m. service and the rector will read the annual Pastoral Letter of the House of Bishops.

There will be a vestry meeting at 8 p. m. in the Parish Hall.

TRIO ARRESTED

(Continued from Page 1)

store in their car, "casing" the place and picking an auspicious moment, when no customers were inside. Several people saw the car. One of these was Lewis Foster, son of the proprietor, who was outside the store part of the time though he left before the men went in. He gave the officers a good description of the car.

This information the sheriff gave to the military police. Monday afternoon they found the car on the reservation, apparently abandoned. They left to report their find and later found the car had disappeared.

The MP's forthwith formed themselves into a dragnet, covering the vast post as best they could, with eyes and ears alert. They found the car again—this time with two of the three men inside. The confession of these two implicated the third.

For hard work and effective assistance the sheriff especially commended Sgt. J. Kubes, Sgt. Clarence Gleanon and Cpl. John Burns, all MP's attached to the 82nd Airborne Division.

Finding the men was one thing—getting Foster's money back another. Very little, it turned out, was left, and this little is being held by the Army for the present. The sheriff said he was informed the men blew it in on a "big weekend," possibly losing a good bit in gambling.

An SBI agent worked closely with the sheriff's department in investigating the robbery.

Sheriff McDonald said Foster reported he was sitting down behind a counter when the two men entered the store. Each of the men had pistols and the Negro also had a knife in his other hand.

When they were unable to open the cash register, the men demanded that Foster open it and he complied. They took about \$600 from the cash register and about \$200 from his pocketbook, Foster said.

Both of the men were described as neatly dressed in civilian clothes.

After the men had left, Foster called Sheriff McDonald who in turn notified the SBI whose agent immediately joined the sheriff and Deputy Lambert at Vass to begin the successful investigation.

COUNCIL TO MEET

(Continued from Page 1)

The sewer service study was prepared by a sub-committee, headed by William C. Darden, of the Citizens Advisory Committee.

The report states that the 1954 property tax can be reduced by 20 per cent—from \$2.20 to \$1.80 per \$100 of assessed valuation—by a sewer service charge amounting to 50 per cent of each quarterly water bill.

For 50 per cent of the town's water users, this would amount to no more than \$15 per year and for 85 per cent of the consumers, to no more than \$30, the report notes.

Most shrubs should be transplanted slightly lower than they were before being dug. Azaleas and camellias are exceptions; they should be planted no deeper.

BLUE KNIGHTS

(Continued from Page 1)

straight through the enemy lines, for the Blue Knights.

Old Town failed on conversion and Ruggles made Southern Pines' kick good for two more points, for the final score of 44 to 30.

Outweighed an average of 23 pounds per man, the Blue Knights put up an all-round good fight in which no one man starred. David Page, captain, equally good on offense and defense, led the way for alert, fast and versatile play on the part of all his men. A fine team in the tradition of their school—which has twice before held the Eastern Conference championship, and once gained the state crown—they could not, however get around the one big obstacle: they were up against a slightly better team.

Coaches Irie Leonard and W. A. Leonard, while hit hard by the loss, recognized the power of the Old Town team and praised the Blue Knights for their efforts throughout the 1953 season.

Head Coach Irie Leonard said after the game: "I don't think our boys played a very good game, but even if they had been at the top of their game, we probably would have been beaten. The Old Town team had tremendous power and outweighed our boys. Our boys took terrible punishment and I could tell at the halftime that we probably could not hold them the second half."

"The first quarter spelled the doom for us," the coach said, "because of the 25 points Old Town earned. I thought our boys played as best they could under the circumstances. I think the team played far above our expectations for the season. If we can replace our graduating linemen, we might have a good team next year."

A large delegation of visitors arrived to root for the Forsyth County team, whose 350-pupil high school serves a large suburban area of Winston-Salem. Vivacious cheerleaders on both sides added color to the occasion, and Southern Pines contributed an impressive half-time show by its blue-and-gold-uniformed major-ettes and blue-and-white-uniformed band.

Lineups:
 Old Town—Buddy Daniels, right end; Richard Dilworth, left end; Jim Norman, center; Bill Sheek, wingback; Don Graham, tailback; Roger Arrington, fullback; Goforth, Myers, Tilley, Sapp, Cartwright, Hunter.

Southern Pines—David Page, left end; Joe Smith, tailback; Tommy Ruggles, quarterback; James Humphrey, wingback; Johnny Watkins, tailback; Billy Cox, tailback; Paul Warren, right end; George Morrison, center; Bobby Renegar, Bobby Cline, Bill Marley, Harold McNeill.

ELKS HONOR

(Continued from Page 1)

Burney, Johnny Watkins, James Humphrey, Bobby Cline, Billy Cox and Jimmy Weatherspoon, manager.

Medallions—Joe Diggs, Don Cheatham, Paul Propst, John Ray, Emery Smith, David McCallum, Tony Parker, James Morrison, Charles Watkins, Bobby Parker, Bill Hamel, Richard Bethea, Jerry Daeke, Don Walters, William Creech, Gilbert Harbart and James Collins.

All players receiving stars and letters were also given gold footballs.

Mr. Weaver, who coached senior members of the 1953 squad in his last year at Southern Pines when they were freshmen in high school, came here for the Thanksgiving Day Six-Man championship game, when Southern Pines lost to Old Town, and remained for the banquet Saturday night.

In a talk that brought much praise from those who heard it, Mr. Weaver centered his attention on the three "A-B-C" qualities of character he said are required on the athletic field and in living—ability, brains and courage.

He praised the Blue Knights for playing a fine game, even though defeated, on Thanksgiving Day, noting that Southern Pines had made a touchdown in the last two minutes of the game.

Invocation was given by the Rev. C. K. Ligon. John E. Cline was toastmaster and the welcome was spoken by B. C. Doyle, Exalted Ruler of the lodge.

KIWANIS CLUB

pin; 1931, P. Frank Buchan; 1936, Dr. H. E. Bowman; 1937, Mrs. T. E. Chestham; 1938, Paul Dana; 1939, Dr. Clement R. Monroe; 1940 Charles W. Piquet; 1941, George H. Maurice; 1942, G. C. Seymour; 1943, Miss Birdilla Bair; 1947, Paul C. Butler; 1948, A. L. Burney; 1949, W. D. Campbell; 1950, Mrs. Audrey K. Kennedy; 1951, Forrest Lockey; 1952, Mrs. W. A. Way.

BASKETBALL

(Continued from Page 1)

won 18 and lost 2 in regular season play, the '53-54 Blue Knight basketball edition showed future promise.

Bobby Cline and James Humphrey were paired up at the guards, Johnny Watkins and Tommy Ruggles up front at the forward spots, and David Page at center. These are most likely to get the starting berths against Red Springs.

Likely also to see action against Red Springs are Jimmy Townshend, Tony Parker, a hustler, and Don Cheatham, and perhaps Diggs or Barber.

Coach Leonard, assisted by Don Moore, has had the Blue and White girls working out for the past 10 days but is still undecided who will take the floor against the Red Springs girls. But this should be no cause for wonderment or a tribute to his Scotch caution. Rather, it is because the 18-girl squad is the smallest group to report for practice in years, and last year's graduating class took five of the regular Blue and White starters. Dorothy Newton, veteran forward, and reserves Patty Woodell and Betty Jo Britt make up the experience of the squad.

But make no mistake about it, there is plenty of scrap and spirit among the girls trying to win starting posts on this year's team. Fairly certain of the coach's nod for two of the forward positions are Newton and Patty Woodell. Two transfers, Maxann Kerr from Shelby High, Kay Davis from Port Washington High, New York, and Patsy Hobbs are fighting it out for the third starting call. Right now it is a toss up, but all will see action.

Graduation cost the Blue and White three letter guards and two letter reserves. And it is with the guards that Coach Don Moore has his work cut out for him. More than likely Betty Jo Britt

and Jackie Davenport will get two of the starting guard berths. Britt lacks height but more than makes up this deficiency with speed. Davenport, a reserve last year, gives a little height under the basket but is short on experience. Sally Michelson, transfer from Central High of Riverside, Calif., June Bristow, Martina Harris, and Tony Martin will see action for the third guard spot.

Coaches Leonard and Moore are not pessimistic over the season's outlook for the boys. The Blue Knights probably will not have as good a Won and Lost record as last year's team. You don't lose as good shots as Choate and Woodruff and come up with a season average of .900. But the Blue Knights are going to be exciting this year. They won't score as much, but their opponents are not going to score as much either. Offensively the local high may not be as high powered as last year—defensively they will make a much better showing. They'll have to.

The girls will play better than .500 ball but will not get going perhaps until the middle of the season. They are likely to surprise an unsuspecting rival or two.

The girls' squad list: Maxann Kerr, Patsy Dupree, Mary Dell Mathews, Dorothy Newton, Patty Woodell, Kay Davis, Betty Morris, Martina Harris, Margaret Thomas, Sally Michelson, June Bristow, Jackie Davenport, Betty Jo Britt, Ginger Woodell, Patty Hobbs, Tony Martin, Betty Weatherspoon and Joan Howarth.

Boys' squad: Bobby Cline, Johnny Watkins, Tommy Ruggles, David Page, James Humphrey, Kenneth Tew, George Colton, James Barber, Joe Diggs, Tony Parker, Bobby Parker, John Seymour, Billy Hamel, Charles Watkins, James Prim, James Morris, Don Cheatham, Joe McDonald, James Collins, Julian Pleasants.
