

VACANT SHELVES at the West Southern Pines Elementary School Library show need for additional books—a problem that is being met by joint efforts of the school, with Mrs. M. E. York as librarian, the people of the West Southern Pines community and a "Finer Carolina" contest project headed by Miss Lockie Parker. Children in the photo are, left to right, Noel McNeill, Jacqueline Pride and James Robert Medlin. They are looking at three of the somewhat tattered "easy books" for younger children. The library's entire supply of these books is shown on the shelves between the children. Gifts of books are welcome and may be delivered to the school or to Miss Parker at the Country Book Shop. County Divided Into Two Groups For Season's High School Baseball Play

But All Teams Will Take Part In Moore Tourney, May 10-15

The Moore County Baseball season has been underway for a couple of weeks now for some of the nines and every team in the county has played at least one contest. Highfalls, the defending county champs, has looked strong in early games with Charlie Russell doing most of the pitching. Carthage and Southern Pines have also looked impressive. Don Jackson has been bearing most of the mound duties for the Bulldogs while the Blue Knights have relied on David Page and Tommy Ruggles for their twirling. There were two no-hitters pitched in the county last week.

Monk Gilliland shut Farm Life out by a 14 to 0 count as the Pinehurst Rebels opened their season last Friday. Tommy Ruggles set Cameron down with no hits but one run was allowed due to walks and errors as Southern Pines topped Cameron 6 to 1.

County Divided

The county has been divided into a North Group and a South Group for county play. The North Group is composed of Carthage, Highfalls, Robbins, West End and Westmore while the South Group is made up of Aberdeen, Cameron, Pinehurst, Southern Pines, Farm Life, and Vass-Lakeview.

A playoff between the North Group leader and the leader of the South Group will be held Monday, April 19th. Also to qualify

as leader of either group a team must have played a minimum of six games by this date. The winner of the playoff game will meet the Montgomery County winner on Friday, April 23. The winner of this contest will advance to the Group playoff April 30.

The Moore County Baseball tournament is tentatively scheduled for May 10-15 at Robbins and all 11 teams in the county will be allowed to participate.

Mrs. McGee, 25, Dies Last Friday

Funeral services for Mrs. Nellie Jenkins McGee, 25, who died Friday of last week were held at West End Baptist Church Sunday at 3 p. m., conducted by her pastor, the Rev. W. D. Hudson. Burial was in West End Cemetery.

Surviving are her husband, Davis McGee, and one daughter, Carolina, both of the home; five brothers and three sisters.

Auxiliary Honors Doctors of Moore County Tuesday

Doctor's Day was marked in this county with a red carnation, the official flower of the nation-wide observance.

A dinner planned for the physicians was postponed to April 24 because of the crowded condition of clubs and hotels this week.

Doctor's Day honors living and deceased members of the medical profession. Its date, March 30, also commemorates the first use of anesthesia in surgery by Dr. Crawford W. Long of Georgia.

The observance was originated by a member of the Women's Auxiliary of the Georgia State Medical Association in 1934. The following year it was introduced to the Auxiliary of the Southern Medical Association and today it

is marked by almost every state medical auxiliary in the nation.

The original Doctor's Day resolution praised physicians for their "valiant struggles and sacrifices for the defense of human living."

Student To Speak To Rotary Today

Miss Adrianna Gespar, Rotary Foundation Student from Vienna, Austria, will be guest speaker at the Rotary luncheon at the Country Club today (Friday). Rotary meets at 12:15 p. m.

Miss Gespar is a Junior at Woman's College of the University of North Carolina, Greensboro. Her attendance at Woman's College was made possible through the Rotary Club of Greensboro.

The program will be in charge of Herbert Cameron and Harry Lee Brown, program chairmen for the month of April.

Barry Bingham, Louisville Publisher, To Address Pinehurst Forum April 8

Rites Held For M. B. Clayton, Vass Resident

"The Press" Will Be Topic of Talk By Experienced Editor

Barry Bingham, president of the Louisville (Ky) Courier-Journal and Louisville Times Company and editor of the Courier-Journal, will be the speaker at the next meeting of the Pinehurst Forum, to be held at the Pinehurst Country Club, Thursday, April 8, at 8:45 p. m.

Mr. Bingham's topic will be "The Press," a subject on which he is obviously an authority. Now 48 years of age, Mr. Bingham was graduated from Harvard University with A. B. Degree Magna Cum Laude in 1928 and, with the exception of time out for war service, he has been actively associated with the press ever since his college days. His father, Robert Worth Bingham, United States Ambassador to the Court of St. James' 1933-37, was published of the same newspaper before him.

Mr. Bingham went on active war duty in May 1941. He served 39 months overseas and emerged with the rank of Commander, U. S. N. R.

Since then Mr. Bingham has made a number of trips to Germany, Austria and Trieste to report on occupation conditions, and was Chief of Mission, Economic Cooperation Administration, Special Mission to France for 54 weeks beginning in mid-1949. He also spent three months in Asia in 1953, touring with Adlai Stevenson, Presidential candidate of the Democratic Party at the last election.

The talk will be preceded by the Country Club's buffet supper, for which advance reservations are required.

the Aberdeen Community House, open to the public.

Everyone who has been connected with Aberdeen schools in any way is invited to attend the Sunday program.

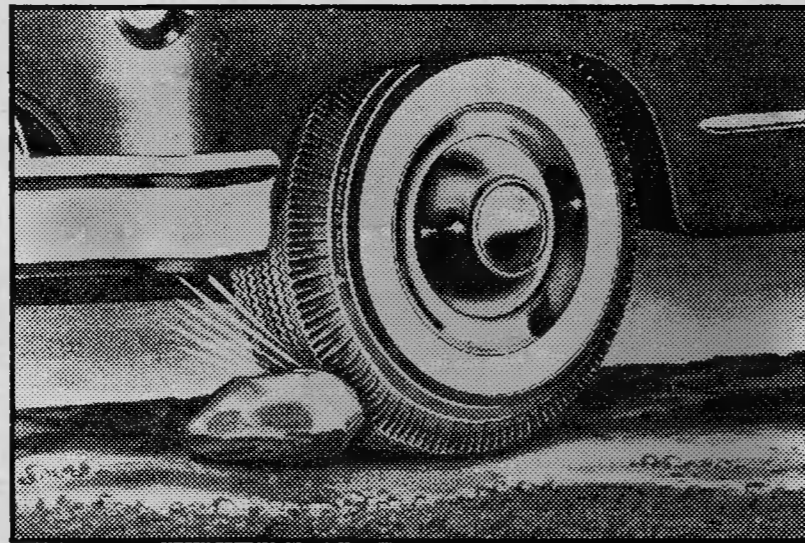

Homecoming At Aberdeen School Slated April 11

The Sunday program will be preceded by a homecoming dance Saturday evening from 8 to 12 at

At Pinehurst Garage Co., Inc. NOW! All Safety Tires Aren't Alike...Only the Firestone Supreme Protects You Against All these Dangers

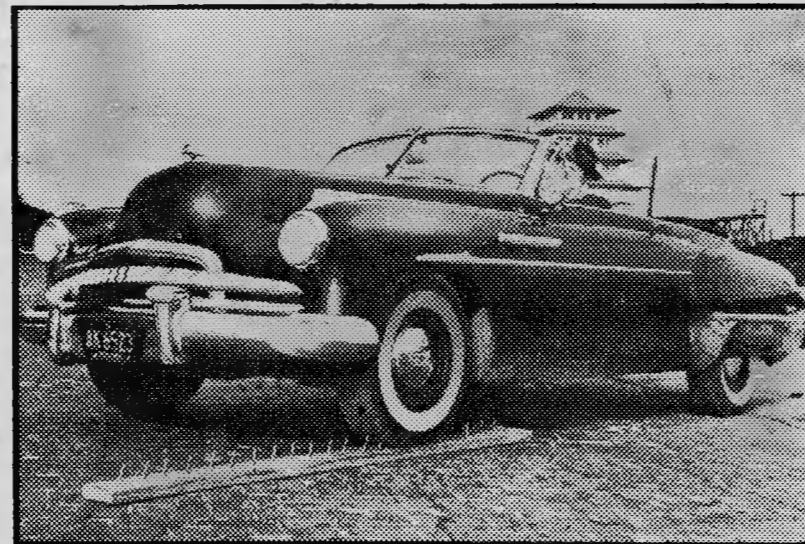

Delayed-Action Blowouts

Most blowouts are caused by broken cords of the tire body chaffing a tube, following a severe impact with a rock or other blunt object. In this new safety tire, the tube is replaced by an air-tight butyl Saffi-Liner that is an integral part of the tire. There's no tube to pinch or blowout when injury to the tire body occurs.

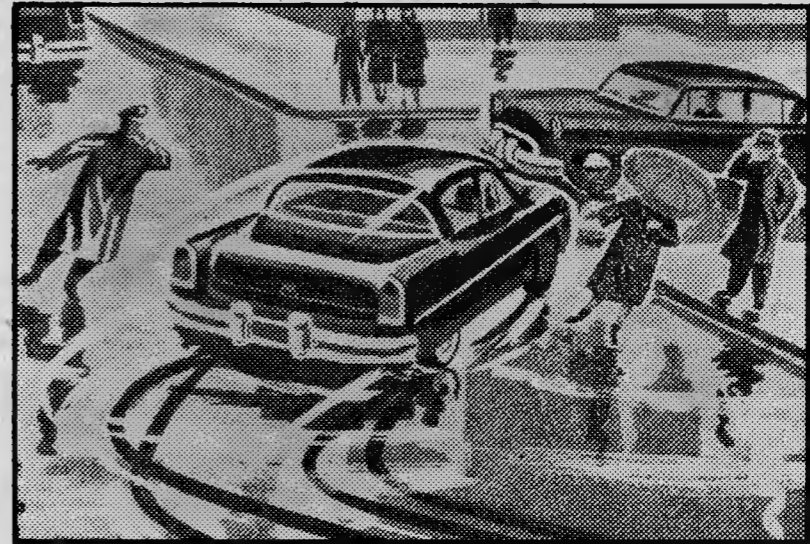

Instantaneous Blowouts

Any tire can blow out instantly when cut by a broken bottle, a scrap of metal, or similar sharp object. But only the Firestone Supreme can prevent an accident because it has a special emergency tire inside which holds enough air to allow you to come to a safe straight-line stop.

Hazardous Punctures

Inside this tire is a puncture-sealing material which adheres to nails and other penetrating objects and prevents air loss, enabling you to continue on to your destination without interruption.

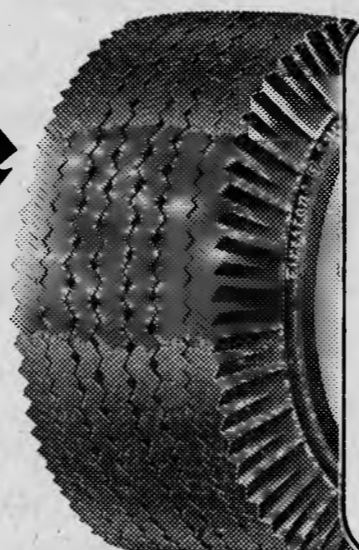

Dangerous Skids

Maximum protection against skids because of wider tread contact with the road... More gripping power per square inch because of special Traction Boosters and Skid Resistors.
