ACCIDENT SCENE - The automobile that took the life of a young Moore County man is pictured at the scene Saturday night, bent and shattered almost beyond recognition. The body of Glenn Edward McCaskill, driver who died in

the wreck, is beneath a blanket, still under the car, in the center of the photo. Rear of the vehicle is to the left. A portion of one of the large pine trees snapped off or uprooted by the impact protrudes at the right. (Photo Humphrey)
