

Four Accidents In County Reported By SHP Last Week

Four accidents, three of them involving soldiers, were reported by the State Highway Patrol over the past week. All caused personal injuries, some of them very serious.

The most serious landed seven Negroes—four soldiers and three young women—in the hospital last Wednesday.

James McNair, 25, lost control of his new model car on NC 211 about one mile west of Aberdeen, skidded sideways for some 300 feet and turned over three or four times, according to the SHP report. One girl, a resident of West Southern Pines, suffered two fractured ribs, a perforated lung, a broken hip and a dislocated hip.

The other two girls in the accident were injured though to a lesser extent. All were taken to St. Joseph's Hospital.

McNair will be charged with operating his automobile at an excessive speed, the Patrol said.

In another accident, last Tuesday evening, Mrs. Ollie Ring, 34, wife of Robert Lee Ring of Route 3, Carthage, received a fractured leg and head injuries when the

car in which she was a passenger was struck by another as it waited on the road shoulder.

Cpl. Jim McColman, who investigated, said the accident occurred on the Union Church Road just west of Vass.

George McCrimmon, 28, of Vass, was operating the vehicle that struck the Ring car. Cpl. McColman said McCrimmon told him he was blinded by the lights of Ring's car and was unable to see where he was going.

Mr. and Mrs. B. Parker, occupants of Ring's car, also were injured, both receiving bruises and abrasions.

All the injured were taken to Moore County Hospital.

Cpl. McColman has filed no charges pending further investigation.

Specialist 3/c Ben Tillman Kay of Southern Pines, suffered minor injuries when his car, travelling toward Fort Bragg on East Connecticut Avenue Extension went out of control for some day evening, Mrs. Ollie Ring, 347 feet and turned a somersault. The accident happened Friday. He was cited to appear in Moore County Recorder's Court for

driving at an excessive speed.

M/Sgt. Harold T. Bruce, resident ranger at station No. 5, Camp Mackall, was slightly hurt Thursday afternoon when the MP truck he was driving toward the camp went off the road and overturned. The accident occurred near Addor.

The SHP reported that Sgt. Bruce was charged with careless and reckless driving.

Vehicles in all the accidents were damaged to a considerable extent.

Extension Service home economists say convenient arrangement of work space can save the homemaker 50 miles of walking per year. The 20 to 30 days time saved could be easily used to handle 35 to 85 hens and bring in some cash income, they point out.

The Department of Public Health Nursing of the University of North Carolina School of Public Health was organized in 1941.
