Girl Scout Day Camp At Pinebluff Lake Termed Success By Director

More than 100 Girl Scouts, taught and each troop acted out from troops in Aberdeen, Pinebluff and Southern Pines, ended a short scene demonstrating a successful day camp Friday at Pinebluff lake with a full day of methods of basic first aid and safety precautions including burns, fainting, bleeding, splinter removal, snake bite and abrasions.

The camp, held annually for girls in the Southern part of the county, was in charge of Cathryn Creasman, executive director of the Central Carolina Girl Scout Council, and had a staff of some 22 directors and leaders. Miss Creasman said it was one of the most successful camps in her memory.

Among the activities on the program were a series of lectures and demonstrations on life-saving, in charge of Mrs. Colin Smith, the water front director, and her assistants, Becky Traylor, Emmaday Collins and Judy Smith. Highlight of the demonstration was a simulated "saving" of Alice Jean Robbins by Diana Simons of the Aberdeen intermediate troop.

Elise Senior Wins District 4-H Club Lighting Contest

Jane Owen of Elise High School in Robbins was named winner of the Southeastern District 4-H Club electric demonstration contest for girls at the district meeting held this past week in Lillington.

A senior in school, she placed first by demonstrating the selection, care and use of home lighting. Her demonstration was entitled "Better Light for Better Sight."

She will receive an all-expense trip to 4-H Club week in Raleigh next month where she will compete with five other district winners to the state finals. State winners will receive prizes for their demonstrations, with matched luggage the prize in her category.

The Southeastern District is composed of 17 counties.

Referendum Set On 'Nickels For Know How' Scheme

"Nickels for Know-How," a scheme which produces funds for promotion of cotton and cotton products, will be the subject of a special referendum in farm areas throughout the state August 23, according to information from the county agent's office.

Under the plan each farmer who produces cotton votes either for or against the assessment of five cents for each bale of cotton he produces, with the proceeds, in the event the vote is favorable, going to the Cotton Council for promotional work and research.

Polling places in Moore County have been established as follows:

Chiropodists Will Hold Mid-Winter Convention Here

The North Carolina chiropodists Association will hold its mid-winter meeting in Southern Pines, probably in January, it was learned following the regular convention in Fayetteville last week.

This will be the second time the group held its mid-winter meeting here. Last January about 50 people attended the convention, held at the Hollywood Hotel.

Dr. Delamar Mann of Southern Pines extended the invitation.

At the Fayetteville meeting Mrs. Mann was re-elected secretary-treasurer of the woman's Auxiliary of the association.

"Lasting Value is the thing that sold me on Olds!"

GOLDEN ROCKET 88 HOLIDAY COUPE

Attendant: Well, I've looked at Olds from every angle, underneath, under the hood, and I can tell you—Olds really knows how to put 'em together!

Owner: Yes, and Olds has style that you know will stay in style. Ever check on how much more you get for an Olds trade-in?

Attendant: You get more than lots of higher priced cars bring.

Owner: Right! The way Oldsmobile value lasts makes it a smart investment. And there's lots more...

Attendant: Sure, take that Rocket Engine*... there's still nothing quite like it. I always talk it up, even though the new J-2 Rocket does mean I pump less gas.

Owner: When you add it up, and take a look at the price—it really makes sense to own an Olds.

Attendant: That's for sure. I'm driving a Golden Rocket 88, too! And more and more of my customers are going over to Oldsmobile.

*Rocket J-400 Engine, with 277 h.p., standard on all models. J-2 Rocket, with 300 h.p. and 412-lb.-ft. torque, optional at extra cost.
