

### Local Lions Club Participating In Annual 'White Cane' Drive In State

The Southern Pines Lions Club has joined with more than 14,000 other Lions of North Carolina in launching the annual "White Cane" drive for the North Carolina State Association for the Blind.

The Southern Pines drive, headed by Calvin Howell, local architect, was launched September 22, and will continue through October 5.

According to Howell, this year the state goal is \$40,000. The funds raised will go to provide many services for the blind, including glasses and other visual aids, radios for blind shut-ins, eyecare, medical services, and white cane walking sticks.

This year the association is establishing and operating a regional library for the distribution of talking-book records and books and literature in Braille. Some mountain districts of All these services are essential North Carolina receive more but the association, according to Howell, feels that an expanded

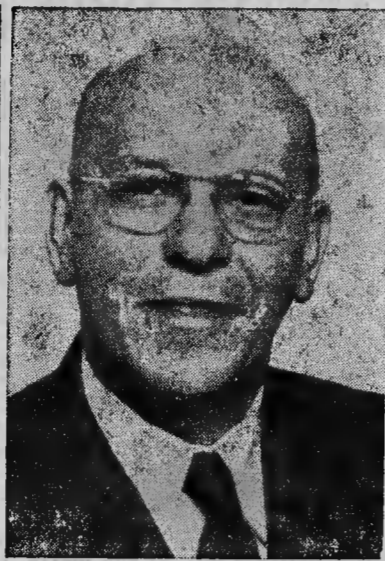

prevention of blindness program will be the greatest service that could be rendered to the citizens of North Carolina.

Each year through the loyalty and support of Lions, the association has expanded its services and rendered aid to thousands of blind and visually handicapped persons. In 1956, there were 25,509 such persons aided.

Every member of this community will be given an opportunity to join the "White Cane" drive during the campaign, Howell said. Memberships in the Association will be sold as well as tiny "White Cane" bangles.

The topography of North Carolina causes more diversity in climate than differences in latitude cause.

Some mountain districts of North Carolina receive more rainfall than any other place east of the Rockies.

Dr. William T. Scott, superintendent of the Southern Convention of Congregational Christian Churches, Elon College, will be moderator of an Installation Service for the Rev. Carl E. Wallace at the Church of Wide Fellowship Sunday at 7:30 p. m.

Assisting Dr. Scott in the service will be Martin Garren, Greensboro, president of the Southern Convention; the Rev. Earl Farrell, Fuquay, secretary of the Eastern North Carolina Conference of Christian Churches; Dr. Will B. O'Neill, Sanford; Dr. Cheves Ligon, Southern Pines; and mayor W. E. Blue, Southern Pines.

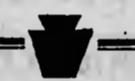

A reception in the Fellowship Hall of the church will follow the installation service, to which the public is invited.

### Kitchin Announces Intention To Run For Congress Again

"I am running already!" And with those words A. Paul Kitchin, Eighth District Congressman, kicked off his campaign for re-election next year to the seat he won by defeating C. B. Deane in a heated election in 1956.

Kitchin, visiting in Rockingham this week, said he has enjoyed his work as Congressman and was pleased with the record he has made so far.

A native of Wadesboro, Kitchin won the seat held by Deane for 10 years by carrying Anson, Lee, Montgomery, Richmond, Scotland and Union Counties. Deane won the counties in the upper portion of the district, plus Moore and Hoke.
