HAPPENED SUNDAY NIGHT

Officers Investigating Two More Break-Ins Of County Establishments

Moore County law enforcement officers, plagued in recent weeks with a rash of break-ins, added two more to the list Sunday night.

Officers said Monday that Michael's Store, near the airport on NC Highway 22, and Danny's Grill, on US 1 between Cameron and Vass, were the targets. Both have been robbed before, one of the investigating officers said, Danny's Grill within the past three weeks.

At both places entry was made by forcing the lock on the front door. Danny's Grill not only had a new lock, but an entire new door since the previous robbery.

At Michael's several shelves were stripped bare of canned and packaged goods. Mel Michael, proprietor of the combination store and service station, said some tires and other items also appeared to be missing. He was hampered in taking an inventory because of the necessity

of being in Superior Court Monday to appear as a witness against John Edward McLean and Walter Thomas Marsh, charged with robbing him some months ago.

Deputy Herman Grimm is investigating that break-in. Under investigation by Constable Lester Woods of Cameron is the robbery of Danny's Grill, where the ice cream box and juke box were broken open and some \$30 to \$35 in cash taken from each machine. The grill is owned by Ralph Oliver of Sanford and operated by Mrs. Ethel Cole of Cameron.

The State Bureau of Investigation is assisting in both cases.

On May 13, 1908, by act of Congress, the U. S. Navy Nurse Corps was established.
