## BAPTIST JUNIOR GROUP HOLDS STUDY AT TOWN CREEK INDIAN MOUND, MT. GILEAD

"Operation Back Yard" is the name given a project of the Junior Training Union of the First Baptist Church, and the explanation is that the boys and girls are meeting in back yards for a study course entitled "Fighters For Freedom." Leaders of the group are Mrs. Ben Steen and Mrs. C. R. Mills.

As a change from their weekly back yard meetings, the group journeyed to the Town Creek Indian Mound, a State historic site near Mt. Gilead, last Friday and spent the day.

Early in the 16th century, a group of Muskogean-speaking Indians settled in the upper Pee Dee River Valley and established several villages. At Town Creek, they built their Square, where all matters of religion and politics were settled.

The Square consisted of four rectangular sheds placed in the center of the plaza. On the West they built a mound to serve as a platform for the major temple. A series of other religious and mortuary structures surrounded the other sides of the plaza.

In 1936 the N. C. Archeological Society became interested in preserving the mound and having it investigated. In 1937 the owner deeded the property to the State, and the restoration work has been in progress since.

The temple has been rebuilt, also the stockade wall enclosing the ceremonial area, and much other restoration work accomplished.

The local girls and boys found much to interest them there, and it was a real thrill for them to

meet in the restored Indian temple for their period of study for the week.

At the noon hour the young people, their leaders and adults who provided transportation enjoyed a picnic lunch.

Junior Training Union members going were: Nancy Scott, Marie Mangum, Joyce Little, Ebbey Morden, Stephen O'Neal, Larry Dougherty, Mike Scott, Georgia Morden, Beth Gamble, Susan Huntley, Donna Traylor, Jeri Lynn Morgan, Carolyn McRae, Linn Dougherty, Linda Darden, Linda Ann Lucas, Becky Lucas, Donna Wellman, Debora Lee, Katherine Johnson, Maria O'Neal, and Elizabeth Brown. Jack Goldsmith was a guest.

Adults providing transportation for the young people and their leaders were Miss Anna Ruth King, educational director for the First Baptist Church, Mrs. William Lee, Mrs. Walter O'Neal and Ben Steen.

The group will meet at the Charlton Court at 10:30 a.m. next Friday for study, swimming and a picnic lunch.

Incidentally, the Town Creek Indian Mound is open to the public from 8 a.m. to 5 p.m. Monday through Friday, from 1 to 5 p.m. Saturday, and 8 a.m. to 6 p.m. Sunday.

Organized groups planning to visit the place should write in advance to the archeologist in charge as advance notice will insure his attention for the group. The address is: Historic Site Specialist, Town Creek Indian Mound, Mt. Gilead, N. C.
