Bloodmobile To Be Here Tuesday; Need Is Urgent

The Red Cross Bloodmobile will make its second visit of the summer to Moore County this week, coming to Robbins Monday and to Southern Pines Tuesday. Queta for each place is 125 pints

At Robbins it will be set up at the school gym from 12 noon to 6 p. m.; at Southern Pines at St. Anthony's Catholic School from 11 a.m. to 5 p.m.

John L. Frye and Mrs. W. E. Alexander are recruiting donors in the Robbins community.

At Southern Pines, donor cards are in the hands of several citizens. Cards here are also available at the Red Cross chapter office, Citizens Bank and Trust Co. Jack's Grill, Hamels Restaurant, the two barber shops and all drug stores in town, said Earl Hubbard, chairman. He urged that all persons wishing to build up their

of these places. Donor cards on hand for repay-

ment of blood that has been already used totaled only 67 early this week, only about half enough to mect the quota. Hubbard asked that those who have signed these cards note the date, and be sure Miss Marcum Gets to be on hand.

Without repayment as pledged, the blood program goes deep in the hole and hospital and patients must suffer, he reminded. Moore Title at Pageant County is already in debt to the program, with needed blood being supplied by other chapters.

When blood is needed, nothing else will do," he said. "Every day in our hospitals it saves life and restores health. Its value simply restores health. Its value simply cannot be rated too highly—yet in "Miss Congeniality" award Saturactuality it has none at all. It is day night—a tribute from the 68 free. But it must be given by one other young women who took human being for the benefit of part in the event. another."

The award, which carries a \$250 Advice from the program is that those who have given blood withscholarship, was made by vote of the participants in the pageant to in the past 90 days should not give this time. Junior Tennis Tourney To Start Here Monday

 The 12th annual Junior Sandhill Invitational tennis tournament will be bringing young players into town this weekend, for competition on the municipal courts, Monday through Wednesday.

Players in the tourney usually numbering up to 50 or 60, come mostly from North and South Carolina with a sprinkling from other states.

John McMillan, tournament director said Tuesday night that only about a dozen entries had been received by mail, "but this is normal for this stage-they'll come piling in before the deadline of midnight Sunday, ready to start play first thing Monday morning." The many inquiries received, along with requests for entry blanks, indicates much interest and good attendence this vear.

The tournament, sponsored by the Sandhills Tennis Association, for the past several years in cooperation with the summer recreation program is one of the topflight events in its field for this section. Sanctioned by the Southern Lawn Tennis association, it draws some of the best players, with SLTA ratings, as well as newcomers eager to take a shot at The appointment of Billy Mc- the Sandhill Junior trophies.
