The hall was gaily decorated in the Halloween motif with paper pumpkins, black and orange balloons and fall flowers.

Mrs. Raywill Pearce brought the welcome and introduced National Director and State Manager, Mrs. Ethel M. Donaldson, who explained in detail the insurance and fraternal part of the Society. To bring out her point on the importance of being fully insured, Mrs. Donaldson used an umbrella with items such as hospital, doctor bills, taxes, etc., (we all experience from time to time) painted on the umbrella. She described how the various types of Woodmen insurance would help defray these and many other everyday expenses.

Following Mrs. Donaldson's speech, the evening was then spent in playing games with prizes given the winners.

Thomas met with the circle members to present some business concerning the rental of the Woodmen hall to a local group to be used for worship services. During the business session of the Circle much discussion centered around the proposition and for the time being, no definite decision was reached.
