## new performance

The big furnace volume blower drives 4 TIMES MORE room air through the heart of the fire and out over your floors. You get furnace comfort in every room without costly pipes and registers to install. No more living in one room when the tem-perature drops. Siegler is built to heat your entire home!

### new economy

Ordinary heaters waste heat on the ceiling and out the chim-ney. Siegler, with the patented Inner Heat Tubes, *captures* this wasted heat and pours it over your floors. If you want the finest in comfort and the lowest fuel bills, be sure the heater you buy has Inner Heat Tubes and a *built-in* Blower System.

## new styling

The cabinets are finished in rich leathertone or golden suntan porcelain. Choose from either Pyrex glass or golden metal fronts. Siegler kitchen heater models are available in snowy white.
