## Traffic Violations Must Be Recognized As Criminal Acts, Moore Officers Told

Problems in getting the traffic safety message across to the people and the State's latest program to cope with carnage on the highways were discussed by Eb Peters, director of driver education and accident records with the Department of Motor Vehicles, as speaker last Thursday night at the Moore County Law Enforcement Officers annual banquet and ladies' night.

Peters came as able pinch-hitter for Major Speed, safety director with the State Highway Patrol, last year's speaker who had been invited for a return visit. His talk followed a steak supper held at the educational building of Page Memorial Methodist church in Aberdeen.

He gave what he called "the Major's message" in describing organization of the new State Safety Council, set up with a "program of action" to deal with all types of accidents, emphasizing those on the highways. Phil Ellis is director, heading a full-time year-round staff of six, supported by contributions from various corporations, firms and banks.

"It's a Council of the people, for the people, bent on getting away from the papers and posters of the past which have failed to do the work and to get close to the people in an effort to secure statewide corporation toward safety," Peters said. He noted, however, that "it is strange how difficult it is to get people to save their own lives and property."

This won't be done until traffic law violation is hated and despised like any criminal type of violation, and is not condoned by

respected citizens, commented Judge J. G. Farrell, of Aberdeen Recorder's Court. Judge Farrell, serving as program chairman, made his remarks from observation of many court cases, and these were expanded by Judge J. Vance Rowe of Moore Recorder's Court.

Judge Rowe, president of the officers organization, presiding over the program, took the occasion to appeal for more support of the officers in their hard job of enforcing the laws. Not only behind the wheel but in the jury-box, and in insistence that officers do their duty and legislators pass better laws, must responsible citizenship be evidenced, he said.

"It is the 'good people' who violate the speed laws, the ones who in terrible selfishness act as if they're the only people on the highways, who cause most of the trouble," said Judge Rowe. "When the traffic law violator thinks of his acts as criminal and himself as a criminal, then only will we reduce the killings and the maimings."

W. Lamont Brown, for the executive committee, read the proposed regulations for administering the association's Insurance Fund, which has been approved by the county commissioners and which will go into effect, January 1. Benefiting only those dues-paid members who are actually arresting officers, the Fund will be financed not only through dues and initiation fees (for those joining later) but by \$1 to be added to court costs in all criminal convictions in Moore courts (except non-support and abandonment cases).

## Funeral Held Today For Ambassador Biddle, Brother of Pinehurst Man

Funeral services were held this (Thursday) afternoon at the Fort Myer, Va., chapel for Anthony J. Drexel Biddle, Jr., U. S. Ambassador to Spain and brother of Livingston L. Biddle II of Pinehurst. Burial was in Arlington National Cemetery.

Mr. Biddle, who had served the nation in diplomatic and military posts since 1935, died Monday at Walter Reed Hospital, Washington, D. C. He returned from Spain and entered the hospital in October for treatment of cancer and pneumonia. Death was attributed to a heart attack.

Born in Philadelphia, Pa., December 17, 1896, he was a veteran of both World Wars, serving in World War II as a liaison officer on Gen. Eisenhower's staff. His diplomatic career began in 1935 with appointment by President Franklin D. Roosevelt as minister to Norway. He later was ambassador to Poland and served also during the war as ambassador to four European governments in exile and, simultaneously, as minister to the government in exile of four other nations, with headquarters in London.

Two marriages—to Mary I. Duke and Mrs. Margaret Thompson Schultze—ended in divorce. He is survived by his wife, the former Mrs. Margaret Atkinson Loughborough; two daughters, Mrs. James Semans of Durham and Miss Margaret Grace Biddle of Washington; two sons, Nicholas D. Biddle of New York City and Anthony J. Drexel Biddle III of Washington; a sister, Mrs. T. Marko Robertson of New York City; and his brother at Pinehurst.

**WITH THE Armed Forces**

**Marine Pfc. James D. Holder,** son of Mrs. Clara D. Frye of Vass is serving in the Western Pacific with the Second Battalion of the Seventh Marine Regiment on Okinawa.

The battalion departed for the Far East from San Diego, Calif., in October, pausing en route to participate in amphibious exercise "Operation Silver Sword" in Hawaii, before joining the Third Marine Division on Okinawa.

**Charles T. Gay,** photographer's mate third class, USN, son of Mr. and Mrs. William Gay of 922 E. Wisconsin Ave., has been promoted, while serving aboard the attack aircraft carrier, USS Shangri La, home ported at Mayport, Fla.

The promotion was made on the basis of fleet-wide competitive examinations conducted last August.

**Army Specialist Four Danie Worthy,** has been assigned to the 1st Infantry Division at Fort Riley, Kan.

Specialist Worthy, a teletype operator in Company A of the division's 21st Signal Battalion, entered the Army in December, 1959, and completed basic training at Fort Benning, Ga.

The 25-year-old soldier, son of Mr. and Mrs. Herbert Worthy of Pinehurst is a 1955 graduate of Academy Heights High School near Pinehurst and a 1958 graduate of the Agricultural & Technical College of North Carolina in Greensboro. His wife, Isabel, lives in Mount Vernon, N. Y.

After the rousing victory over Carthage, the whole school is in gay spirits for basketball season. Everyone is happy and ready to fight hard for the Blue Knights' honor.

**Clean-up Campaign**  
This week, the student council decided to start a campaign to clean up the school. Each club in the school will be responsible for a section. This is believed to help the upkeep of the school grounds. We have one of the prettiest campuses in the state; it is the responsibility of students to help in its upkeep and cleanliness.

**New Club**  
A new club has been organized in the school system by a few persons interested in self-government. This is the Semantics Club: a word study organization. It has no sponsor as yet and meets independently. It is hoped that this organization will catch on and grow. There have been a few informal meetings which have been extremely successful.

**Purpose of the club is to build RANKS SECOND**  
Georgia ranked second only to Wisconsin in the production of paper and board products during 1960 with an output of 2,047,379 tons. Other Southern states which produced more than a million tons each were Alabama, Florida, Louisiana, North Carolina, South Carolina and Virginia.

Let's all take care!
