Mrs. Nonie Foster Celebrates 101st Birthday With Relatives, Friends

Mrs. Nonie Foster of the Taylortown community near Pinehurst observed her 101st birthday November 12, making her one of the oldest, if not the oldest, person in Moore County.

A resident of Taylortown for the past 30 years, after moving from Carthage, Mrs. Foster was born November 12, 1860. She is the widow of the late Todd R. Foster.

With her to celebrate the recent birthday were four of her children, Mrs. Oppie McLean of Syracuse, N. Y., Mrs. Clara Kelum who lives with her, Mrs.

Lowra Thomas and Harvey Foster.

Granddaughters present were Mrs. Jehue Brown, Mrs. Ulysses Barrett and Mrs. Kyser Criss. Also present were several great grandchildren.

Mrs. Foster has 17 grandchildren, 43 great-grandchildren and one great, great grandchild.

Friends and neighbors came to see her on her birthday and she received many gifts. There was a birthday dinner in which relatives and friends joined.

Mrs. Foster's health is reported to be "about as good as a year ago" when she turned 100, and she was described as in "high spirits" for the birthday celebration.

Paper Carrier Hurt in Wreck On Midland Rd.

A morning newspaper carrier out delivering his papers early on Thanksgiving Day was the victim of an automobile accident which landed him in the hospital with painful injuries.

J. H. Walters, 59, of Vass, and his son, Bobby Walters, 25, who was driving for him, were both injured when the car left Midland Road between Southern Pines and Pinehurst, striking two pine trees in the central parkway. They had just come out of the driveway of Dr. W. F. Hollister's home, where they had delivered a paper.

Both men suffered lacerations of the face and head, with contusions and a bad shaking-up. They were taken to Moore Memorial Hospital at Pinehurst, where Bobby received emergency treatment and was released later in the day, while his father is expected to remain several days as a patient.

Trooper R. R. Samuels, investigating, said Bobby Walters told him the steering gear failed. The car, a new compact bought just two weeks earlier, was damaged an estimated \$1,000 worth. There was no evidence of negligence, the trooper said, and no charges were preferred.

26 Moore County Young Men Will Take Army Exams

The Army Pre-Induction schedule for the month of December shows that a total of 87 men will be called to Raleigh from Lee, Chatham and Moore Counties according to Sgt. Paul Hawks, Army recruiter, whose office is in Sanford. Thirty-six men are scheduled to leave Sanford December 1. 25 men are scheduled to leave Pittsboro December 18, and 26 men are to leave Carthage December 6 for physical examinations and written tests at the Armed Forces Examining and Induction Station in Raleigh.

Sgt. Hawks says that in past months about 25 per cent of these men usually enlist in the Army and select technical schools, overseas assignments, vocational training within certain fields, or assignments to Airborne duty, Special Forces duty, Army Security Agency and Air Defense Command missile bases.

If they wait for the draft they have no choice as to their job or duty station, he pointed out. Sgt. Hawks asks interested young men facing their military obligation to contact him at the Army Recruiting Station in Sanford at telephone 775-2263.
