Southern Pines High School News

By DICK HOSKINS
Two more wins since last week for our basketball team! It seems that our team is rather good this year.

A lot of people are planning for the trip to Durham for the state play-offs. Let's not count our chickens before they hatch—after all confidence can turn out often to lead a team to destruction. In the meantime it wouldn't hurt if everyone would come to our last game on Friday night. We play Pinehurst and we intend to win... by a large margin. Our boys need the support of every student and every parent.

Dance After Game
After the game this week, the Student Council is sponsoring a dance in the student lounge. Every one is invited to attend. Refreshments will be served free of charge. The Student Council will sponsor another dance in the early part of next month.

Band Boosters
The Band Boosters are still trying to raise money for the uniforms. It seems that we in the band are dressed on credit. They plan to give a dance some time next month. Again details will be given later.

Panel Discussion
Next week during an assembly program, the student government will sponsor a panel discussion about various school problems.
