More interesting information on twin three-year-old trotters Tweedledum and Tweedledee, whose picture decorated the Pinehurst Page, February 15 issue, is contained in a special article in Sunday's New York Herald Tribune.

The article is flanked by a fine action study of the twins taken by Pinehurst Photographer John Hemmer during a workout at the Pinehurst Race Track. Owner Norman S. Woolworth and Ron McAliduff are driving.

Another photo shows the twins with proud mother, Novelle Hanover shortly after they were foaled at Walnut Hall Farm in 1959.

According to United States Trotting Association registrar, Ken McCarr, (son of the late E. J. "Ned" McCarr, a well-known trainer and driver at the Pinehurst Track for many years) twin births among standard-breds occur once in every 10,000 births and the odds against one or both foals living are much higher—in fact, "beyond forecast or calculation."

Owner Woolworth and Trainer Earle Avery have decided to race the twin brothers at Roosevelt Raceway this season, and they have been allotted stalls at the Westbury, N. Y. track.

The owner doesn't expect "star quality" racing from the twins but he believes they will perform creditably.

Though it was terribly difficult to keep the foals alive at first, they have now grown and developed normally; Tweedledee, however, is somewhat smaller than his brother because he had to be bottle-fed.

Popular Sport

A four-line sports page filler gave staggering comparison figures on the growth of golf as a major sport in the nation. The first U. S. Open golf tournament in 1895 had an entry of 11. The entry in last year's event was 2,449.

Not the Same

Southern Pines has an Anne Glenn, who teaches first grade in a local school. Though she has repeatedly assured her pupils that her husband (whose name is Nicholas) did not make the famed space flight two weeks ago, they remain unconvinced and regard her still as a space age heroine.

Faint-Hearted

It was quite a relief to read about the emotional goings-on at the wedding in Italy Sunday of Benito Mussolini's son and Sophia Loren's sister. In a time when most weddings are perfectly timed and planned and brides saunter down the aisle exhibiting about as much emotion as though making a trip to the meat counter in a supermarket, it's good to know that the Latins are still as uninhibited and temperamental as ever.

Basketball

The Pinehurst Rebels have had a better basketball season this year than most folks recall. With the girls becoming season champions and the boys seasonal runners-up, and both teams going all the way to the tournament finals with boys only then being defeated by the Southern Pines Blue Knights, there is little room for complaint.

Having downed Vass and Highfalls, the Rebels came to the finals on Saturday. With the two top teams in the Conference playing, Southern Pines and Pinehurst, in that order, people expected an excellent game—and they weren't disappointed.

Bobby Norton was high scorer for Pinehurst with 11 points; Marshall Lewis scored 8; Marty McKenzie, 6; Butch Hardy and Gary Cameron, 4 each.

High scorers for the Blue Knights: Dick Seymour, 13; Johnny Bristow, 11; Eddie McKenzie 8; Wallie Wallace 4; Harold Williford, 3.

The game throughout was a typical Pinehurst-Southern Pines battle which the spectators felt could have gone either way. Throughout the first quarter, each team matched the other's goals, point for point, with the score 6 all at the buzzer.

At the half, there were hopes of a Rebel runaway, with the score 20-14 favoring Pinehurst. Pinehurst's slump in the third quarter probably cost the Rebels the championship. In the third

period, Southern Pines slid by Pinehurst with a two-point lead, 24-22.

The Rebels were unable to stork their opponents in the fourth quarter and the Knights fought ahead for their 39-33 victory.

All players, coaches and officials everywhere deserve thanks for the many long hours of hard work which they put in to help make high school basketball the fine sport it is today.

DELAWARE GOVERNOR AT LIONS MEETING

At last week's meeting of the Lions Club, an honored guest was E. N. Carvel of Laurel, Del., now serving his second term as governor of Delaware. He told members how happy he was they had such a flourishing club. It was Governor Carvel's suggestion to J. Frank McCaskill, during a golf game here in 1948, that triggered the formation of the local Lions Club, which received its charter the following year.

Governor Carvel is a charter member of the Laurel Lions Club. He and his wife have been guests at the Holly Inn on a golfing vacation. Shown left to right are: W. Graydon Spivey, local secretary and zone chairman of the blind for District 31F; Governor Carvel, William B. Alexander, club president, and Roger Deering, marine and landscape artist who makes his winter home here. Mr. Deering was the main speaker at the meeting. (Hemmer photo)
