### Sustaining Gifts Division of Moore Memorial Building Drive is Launched

Tuesday evening, in the auditorium of Pinehurst School one of the largest fund-raising meetings ever held in Moore County was conducted to launch the Sustaining Gifts Division of the \$450,000 Moore Memorial Hospital Building Fund. About 100 persons from over the county and surrounding areas were present.

At the meeting General Chairman William P. Saunders stated, "To date 288 pledges have been received by the Moore Memorial Building Fund for a total of \$146,612. We think this is a wonderful beginning and we are confident that others throughout the hospital service area will join with these 288 investors in supporting the campaign for a new wing at the hospital."

During his talk, Mr. Saunders noted that the "Hospital Family" (board, staff, employees and auxiliary) has received 240 investments for a total of \$89,825; Primary Division has 41 investments for a total of \$44,037; Corporate Division has seven investments for a total of \$12,750.

"We are especially pleased with the wonderful support shown by the Hospital employees. Eighty-six per cent of these employees have pledged an average of \$43.23. This certainly shows sacrificial giving upon the part of these de-

voted folks," Mr. Saunders said. Mr. Saunders and Dr. C. C. McLean, chairman of the Sustaining Gifts Division, asked the 200 volunteer salesmen present to do their utmost during the next few weeks to call upon their prospects and urge them to invest in "the finest health facilities possible for Moore County."

Duncan L. McGoogan, administrator of the Hospital, outlined the proposed expansion program and noted that this was the first of three phases in the long-range program which the hospital is planning. Mr. McGoogan pointed out that this phase would cost \$1,777,778. Of this amount, \$350,000 was raised last fall and the remaining \$450,000 must come from public subscriptions during this campaign. He also pointed out that the hospital anticipated a grant from the North Carolina Medical Care Commission in the amount of \$977,778 (or 55% of the total cost) for the new wing.

The new wing will be an air-conditioned three-story building containing 88 beds, a new surgical suite, central sterile supply, laboratory and X-ray and other facilities.

Mr. Saunders introduced the following community chairmen: Aberdeen, Dr. E. M. Medlin;

Cameron, George M. Thomas; Carthage, H. G. Poole and Thomas T. Prickett; Eagle Springs and Samarand, J. Reece Monroe; Pinebluff, E. H. Mills; Pinehurst, John M. Reeves and William C. Harris; Raeford, Neil Senter; Robbins, E. Marvin Ritter; Southern Pines, Thomas T. Hayes, Jr. and Mrs. O. Leon Seymour; Vass, C. L. Tyson; and West End and Jackson Springs, Allan A. McDonald.

The first report meeting for Cameron, Carthage, Eagle Springs, Raeford, Robbins, Vass and West End and Jackson Springs will be held on Monday evening, April 2, in their respective communities. On Tuesday evening, April 3, at 7:30 p.m., each community chairman is expected to report to an area-wide meeting which will also include the volunteer salesmen from Aberdeen, Pinebluff, Pinehurst and Southern Pines. This meeting is to be held in the Nurses' Residence of the hospital.

Refreshments were served by members of Moore Memorial Hospital Auxiliary, Mrs. Paul Dana, president.

The invocation was given by the Rt. Rev. Louis C. Melcher of the Village Chapel in Pinehurst and the benediction by the Rev. R. L. Prince of the Community Church in Pinehurst.
