## TV Program on No. 1 Highway Set For Sunday

A television program showing scenes along No. 1 highway which runs 2,383 miles from Edmundston, Maine, to Key West, Fla., passing through Moore County, will be broadcast from WRAL-TV, Channel 5, Raleigh, Sunday, April 1, from 3:30 to 4:30 p. m., it is announced by Lester Rose of Raleigh, secretary-treasurer of the No. 1 Highway Association which promotes travel on the highway.

The program is being seen nationally tonight on a National Broadcasting Company broadcast from 7:30 to 8:30 p. m., but is not being carried at that hour on any station which can be received in this area, Mr. Rose said.

Film sequences have been made along the highway by NBC for several months. A narration explaining interesting points will be given by Van Heflin. Mr. Rose said that, as far as he knows, this is the first time a television program of any single highway has been produced.

The announcement did not specify whether there are any scenes from Southern Pines or Moore County in the production.

The U. S. No. 1 Highway Association, formed in 1947 and supported by businesses serving the traveling public, sponsors an advertising program that includes printing and distribution of strip maps and guide books, newspaper advertising and outdoor signs.

### Home Demonstration

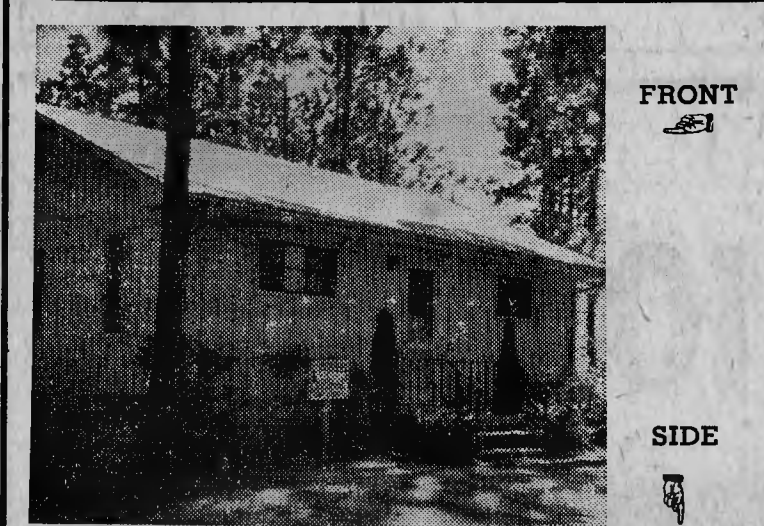

**Crane Creek Club**  
Crane Creek Home Demonstration women pride themselves on the sales they have from time to time at the end of our regular meetings for the purpose of keeping our treasury reimbursed and sometimes for special needs as they arise.

At the March meeting originality was shown. To name a few of the items, we had baked goods, frozen foods, dairy products, potted plants, a clothes pin apron and one of the ladies had fashioned a charming Easter arrangement composed of an Easter egg, house, rabbits, chicks and even a picket fence.

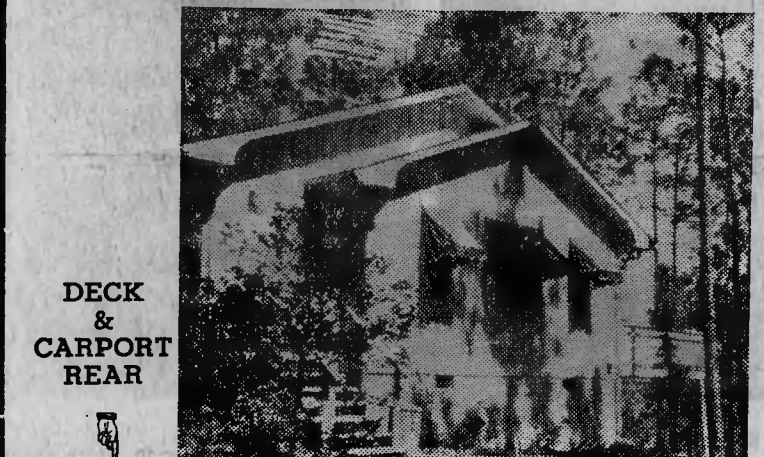

Besides the fun we have at these little "auction sales" we are inspired to try a new idea that has been brought out.

This sale was for the 4-H Foundation Fund.
