

### Mrs. Cotton Succeeds George Hodgkins As Moore Easter Seal Society Treasurer

Mrs. Horace Cotton of Southern Pines has been appointed treasurer of the Moore County Society for Crippled Children and Adults, replacing George Hodgkins who resigned April 1 because of a business move to California.

Mrs. William Wood of Pinebluff, county chairman, has expressed her appreciation of Mr. Hodgkins for "his fine and enthusiastic work for the Society not only as treasurer but as a member of the State Board." She feels also that the Society is very fortunate to have Mrs. Cotton as its new treasurer. Mr. and Mrs. Cotton live at 410 Dogwood Lane.

In a summary of the Easter Seal Sale to date, Mrs. Cotton has released the following figures: Southern Pines, \$822.35; Pinehurst \$391.00; Aberdeen, \$155.50; Carthage, \$254.05; Vass, \$96; Jackson Springs, \$12; Cameron, \$45.50; Lakeview, \$3; Pinebluff, \$77; Niagara, \$5; Glendon, \$1; Robbins, \$100; West End, \$100; Highfalls, \$6. Total receipts: \$2068.40. This figure includes incomplete returns from the Lily Day sales.

In 1961 \$3108 was contributed

to the Moore County Society for Crippled Children and Adults through the sale of Easter Seals and Lilies. In speaking of the 1962 program needs, Mrs. Wood expressed her thanks "to all who have contributed so generously" and her confidence that the final total would equal the 1961 figure.

Persons who wish to contribute and have not yet given are asked to send their checks to the community chairmen or county treasurer at once.

The contest among school children of North Carolina for the best name for the State Society's camp site near Southern Pines closes on May 15th. The children of Moore County are urged to enter this contest.

#### MUST SEE

Here's a tip from the North Carolina Department of Motor Vehicles: Your rear view mirror does little good if the back window of your car is covered with road grime. Be sure to clean the rear window everytime you clean the windshield. You must see danger from all directions to be safe when you drive.

#### ONE PART

The North Carolina Department of Motor Vehicles says to car owners, remember this: Something can wear out in the best machine every built, and the best driver in the world can have an accident in a car with one, and only one, defective part.

Look ahead, think ahead for safer highway driving. When you see trouble in advance, you can usually avoid it, says the North Carolina Department of Motor Vehicles.

## THANKS!

It would be impossible for me to personally contact each citizen of the county. Therefore, I am taking this method of thanking all the Democrats for their confidence in me as their candidate for another term as Sheriff of Moore County.

Serving as your Chief Law Enforcement Officer for the past 3 1/2 years has given me a great amount of pleasure and pride. The laws are upheld in the manner the citizens wish, and the citizens of Moore County are readily co-operative with all things that bring about a good community.

By not having any opposition in the Primary, I am able to devote more time to the duties of this important office.

However, the battle has not been completely won. The Republicans have advanced a candidate for this office, and I will need your help in the fall.

Don't forget there is a NEW REGISTRATION this year, and EVERYONE MUST REGISTER IN ORDER TO VOTE. Make sure you contact your Registrar on Saturday, April 28th., May 5th., or May 12th.

Again, my thanks for your confidence.

W. B. Kelly

Sheriff of Moore County
