

Charles Phillips Elected President Of Music Society

Dr. Charles Phillips was elected president of the Sandhills Music Association at the annual meeting of the society held at Weymouth Sunday evening.

Other officers elected were: vice president, Dr. Bruce Warlick; president elect, Howard Broughton; treasurer, Mrs. John S. Ruggles; secretary, Mrs. Edward T. Taws, Jr.

With the board of directors increased to nine, instead of the previous three, the list now reads: Mesdames Audrey K. Kennedy, Van Buren Ilesley, Henry Page, Jr., Katherine N. McColl, Mulford Horr, James Boyd, and Rowland McElvare, Dr. William F. Hollister and N. L. Hodgkins, Jr.

The meeting opened with the retiring president, Leonard Mud-dimer, in the chair and reports were presented by chairmen of the standing committees. Highlights of the review of the past season included the good news that under Mr. Muddimer's leadership, the association had done better than usual from both a financial and a membership standpoint. A prime factor in the financial picture, it was stressed, was the massive effort put into the program advertising by Mr. and Mrs. A. B. Cozzens, which netted over \$1,000. The announcement drew a round of applause from the more than sixty members attending the meeting.

Following transfer of authority to Dr. Phillips, the new president sparked a free-for-all discussion in which plans for the future—type of programs desired, possibility of holding them in different towns and other suggestions—were hashed over.

Major event of the evening was the song recital by James and Barbara Cobb, with Eugene Featherstone at the piano. Both Mr. Cobb and Mr. Featherstone are members of the music faculty of Atlantic Christian College and have appeared here before. Mr. Cobb, when directing the music at Flora Macdonald College, was for a time director of the Madrigal Society here.

Reappointment Of Patterson to ABC Board Made

C. M. Patterson of Carthage was reappointed to the Moore County Alcohol Beverage Control Board at a special joint meeting last week of the county commissioners, the county board of education and board of health. He will serve a three-year term.

Patterson was appointed last year to fill out the unexpired term of L. L. Marion, who resigned when he was elected to the Carthage town board. Other members of the ABC Board are James W. Tufts of Pinehurst, chairman; and J. V. Healy of Southern Pines. L. J. Hinson is secretary.

The board of education remained for a meeting with the commissioners on fiscal matters, securing approval of the transfer of capital outlay funds budgeted for the county schools, also Cameron and Pinckney schools, to the fund for construction of the county garage and workshop.

The amount, totaling about \$3,800, is expected to complete a building project, which has been under way for almost a year.

Little League to Open Season On Saturday, May 12

With the official opening of the 1962 Little League baseball season scheduled for Saturday of next week and Park opening and preliminary games set for Friday of next week, local teams have been practicing for the upcoming season. Plans are being made for the annual Little League parade for Saturday morning of next week.

The new park on Morganton Road is now complete with the exception of the concession stand, which may be ready by the first game. Lights were turned on this week and the dugouts were completed.

Some 120 boys are participating in the Little League baseball program this season as was the case last year.

BANKS, LIBRARY TO CLOSE

Banks of the county are expected to close for Confederate Memorial Day Thursday of next week, May 10. It is also announced that the Southern Pines Library will be closed that day.

Historical Association Reelects All Directors, Officers; Reports Heard

At the Shaw House, Tuesday evening, member of the Moore County Historical Association gathered for the society's annual meeting to hear reports covering the year's activities and re-elect their entire board of directors.

In the directors' meeting that followed, the group continued the pattern, re-electing all this year's officers to office. The roster of officials for this year includes: president, N. L. Hodgkins, Jr.; 1st vice president, Mrs. Katherine McColl; second vice president, Colin Spencer; third vice president, Mrs. Albert S. Tufts; secretary-treasurer, John McPhaul; recording secretary, Mrs. L. T. Avery.

Directors: from Aberdeen—J. Talbot Johnson, E. T. McKeithen and Clifton Blue.

Cameron—Miss Mary Thomas, Mrs. Warren G. Ferguson.

Carthage—Colin Spencer, Wilbur Currie, Mrs. June Harrington, Mrs. Paul Simpson. The name of Sheriff W. B. Kelly was added to this group.

Eagle Springs—Miss Ellen Maurice.

Jackson Springs—George Ross. Pinehurst—Mrs. A. P. Thompson and Mrs. Albert Tufts.

Southern Pines—Mrs. Ernest L. Ives, Mrs. James Boyd, Mrs. Katherine McColl, Mrs. L. T. Avery, Mrs. George Heintz, N. L. Hodgkins, Jr., John McPhaul, J. W. Causey and Neil E. McCay.

Honorary directors elected were Clyde Shaw, Carthage; R. E. Wicker, Pinehurst; and W. D. Campbell, New York City.

Project reports as delivered by the various chairmen brought to the members the good news of increased revenues, with the bad news of expenses to come reserved for the later gathering of directors. Mrs. A. P. Thompson reported for the Shaw House Tea Room committee, Mrs. N. L. Hodgkins, Jr. for the Antiques Fair, (in the absence of Mrs. W. P. Bodine, who was in charge of this project.) E. T. McKeithen, chairman of the History committee, reported the volume would be ready for the press shortly.

In the break between the two meetings, a collation of cool lemon punch and cookies, contributed by members, was served by Mrs. Thompson and her assistants, bringing welcome refreshment. The directors then assembled for more reports.

The grief came in the form of a report by Director J. W. Causey on his findings after inspection of the Shaw House had revealed serious leaks in the roof, first brought to light by the "down-pour" on the Garden Club tour day, as graphically described by Mrs. Thompson. Mr. Causey found the shingles were badly rotted and major repairs would have to be made.

Several lengthy discussions of: acquiring a kitchen at the Alston House (tabled), the desecration of the Alfred Moore tomb in Brunswick, as told by J. Talbot Johnson, and other less grim crises filled the rest of the evening meeting.

High School to Present Operetta

The Gilbert and Sullivan operetta, the H.M.S. Pinafore, will be presented by the East Southern Pines High School on Thursday and Friday, May 11 and 12, in Weaver auditorium at 8 p. m.

The operetta is under the direction of Mrs. Jane McPhaul and William McAdams. Other members of the East Southern Pines High School faculty are assisting in various phases of the production. The cast will be made up from the student body of the high school.

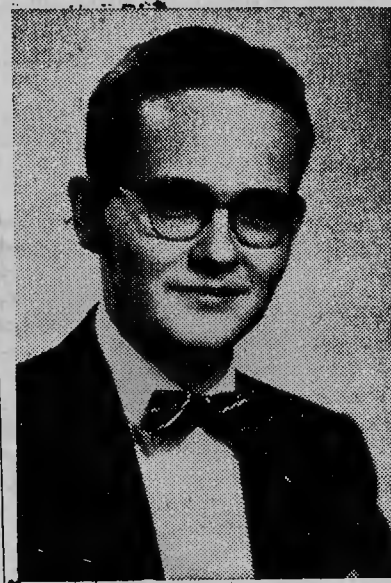

Proceeds from the production will be used for the Beta Club Scholarship given each year to a senior for use in his or her college education and for the band uniform fund.

Mrs. Matthews Endorsed As Lakeview Postmaster

Mrs. Ruth McInnis Matthews received the unanimous endorsement of the Moore County Democratic executive committee Monday afternoon for appointment to the postmastership at Lakeview.

In its action the county committee, meeting at the courthouse with Chairman W. Lamont Brown presiding, added its support to that of the Vass-Lakeview precinct committee, and both will be forwarded to Rep. A. Paul Kitchen.

If appointed, Mrs. Matthews will succeed Mrs. Charles Priest, who has resigned, effective when a new appointment is made.

WINS SCHOLARSHIP — Dickey Hoskins, son of Mr. and Mrs. Dwight Hoskins, has been awarded a four-year, \$300 scholarship from the Pulp and Paper Foundation, Inc., in science at North Carolina State College, Raleigh. A senior at Southern Pines High School, he plans to enter State College in September.

Mrs. Marshall Attends Dinner At White House

The home-town name jumps out at the reader when it appears unexpectedly in the Big Press. So Southern Pines readers thrill-name among others under that big picture carried by the dailies of the Nobel Prize winners who were feted by President and Mrs. Kennedy last week.

And in the picture was this town's great lady, Mrs. George C. Marshall, taking the place beside the President that would have been filled by her late distinguished husband, winner of the Nobel Peace Prize in 1953.

Mrs. Marshall left her present residence at the Hollywood Hotel here to travel to Washington for the White House dinner at which 49 Nobel Prize winners were entertained. Returning Monday, she hopes to stay on in the Sandhills until the first of June.

TAG DAY

(Continued from page 1)

livery and hospital stay) averages around 23 a year.

This year the Hospital Auxiliary, which has incorporated this committee into its organization, will assist with the drive to be carried on in the usual way with tables set up in the various towns attended by volunteers throughout Saturday.

In Pinehurst, where Mrs. A. P. Thompson and Mrs. Hugh Carter have been county committee members, two members of the Auxiliary, Mrs. Stuart Patterson and Mrs. Alec Roberts, will have charge of the tag sale. Mrs. J. Talbot Johnson, for many years co-chairman of the county committee, will head the drive in Carthage, the Sorosis Club, of which Mrs. Worth MacDonald is president, will once again sell tags. Mrs. W. D. Sabiston, treasurer of the committee, will lend her help to the Carthage group.

With West End and Robbins including the Maternal Welfare project in their United Fund, no extra fund-raising will take place.

Pinebluff, Vass, and Cameron, which have participated in the past, have not yet announced their plans. In Southern Pines, there will, as usual, be a table at the bank in charge of Mrs. Claude E. Reams, and one at the post office in charge of Mrs. L. T. Avery. The West Southern Pines churches, which always turn in generous contributions to this cause, are expecting to collect on Mother's Day itself.

DEMOCRATS

(Continued from page 1)

mittee, Chairman Brown appointed the following individuals to organize the four new or changed precincts resulting from the recent splitting of the Southern Pines and Aberdeen precincts:

South Southern Pines—Bryan Poe, who was chairman of the old Southern Pines precinct committee. He said the meeting will be held at 2 p. m. Saturday in the courtroom of the Municipal Building.

North Southern Pines—Mrs. Hilda Ruggles, who was vice-chairman of the former committee. Meeting place, fire station; time, 5:30 p. m.

(See list of registration places in another story on this page for location of the dividing line between North and South Southern Pines precincts.)

Aberdeen—H. Clifton Blue, precinct chairman (his committee lost only one member through the alteration). Meeting place, Aberdeen Legion Hut; time, 1:30 p. m.

Pinehurst—W. P. Saunders, formerly on the Aberdeen committee. Meeting place, Jackson Motors at 1 p. m.

In all four precincts, the meeting place is also the polling place, where the new registration is being conducted through Saturday, May 12.

Time and place of other meetings which have been announced are:

Pinehurst—1 p. m. at the fire station.

Pinebluff—2 p. m. at Home Demonstration Club building.

Little River—1 p. m. at Lobelia Community House.

West Carthage—2 p. m. in the courtroom.

East Carthage—2 p. m. in county commissioners' room in courthouse.

Much Concern

With only two of the four Saturdays set aside for registration now remaining, the committee discussed with much concern the fact that many Democrats have put off registering, or do not know that a complete new registration is being made.

The old books are out. New ones are being built up from scratch, because of the precinct changes and defining of numerous boundary lines formerly in doubt, recently put into effect by the county board of elections.

The committee approved the placing of newspaper and radio advertising to pound home the message to all Moore Democrats that they must register during the current registration period if they are to be able to vote in the primary May 26.

5-Member Committee

At the precinct meetings on May 5, the Democrats residing in that precinct elect a five-member committee, at least two of whom will be men, and at least two will be women. The precinct committee, after their election, will select from its membership a chairman and vice-chairman, one of whom shall be a woman and the other a man, and a secretary-treasurer. Both the precinct chairman and vice-chairman are automatically members of the county executive committee.

Wide publicity is being given to 2,100 N. C. precinct meetings and all Democrats are being urged to attend. In addition to election of the five-member precinct committee, delegates to the county conventions on May 12 will also be elected, and plans for the fall campaign will be discussed.

At the county conventions on May 12, the county executive committees will elect their officers and delegates to the state convention and begin making plans for the county campaign in the fall.

County Convention

Chairman Brown said that the Moore County Democratic Convention will be held at the courthouse in Carthage, Saturday, May 12, at 3 p. m.

The state convention will be held in Raleigh, Thursday, May 17, following the district caucus where the state executive committee and sectional committees will be named.

The new state executive committee, which will be elected on May 17, will meet on June 1 in Raleigh to name party officers, and take action on other party matters. Following the state executive committee, the party chairmen and vice-chairmen will meet in their respective districts for the purpose of naming a state campaign committee which, with the state chairman, will organize and set in motion the statewide Democratic campaign organization prior to the general election in November.

California claims the honor of the first state with milk production per cow averaging above 10,000 pounds.

Ninety million Americans, nearly half the population, still live on farms or in towns with fewer than 2,500 inhabitants.

HOSPITAL

(Continued from page 1)

Here is a summary of campaign results:

Corporate Division, headed by Robert M. Cushman of Southern Pines: \$105,920.

"Hospital Family" — \$124,930, including \$56,802 from the hospital board, \$49,972 from the hospital board; \$10,000 from the Auxiliary and \$8,156 from hospital employees.

Community contributions, which were divided into "primary" and "sustaining" (smaller contributions) gifts were listed as:

Southern Pines, \$37,753, primary; \$10,318 sustaining.

Pinehurst, \$92,291 primary; \$2,365 sustaining.

Aberdeen, \$6,450 primary; \$2,528 sustaining.

Carthage, \$5,925 primary; \$5,634 sustaining.

Eagle Springs, \$8,100 primary; \$1,045 sustaining.

Pinebluff, \$1,000 primary; \$607 sustaining.

Cameron, \$405, sustaining.

Vass, \$915, sustaining.

Robbins, \$5,859, sustaining.

Raeford, \$8,570, sustaining.

West End and Jackson Springs, \$2,290, sustaining.

A total of \$49,025 was reported from "other sources" — including the pledge of \$45,000 from the county commissioners.

The \$45,000 commitment to the campaign from the county commissioners was authorized at a special meeting of the board April 18, called to reappoint C. M. Patterson to the county ABC board and to take up the matter of a requested transfer of certain county school funds.

No record of the hospital pledge appears on the minutes of the meeting, Mrs. Audrey McCaskill, register of deeds and clerk to the board, said today that she had been sick and had not attended the meeting, but that notes of the

action on Mr. Patterson and the school funds transfer had been given to her for inclusion in the minute book.

W. Sidney Taylor of Aberdeen, member of the board of commissioners, questioned today about the hospital pledge, said that the pledge is for \$15,000 per year for three years and is in the form of a letter of intent, because the present board does not have authority to appropriate funds beyond its term of office which will end in December.

Mr. Taylor said that the commissioners were unanimous in their approval of the pledge and that they felt the county had not been contributing enough to the hospital over the years.

Some \$25,000 is budgeted by the county for Moore Memorial Hospital in the current year's budget for care of the medically indigent but, the commissioner pointed out, this is spent on behalf of the indigent patients and does not make any permanent contribution to the hospital.

Mr. Taylor said that all members of the board were familiar with expansion needs of the hospital, as W. P. Saunders, general chairman of the campaign, had talked with them all privately before the April 18 meeting. Mr. Saunders also visited the board while they were meeting April 18, the commissioner said.

Without the pledge from the county, the hospital fund campaign would have been more than \$20,000 short of its \$450,000 goal.

One duty of parents often overlooked is to teach their child the habits of safety that will make him self-reliant and capable of protecting himself in traffic.

Today's traffic safety tip from the North Carolina Department of Motor Vehicles goes: Pass carefully or pass away!

ATTORNEYS
