First Round Matches Being Played in County Golf Tournery; Pairings Listed

By CHARLES ROSE
Bill Woodward, defending Moore County Champion, and Peter Tufts, medalist, lead the play into the first round of this year's Moore County classic being held over the No. 2 course at the Pinehurst Country Club.

Woodward, of Robbins, did not have to qualify for this year's event. He defeated Harry Chatfield of Southern Pines for the title at the Southern Pines Country Club last year.

Peter Tufts shot nines of 35-36-71 over the short, but treacherous par 36-35-71 No. 3 course.

In early matches of first round play, Harry Davis defeated Joe Carter in a nip and tuck battle, 1-up, and Glenn Crissman won over Will Wiggs by the same margin. In the First Flight, Leighton Ford defeated Raymond North, 1-up; in the Second Flight, Frank Wells took a 3-1 victory from Cecil Beith, and two matches were settled early in the week in the Fourth Flight: Tommy Currie mastered H. D. Stewart, 6-3, and

Old Vehicles to Be Featured in Event at Robbins

The fifth annual Robbins Farmers Day, unique on the State's calendar of community events, will be observed Saturday, August 4—bigger, better, moer enjoyable than ever "and we really mean that," its leaders said this week.

What makes the affair special among Tar Heel celebrations is the parade of animals and old or otherwise unusual wheeled rigs—not a gas-powered vehicle in the lot. Headed by Curtis Hussey, wagon master, the parade brings out everything from covered wagons to surreys with fringe on top, also high-stepping horses and other interesting mounts with gay decorations.

The parade and also the crowds have grown each year, and this year some 150 entries are expected, with visitors expected to number 10,000 to 12,000 or more.

After the parade, which starts at 10 a. m., volunteer horsemanship exhibits and community entertainment are held, with the town extending hospitality for as long as the visitors care to linger.

It's an old-fashioned get-together of town folk and their farmer friends, with fun for all members of the family.

Plans for community cooperation were started at a meeting of the Robbins Merchants Association Monday night at the town hall. Henry Williams, president, presided, and also present, as a member and representing his organization, was Harold Hussey, president of the Robbins Jaycees.

Plans were made to purchase \$800 worth of prizes for the parade entrants this year, which, with a like amount to be donated by the merchants, will mean \$1,600 worth of prizes, the largest amount in the history of Farmers Day.

SERVICES TO COUNTY OUTLINED

Welfare Dept. Has 25th Anniversary

On July 1 Moore County completed a quarter of a century of Public Assistance under the Social Security program, points out Mrs. Walter B. Cole of Carthage, county public welfare director. Assistance is designed to help the needy who are too old to work, too young to work, and too disabled to work. County departments of public welfare have the responsibility for administering old age assistance, aid to dependent children, and aid to the permanently and totally disabled, under State supervision. The needy blind are helped by aid to the blind.

In May of this year—latest month for which full statistics are available—391 persons were receiving Old Age Assistance, with grants averaging \$44.63 per month per person. Many Get Assistance
In the same period, 1,033 children were benefiting from the Aid to Dependent Children program, receiving an average of \$17.19 per month per child.

There were 211 cases of aid to the permanently and totally disabled, receiving monthly grants averaging \$48.89.

Aid to the blind went to 72 persons at a monthly average of \$56 per person.

Board Members Listed

Tracing the history of the public assistance program in Moore County, Mrs. Cole said that the first county director (then called superintendent) was Mrs. Gilliam H. Brown, of Carthage, who held the office from 1937 to 1942.

Following are the persons who have served on the three-member Moore County board of welfare during the past 25 years, charged with overall policy-making and supervision of the program administered the director and staff:

Mrs. Myrtle Page, Aberdeen; (Continued on Page 13)

Dave Ginsburg defeated Henry Turner, 2 and 1.

Play in the second round begins on Monday, with matches in all divisions to be completed during the week, the final round play to follow the next week. Peter V. Tufts, tournament chairman, announced yesterday that prizes will be awarded consolation winners in each flight, in addition to the prizes for winners and runners-up.

This year's event has attracted a field of 96 players, largest ever to play in the county tournament. The procedure is also different, with the flights comprising 16 each. Before there were eight in each. The losers in the Championship Flight will be eliminated after the first round. In years past, the losers made up the First Flight but it has been changed this year.

The trophies are all sterling silver. In the past, they were mounted gold golfers. The pairings follow, with qualifying scores listed in the championship flight.

2 From Moore in Miss N. C. Event

Moore County's two representatives in the "Miss North Carolina" Pageant are in Charlotte taking part in various phases of the contest, leading to the choice of Miss North Carolina from 10 finalists Saturday night.

They are Betty Louise McCaskill of Pinehurst, taking part as "Miss Carthage," and Mary Lou Troutman of Ador, "Miss Robbins." Both left for Charlotte Tuesday, accompanied by chaperones and members of the sponsoring Jaycees from each community.

Miss Charla Marcum of Southern Pines is Miss McCaskill's chaperone. Mrs. Frank Swaim of Pinebluff is chaperone for Miss Troutman.

Miss Marcum, competing as Miss Sanford, won the "Miss Congeniality" title at the Pageant two years ago.

POLICE DEPARTMENT changes effective July 1 saw the promotion of Charles A. Wilson, 29, left, to sergeant, after three years of service on the local force, and the employment as a patrolman of William H. Jackson, Jr., 23, right. Wilson fills a vacancy created by the resignation of Sgt. Gerald L. Wright. Sgt. Wilson and his wife, the former Virginia Stevenson of Apex, live at 130 W. Connecticut Ave. They have a 21-month-old daughter, Linda Diana. A native of Apex, he served two years in the Army. Patrolman Jackson, who formerly lived on Route 1, West End, now lives at Aberdeen but expects to move to Southern Pines, with his wife, the former Norma Allen of Four Oaks. He served with the military police in the Army and comes here after a year with the Aberdeen police department. (Pilot photo)

Little League All-Stars Set Contest; Season Champion Controversy Rises

An All Star team selected from the Southern Pines Little League will meet Greenville Friday, July 20 at 4 p. m., at Greenville.

The Southern Pines team, which is a member of the National Little League, has been assigned to Area 2 which includes two Greenville teams, Robersonville and Tarboro. Should Southern Pines win July 20, they will meet the Roberson-Tarboro winner the next afternoon for the area championship.

Area 2 champions will meet Area 1 champions Friday, July 27, for the District 4 championship at Havelock.

Area 2 teams include: Havelock, Newport, Warsaw, Beaufort, and Morehead City.

Regular Season Standings

The two top teams in the second half standings—the Braves,

coached by James E. Pate, and the Cardinals, coached by Joel Stutts—went into this week with the following record for the second half of the season: Braves—won 6, lost 2; Cardinals, won 5, lost 3. And the teams had tied in one game.

Opinion was divided as to whether another game should be played to determine a winner of the game that had been tied. Harry Klabbat, secretary of the local Little League, put this problem by telephone to Charles Craig of Havelock, 4th District National Little League representative.

Klabbat said Craig ruled that the tie game be replayed. This contest took place Wednesday night, with a 1-0 win for the Cardinals. Coach Pate said, however, that the game was played under his protest, contending that the Braves were already second half winners.

The Cardinal win last night gives the two teams each a 6-won, 3-lost record for the second half of the season, assuming that Pate's protest is not upheld in the future.

As the situation stands today, the two teams are scheduled to play another game at 7:30 p. m. Friday, at the Little League park on Morganton road, to determine the championship of the second half of the season.

Hearing On Zoning at Airport Set August 6

A public hearing on proposed zoning regulations in the area of the Southern Pines-Pinehurst Airport will be held in the courthouse at Carthage at 3 p. m., Monday, August 6, at the regular meeting of the board of county commissioners, it was announced this week. The hearing was authorized by the board at its July meeting last week.

But neither age nor a "retired" status has noticeably slowed the local merchant down. As if to prove the point, he sang a solo Sunday at the United Church of Christ where he has been a member for 42 years and in the choir for 40 years.

A Pilot reporter caught up with Mr. Tate this week, as he was walking briskly from the Hardware & Electric Company—in which he retains his post of treasurer in the owning partnership—to the Southern Pines Savings & Loan Association which he helped to organize in the 1920's and of which he is now second vice president. Stepping along briskly in 90-degree heat, he wore his customary garb of white shirt, open at the neck with sleeves rolled up, and a battered felt hat. The hat, by the way, covers a good head of hair that is only partially gray.

Back at the store, the veteran merchant picked a four-legged stool on which to sit in the com-

pany's office—which measures about six by nine feet—giving the reporter the seat of honor at a rolltop desk which was used in the first Hardware and Electric Company where Mr. Tate went to work in 1920, at a location now occupied by the Sunrise Theatre.

Warrants Charge Pinebluff Mayor, 2 Board Members

Mayor E. H. Mills and two town board members, Walter Davenport and Robert Brock, have been served with criminal warrants charging them with "failing to discharge their duties."

The warrants, signed by David Alex Spence and James M. Craven of Pinebluff, specifically accuse each town official of "unlawfully, wilfully failing to discharge the duties of his office in a proper manner in violation of GS 114-30, in that he failed to enforce the zoning ordinances of the Town of Pinebluff, N. C., specifically that clause pertaining to the ordinance No. 81."

The clause prohibits the erection of any building in the business district to be used as a business building and dwelling in combination, or the alteration of any existing structure in the business district to provide dwelling space in a business building.

The town board voted at its regular meeting last Thursday night to rescind this section of the ordinance, and set the date (Continued on Page 8)

Children Will Show Pets Here Next Wednesday

Special event of next week in the East Southern Pines municipal recreation program will be a pet show at the town park starting at 2:30 Wednesday afternoon. Judges will be present and prizes will be given, reports Miss Arden Fobes who is in charge of park block recreation activities for the under-10 age group.

Here are other highlights of the program for next week:

Monday—9:30 a. m., swimming for children 10 and over (bus for Aberdeen Lake leaves from Memorial Field).

Tuesday—9:30 a. m.—bike hike. Wednesday—Same morning schedule as Monday. Pet show at park block in afternoon, as noted above.

Thursday—9:30 a. m., roller skating on Massachusetts Ave.

Friday—9:30 a. m. swimming for children 10 and older; 2 p. m. swimming for children six to 10 (bus leaves from town park block). Trip and water activity are well supervised.

Results of the doll show held at the park block yesterday will appear in next week's Pilot.

TEENAGE DANCES

Sponsored by the municipal recreation program, outdoor dances for teenagers will be held back of the East Southern Pines school gymnasium at 8 p. m. Friday of this week, July 13, and Friday of next week, July 20. Members of the teenage entertainment committee will meet in the town hall at 8 p. m. Monday.

All Town Departments Staying Within Budget

A financial report showing that all departments of the municipal government operated within their budgets in the fiscal year ending June 30 has received praise from town officials.

Town Manager F. F. Rainey presented the report to the council at its regular meeting Tuesday night, showing that in the past fiscal year town revenues collected had amounted to \$363,896.63, against \$348,219 budgeted for all departments.

Disbursements ran less than

the budgeted figure in every department, for the entire year.

Mayor Pro Tem J. D. Hobbs, presiding at the meeting, pointed out that the report covered the first full year of operation under Mr. Rainey as manager.

"It looks to me that he deserves a pat on the back," the mayor pro tem said. The councilmen concurred.

Mayor John S. Ruggles, who is at Memorial Hospital, Chapel Hill, telephoned The Pilot yesterday, to express his pleasure in the report which had been sent to him at the hospital.

"I'm proud of it," the mayor said. "This is the first time this has happened in a number of years."

The mayor recalled that prior to the past fiscal year, a deficit amounting to some \$15,000 had accumulated in the water department, accounting for a recent increase in water rates designed to wipe out the remainder of this deficit by the end of the current fiscal year, and thereafter to provide enough income to take care of bonded indebtedness the town must soon incur to finance sewer plant improvements required by state law.

The mayor pointed out that the manager's financial report shows that 1961-62 water department disbursements (\$43,376.54) were \$5,797.46 less than the budgeted \$49,174. But he said, this is because needed work was not done. The increase in water rates, he stressed, is still vitally needed for disposing of the Water Department's past deficit and for doing necessary sewer and water department work in the future.

At Tuesday's meeting, council set a tentative special meeting for Wednesday of this week, at 8 p. m. in the chamber, to discuss with the attorney and engineer preliminary plans for the proposed issue. A notice of intent published before the application for a bond with the Local Government mission at Raleigh has been given no to the amount on election should be

Appointments to Advisory Boards Made By Council

Several appointments to municipal advisory boards and commissions were made by the town council at its meeting Tuesday night.

Stanley Austin was named to the post on the Advertising Advisory Committee formerly held by Jerry Healy who had notified the council that he could not accept reappointment. The Austin appointment was made effective on the annexation of Mr. Austin's property to the town, as authorized by the council at a recent special meeting.

Four members of the Recreation Advisory Board were reappointed to three-year terms. They are Mrs. J. D. Hobbs, Gene Blackwelder, Frank Buchan and Joe Garzik.

Fred Brindley was named to a six-year term on the Library Board of Trustees, succeeding C. H. Bowman, and W. Lamont Brown was reappointed to the board, also for six years.

Mayor Pro Tem J. D. Hobbs presided in the absence of Mayor John S. Ruggles who is in Memorial Hospital, Chapel Hill. Other members of the council were present: Felton Capel, Morris Johnson, and Fred Pollard, along with Town Manager F. F. Rainey and Mrs. Mildred McDonald, tax collector.

At the request of Mr. Rainey, the council adopted a resolution permitting him to transfer \$1,000 from the Street Department to the Recreation Department, to be used to erect a chain link fence around a town-owned tennis court in West Southern Pines.

Mr. Rainey told the council that the site of the court had been leveled off about eight months ago and that an asphalt surface had been put on it, due to drainage problems, but that it was not suitable for tennis without a surrounding fence and had been used mostly this summer for bike

Dr. White to Open Office at Carthage

A new physician's office will be opened for the general practice of medicine in Carthage Monday.

Dr. Franklin Delano White's office will be located on Barrett St. in the county seat.

A native of Chatham County, Dr. White is a graduate of the medical school of the University of North Carolina, Chapel Hill and served his internship at Watts Hospital, Durham. He comes to Carthage after service in the armed forces.

Dr. White has joined the associate staff of Moore Memorial Hospital. The Carthage Jaycees were influential in bringing the new physician to their community.

The pond, named for swans which adorned it in former years, and its forested border were once a town park, donated by Mills. In the gift deed was a provision that, in the event it was not maintained as a public park, it would revert to its owner. Since the town did not maintain it as such, Mills claimed the property several months ago and it was returned to him. The recent sale was handled by the Steed Realty Co.

A considerable development of attractive small homes has grown up about the tract, including that of Miller. Schumacher lives on Crest Road, Knollwood.

TRANSFERRED TO BRAGG

Two young soldiers injured in an automobile wreck last Thursday morning at Lake Bay were transferred from St. Joseph's Hospital to Womack General at Fort Bragg. The driver, identified as Curtis R. Litton, was rated in critical condition, though "slightly improved" when removed to the post. The other, William R. Hill, 18, was only slightly hurt.
