

Dairy Using New Plastic Carton For Milk Packaging

A step forward in modern dairy foods packaging was unveiled here this week by Montgomery Dairy Products, Inc.

The Troy concern, only dairy to produce and process milk right in this area, has announced that all of its milk products will be packaged in newly designed plastic-coated cartons. The new development and other company improvements are fully described in a color advertising insert to today's Pilot.

According to John Hodge, executive vice president of the Troy firm, the new plastic coated container represents many improvements over ordinary wax packaging.

Montgomery Dairy is completing a major expansion of plant facilities in Troy, including installation of all-new automatic equipment for forming and filling the plastic cartons. The machine forms the cartons from a flat blank and fills and seals in the sanitary pouring spout, automatically in a matter of seconds.

The new plastic-coated carton will be used in all product sizes—from half-gallon to half-pint—at no extra cost, available on Montgomery products sold through retail stores, as well as those that are home-delivered.

Forest Hills, off No. 1 highway, just north of Aberdeen, will be the scene this weekend of a Gold Medallion home open house to which the public is invited. Inspection hours will be from 2 to 6 p.m., both Saturday and Sunday.

Medallion Home Open to Public At Forest Hills

Crowell Almond of Ashley Heights is the builder of the home which has been accorded the Gold Medallion designation by the Carolina Power & Light Co. because it meets the required specifications: heating and cooling by electricity, a full complement of electrical appliances, adequate wiring for all these uses and carefully planned lighting installations.

Fields Plumbing and Heating Co. of Pinehurst did the plumbing and installed the heat pump heating and cooling system. Aberdeen Electric Shop was the electrical contractor.

Tony McKenzie to Be On TV Monday

Tony McKenzie of Pinehurst, guitarist and folk singer, will appear on the Peggy Mann television show, Channel 11, Durham, at 1 p.m. Monday.

His appearance is one of a series by Moore County singers and musicians who took part in a Talent Search contest at Pinehurst last Spring.

To be seen on Wednesday, August 1, same show, same time, is a film taken at the recent Pinehurst Community Day celebration when the "Miss Pinehurst Swimming Pool" contest was won by Marcia Tyson of Carthage. Helen Alexander, vocalist, of Pinehurst is also scheduled for August 1.

The August 8 program will feature the Carolina Cardinals band and Nick Crotty of Pinehurst, caller for square dancing.

Jehovah's Witnesses Back From Convention

Local delegates to the 22-state gathering of Jehovah's Witnesses in Greensboro, are back home with instructions to step up their house-to-house teaching in this county.

Robert A. Matney, spokesman for the Southern Pines Congregation of Jehovah's Witnesses, Central Unit, said several persons from this area were among the 11,233 who attended the event last Sunday in the Greensboro Coliseum.

"Being courageous ministers" was given as the key to survival and was also the assembly theme. "As a result of this assembly we here in Southern Pines are better equipped to fulfill our Scriptural commission to help others learn the Bible's answer to world problems," Mr. Matney said.

Meetings at the Kingdom Hall will resume on schedule this week.

17-7 Loss To Pinehurst Drops Pony League To 2nd Place in Moore League

By HAL HASSENFELT
The Southern Pines Pony League team suffered its second loss of the season last Thursday. Pinehurst came up with a 17-7 victory to take over first place in the Moore County League.

Shaky pitching, combined with errors in the field and topped off with heavy hitting by Pinehurst, led to Southern Pines defeat, dropping them into second place in the standings. Jones started for the locals but was relieved by Atkins in the second, after giving up six runs on three hits, with four errors mixed in. Atkins finished the game, giving up 11 more runs on seven hits and three more fielding errors.

Southern Pines hitters were unable to make up for the lack of pitching and fielding, gathering only seven hits, including a homer by Webb, to score seven runs. The loss went to Jones. Vest pitched the entire game for Pinehurst and was credited with the win. He also hit a grand slam home run in the fifth.

Southern Pines picked up its tenth win of the season Tuesday by a forfeit when Aberdeen was unable to field a team. Southern Pines loaned Aberdeen two players and the teams played a practice game with the locals winning 7-4. The Southern Pines record now stands at 10-2, good for second place in the Moore County League Standings.

Robbins plays here today at 4 p. m.

The Southern Pines team is sponsored by the V. F. W. and coached by John Williams, under the supervision of the Southern Pines Town Recreation Department.

Pat Calcutt Is

'Much Improved'

Mr. and Mrs. Norman B. Calcutt, who visited their injured son, Pat, at a Mobile, Ala., hospital from Friday to Tuesday, report that he is very much improved though still in a serious condition.

The local young man, who had been employed by a Mobile pharmacy, was gravely hurt in an automobile accident at Mobile June 17, suffering severe internal injuries. It is hoped that he will be able to go to a rehabilitation center in Mobile for further treatment.

Pat would be pleased to receive cards from his friends, addressed to him at Mobile General Hospital.

Mrs. Sherman, 99

Dies; Rites Held In Connecticut

Graveside services were held at Woster Cemetery, Danbury Conn., yesterday for Mrs. Vivian Bradley Sherman, 99, former resident of Pinebluff who died Monday at the Pinehurst Nursing Home.

The widow of William Sherman of Danbury, Mrs. Sherman came to Pinebluff in 1936 following her retirement as a teacher in the Danbury schools for 50 years. She had been a resident of the nursing home for several years before her death.

There are no immediate survivors.
