### GIRLS COMPLETE RED CROSS COURSE IN NURSING, RECEIVE PINS, CERTIFICATES

A 40 hour Red Cross Home Nursing course was completed last week by eight Southern Pines girls at Moore Memorial Hospital, Pinehurst, under sponsorship of the hospital's Woman's Auxiliary.

The girls, who received certificates and pins in ceremonies conducted Friday, are Ellen Buckley, Janis Campbell, Susan Huntley, Mary McMillan, Linda Smith, Donna Traylor, Barbara Webb and Karen Wright.

The "Pink Checkers," as the girls have named themselves, are donning their unique uniforms this week when they begin practice work which will continue until each trainee has completed the required 40 hours of volunteer service. Most of the girls are senior Girl Scouts from Troop 82 in Southern Pines.

Mrs. Margaret Blake of Candor, director of inservice education, has had charge of training the group in the Red Cross Home Nursing course, combined with some of the procedures of the basic Nurse's Aid course. A 40-hour week was spent in class study and practice, and the same amount of hours will be devoted to volunteer services during the next three weeks. The girls, according to Mrs. Blake, are very enthusiastic and are looking forward to their work in the hospital. Certainly their bright, young faces will be a welcome sight to many patients.

In commending the students, Mrs. Blake said, "We feel this course will enable the girls to give invaluable aid to the hospital, as well as to gain experience which will help them in the future. Some profess a real interest in nursing as a chosen career, and the hospital will benefit greatly by their services next summer as regular volunteers."

The Red Cross course prepares them for service in case of a natural or manmade disaster.

Mrs. Betty McLeod, director of nurses, presented the certificates, and Mrs. Paul Dana, president of the Woman's Auxiliary, pinned each girl. Mrs. Robert M. McMillan, chairman of the volunteers, was instrumental in starting the program, and interest in other towns is being shown. It is hoped that other girls may have the same opportunity in the near future.

Following the ceremony, a social hour was held in the Nurses' Home.
