Bond Voting Set By Council; 'Shell Homes' Discussed

Meeting Tuesday night, the town council tentatively set Tuesday, November 6, as date for local voting on four proposed municipal bond issues, and formally annexed to the town the property of six families on S. Ridge St. extension.

A letter from the state Local Government Commission was read to the council, approving the town's plans for the bond issues. The election date, coinciding with the general election, was tentatively set pending completion of negotiations with the bond attorneys in New York City.

The proposed bond issues are: \$280,000 for the sewer department; \$105,000 for the water department; \$35,000 for a West Southern Pines swimming pool; and \$25,000 for expansion and improvements at the Southern Pines Library, for a total of \$445,000. Each issue would be voted on separately.

Two of the S. Ridge Street property owners, Mrs. E. J. Austin and Garland McPherson, appeared for the public hearing that preceded the annexation action. No opposition was offered, nor has any been received in letters to the town office, said Mrs. Mildred McDonald, clerk to the council. Mr. McPherson said that other property owners, who were out of town at the time the petition for annexation was sent to the council by the six families, are known to want to come into town later.

Officials present for the meeting were Mayor Pro Tem J. D. Hobbs, presiding; Councilmen Felton Capel, and Morris Johnson; Town Manager F. F. Rainey; Town Attorney J. D. Hobbs and (Continued on Page 8)

Derby Sworn In As Bar Member

Vance A. Derby of Southern Pines was sworn in as a new member of the North Carolina bar by Judge Hubert E. Olive of Lexington as Judge Olive opened the second week of Moore County Superior Court for the trial of civil cases, at Carthage Monday.

The new lawyer, a June graduate of the University of North Carolina School of Law, who passed his bar examination and was licensed last month, was presented for the oath-taking by W. Lamont Brown, Southern Pines town attorney and solicitor of the Moore County Recorder's Court.

Solicitor Brown praised Derby highly and Judge Olive gave him a gracious welcome to the bar of this State. Derby expects to practice general law in Southern Pines as soon as he finds a location for an office.

Students To Write News From School

The Pilot has chosen as its local student correspondents for the coming school year Jeanne Butler, daughter of Mr. and Mrs. Paul Butler, and Hal Hassenfeldt, son of Col. and Mrs. Harold E. Hassenfeldt.

Jeanne will handle news at the high school itself—activity of organizations and other items—and Hal will report Southern Pines High School sports events. Hal began his work several weeks ago and Jeanne's first news column appears today. Both have the cooperation of other students in preparing their reports.

TO WATCH GOLF, BOOST JONAS CANDIDACY

Eisenhower Will Visit Pinehurst

Gen. Dwight D. Eisenhower, former President of the United States, will visit Pinehurst Saturday of next week to see the finals of the National Amateur golf tournament and to boost the campaign of Rep. Charles R. Jonas of Lincoln, Republican candidate for the House of Representatives in the new eighth North Carolina District.

Jonas faces Democrat A. Paul Kitchin of Wadesboro, representative of the former eighth district, in the November election, in the state's hottest Congressional race. Jonas has represented the former 10th District for nearly 10 years.

The new eighth district was created by the 1961 General Assembly, effective the first of this year, in a redistricting action resulting from the loss of one North Carolina Congressional seat. The change threw Jonas's Lincoln County into the new eighth.

Political highlight of the Eisenhower visit will be a Saturday luncheon at the Carolina Hotel, in honor of the former President and Congressman Jonas. Both are expected to speak. Several hundred persons from throughout the district and the state are expected. Plans call for Eisenhower and Jonas to watch a portion of the National Amateur finals in the afternoon.

This will be the first time Eisenhower has visited North Carolina since 1954 when he spoke at Charlotte's Freedom Park. He is to fly to Pinehurst from an engagement in Columbia, S. C.

Rep. Jonas, on hearing last week that Gen. Eisenhower had accepted his invitation, commented, "I'm happy that he's coming. We can show him a wonderful time and one of the finest golf courses in the world."

"He will be well received and welcomed by the fine people in

the lower counties of the Eighth District."

Among the old friends Gen. Eisenhower and Rep. Jonas expect to see at the tournament is Billy Joe Patton of Morganton, a former golf partner of Gen. Eisenhower's, who is competing in the event.

The new Eighth District is composed of Anson, Lee, Lincoln, Mecklenburg, Montgomery, Moore, Richmond and Union Counties. This county (Moore) was in the old eighth district and remains a unit of the new eighth also.

This is one of the first visits of the fall campaign announced by the former President.

MARKETS TO TAKE 3-DAY HOLIDAY

Moore County's two Middle Belt tobacco markets, at Aberdeen and Carthage, will join other markets of the Border, Eastern and Middle Belts in a three-day suspension of selling, Monday through Wednesday of next week.

The sales holiday, attributed to a congestion at tobacco processing plants and a resulting drop in leaf prices on all markets, was unanimously voted Tuesday night by the sales committee of the Bright Belt Warehouse Association, meeting in Raleigh.

Old Belt markets, closed this week because of a lack of sufficient buyers, are expected to open again on Monday.

Hubbard Named New Chairman Merchants Council

The Southern Pines Merchants Council met at the town courtroom on Monday night and elected a new board of directors to serve to January 1, 1963. The board of directors of the previous board were reelected. They are: Virgil P. Clark, E. Earl Hubbard, Mrs. Helen Johnson, Dante S. Montesanti and Tyler Overton.

The four newly elected members are: Al Levy, Jim Ritchie, Miss Katherine Wiley and C. L. Worsham, Jr. The new ex-officio members will be named by the respective bodies at a future date.

The previous board members retiring are: Garland Pierce, chairman; Mrs. Mary Charles Sisk, Merchants Appreciation Day chairman; Miss Jean Edson Membership chairman; and Dick Matlocks, secretary. Previous ex-officio members are: W. S. Thomason for the Industrial Committee and Bill Blue for the Jaycees.

Officers of the new board were elected as follows: E. Earl Hubbard, chairman; Dante S. Montesanti, vice-chairman; Jim Ritchie, secretary-treasurer.

Mr. Montesanti is working on a brochure to be printed within the next two weeks, which will list the major fall and early winter activities of Southern Pines, and has space for merchants' advertising. Those interested in placing an ad are urged to contact Mr. Montesanti by September 20.

Glenn Newberry To Open Appliance Store This Week

The new Southern Pines store of Glenn Newberry Company, Inc., of Fayetteville, will stage its grand opening Friday and Saturday of this week, inviting the public to visit the store in its remodeled location which was formerly occupied by the United Telephone Company on S. W. Broad St.

A large stock of the Westinghouse electric appliances handled by the new business is on hand, reports "Tommy" Thomasson, manager, and more than a dozen of these, ranging from an electric range to a heating pad, will be given away in connection with the opening. Registration for the gifts will continue until they are given away at 8 p. m., Tuesday. (Continued on Page 8)

Gavin Will Speak At Rally Saturday

Robert L. Gavin of Sanford, State Republican chairman who was candidate for Governor in the 1960 election, will be guest speaker at a political rally in the Aberdeen school auditorium Saturday night.

The rally, set for 8 o'clock, will follow a free fried chicken dinner in the school cafeteria, starting at 6:30. The public is invited to both events.

Republican candidates for county offices in the November election will be introduced. Sponsors of the rally are the Sandhill Republican Women's Club, the teen-age "TARS" and the Young Republicans.

National Amateur Golf Tourney To Begin At Pinehurst Monday

The famous No. 2 golf course at the Pinehurst Country Club has been groomed to perfection for the outstanding event in its illustrious history: the 62nd National Amateur golf tournament next week.

Closed for many weeks, the course was opened only this week for practice by early arrivals for next week's competition. Some of the nation's top amateur players already have marveled at the remodeled course's challenges and the condition of its fairways and greens.

Thousands of hours of work have gone into the preparations: narrowing of fairways to demand accuracy of long-ball hitting, new white sand in traps and a program of extensive fertilizing and watering that won out over a month-long drought to put the playing surface of the fairways and greens into a lushness seldom seen at any time of the year.

In some cases, fairway widths have been reduced to 40 or 50 yards from a former 60 to 70 yards, at points about 250 yards out from the tees.

The course carries a par 72 rating—36 out and 36 in, the first nine running to 3,446 yards and the second nine to 3,605.

"We feel it now rates as an equal to any of the great courses of the world," said Peter V. Tufts, Country Club manager and tournament general chairman, "truly a thinking man's course."

Tufts Book, Golf World's Special Edition Published

Two special publications have been issued in connection with the 1962 National Amateur golf tournament at Pinehurst next week: a book by Richard S. Tufts and a special edition of Golf World magazine which is published at Pinehurst.

"The Scottish Invasion" is a 121-page hard-cover book by Mr. Tufts, chairman of the board of Pinehurst, Inc. who in a preface writes that it is "an effort . . . to study the development of golf through the influences which the leaders in the game have exerted upon its growth and development in the United States and particularly in Pinehurst."

It was prepared, the author says, "with the thought that those who attend the 1962 National Amateur at Pinehurst will more fully enjoy the occasion if they come equipped with some information on the history and background of golf."

Numerous illustrations, some of them dating back into the 19th century and some showing early and modern Pinehurst players and scenes, are included. The text of the book is divided into carefully documented and informal presentations of "The Very" (Continued on Page 8)

Dr. Anderson Is Seriously Hurt In Car Collision

Dr. George Anderson of Southern Pines was injured early Monday morning in an automobile accident in Robeson County and taken to Southeastern General Hospital at Lumberton, where his condition was rated not critical but serious and painful.

He suffered a concussion and possible skull fracture, fractures of the arm, leg and jaw and a dislocated hip in a head-on collision about 7:30 a. m. on NC 20, between St. Pauls and Elizabethtown, about one mile east of St. Pauls.

The collision reportedly occurred when his car met another which had swerved into his lane in an attempt to pass another oncoming vehicle. The other driver in the collision, a young woman, was also reportedly injured.

Dr. Anderson, son of Mr. and Mrs. George D. Anderson of Aberdeen, graduated in June, 1961, from the University of North Carolina. (Continued on Page 8)

Teen Dems Will Gather Sept. 18

Moore County Teen-Dems, the recently formed organization of teenage Democrats, will hold its third meeting at the courthouse in Carthage, Tuesday, September 18, at 7:30 p. m.

Young people from the ages of 12 to 21 are invited to attend. Membership of the group has more than doubled since the first meeting, it was stated this week.

Officers elected at the last meeting are: Ralph Hendren of Southern Pines, acting president; Jane Jackson, chairman pro tempore and assistant to the president; Tommy Blue, vice president; Stephen Sisk, secretary; Tommy Phillips, treasurer; and Cathy Rainey, editor-reporter.

Bringing some 200 contestants and thousands of spectators to the Sandhills, the 62nd Amateur Championship of the U. S. Golf Association will be run off at Pinehurst next week. Play will begin Monday and finals are scheduled for Saturday, September 22.

The event is the first National Amateur tourney staged at Pinehurst and the most important national golfing event there since the Ryder Cup matches in 1951. Extensive arrangements have been made for national and international news coverage. Thousands of visitors to the Sandhills are expected, with 5,000 or more probably watching the finals. If a North Carolina golfer—there are 11 who qualified—should reach the semi-finals or finals, the number of spectators would increase.

The Amateur Championship consists entirely of match play. There are eight rounds, the first six at 18 holes and the semi-finals and finals at 36 holes.

The winner receives a silver trophy and custody of the Amateur Championship Cup for the ensuing year.

This cup, the Havemeyer Trophy, is on display at the Pinehurst Country Club. The original cup was presented in 1894 by Theodore A. Havemeyer, first president of the U. S. Golf Association. The original trophy was destroyed by fire in 1925 and the next year was replaced by the present trophy given by Edwin S. Moore, USGA treasurer 1922-25. Names of all winners are engraved on the cup.

Top entries in the tournament include: Richard D. Chapman, former Pinehurst resident who is registered from Pinehurst for this tournament, National Amateur winner in 1940 and former winner also of the British, French, Canadian and other championships; Richard D. Davies of Pasadena, Calif., current British Amateur champion; Billy Joe Patton of Morganton 1954 and 1962; North and South winner: Charles Smith of Gastonia 1960 North and South champ; Deane Beman of Alexandria, 1960 National Amateur champion; Charles R. Coe of Oklahoma City, Okla., 1949; and 1953 winner of the tournament; E. Harvie Ward of San Francisco, 1955 and 1956 winner; Bill Campbell of Huntington, W. Va., three times a North and South winner; H. Dudley Wysong, Jr., of McKinney, Texas, runner-up to Champion Jack Nicklaus, who has since turned professional, in the National Amateur last year.

Further information about the tournament is found in other stories in today's Pilot.
