## **Ceremony Marks Dedication Of** Gilmore Acreage

A gathering of 150 persons attended the dedication of Voit Gilmore's "Circle G" Tree Farm Tuesday as the 1,000th such tract in North Carolina.

Local and state forestry leaders, professional foresters, representatives of forest products industries throughout the State, landowners, businessmen and other interested persons were present to honor the achievement at an outdoor ceremony beside a lake that has been constructed on the property. A sunny, windy afternoon added to the pleasantness of the occasion.

The visitors were there, too, to talk and learn about the value of tree farming as an investmentvalue to the owner, the community, the state and the nation.

The "Circle G," 460 acres south of the Midland Road, between Southern Pines and Pinehurst, has been developed over the past three years as a model tree farm, with some 150,000 seedlings of slash and loblolly pine planted (Continued on page 5)

Two Moore County bond issues will be presented to the voters Tuesday—one for \$175,000 for an Agricultural Building, to include also the Moore County Library, and one for \$75,000 for a Public Welfare Building.

The county commissioners, in sponsoring the bond issues, have stated that the agencies involved | can no longer adequately serve the public in their present accommodations, nor can other available space be suitably or economically remodeled or adapted for them.

The new buildings, to be erected on sites already owned by the county, will mean more efficient and economical service, they say.

Public Welfare Building The Public Welfare Building, planned as a small modern structure close to, and harmonizing with, the Moore County Health pletely within a reasonable time partment serves. Such rent is not paid for courthouse offices. It

Republicans are making their strongest bid in many years for county, congressional and state

Of top interest in the county is the opposition of Congressman A. Paul Kitchin, Democrat, and Congressman Charles R. Jonas, Republican, for the 8th District Congressional seat.

Jonas, formerly 10th District Congressman, was pitted against Kitchin by Congressional redistricting. Each has served several terms in Congress and each is a future gubernatorial prospect of his party.

Most strongly contested of any county race is the challenge of Wallace O'Neal, Pinehurst Republican, to W. Sidney Taylor, Aberdeen Democrat, for the county commissioner seat in District 5. O'Neal has campaigned with a vigor hitherto unused by Republicans seeking county offices. Taylor is running on his record as a long-standing and experienced member of the board. Voting Times, Places

Polls will open at 6:30 a. m. and close at 6:30 p. m. Tuesday at Moore County's 19 precinct polling places in the first general election the polling places have been used since precinct lines were redrawn, setting up two new precincts in Southern Pines and nearby area and eliminating the small Spies precinct in upper Moore, as well as establishing definite boundary lines for pre-(Continued on Page 5)
