THOMAS A. McCLAIN

McClain To Give Christian Science Lecture March 15

What hope is there for mankind's spiritual progress in the twentieth century? Thomas A. McClain of Chicago will take up this question in a public lecture on Christian Science in Southern Pines Friday evening, March 15. Mr. McClain will speak in the church auditorium on East New Hampshire Ave. at 8 p.m. He is a member of The Christian Science Board of Lectureship, and will speak here under the auspices of the First Church of Christ, Scientist. Admission is free.

Mr. McClain was formerly on the advertising sales staff of the Louisville Courier Journal and Times in his native Kentucky. After military service during World War II, he became a Christian Science Minister at Fort Knox, and in 1950 began to devote full time to the public practice of Christian Science healing.

Since then, a position with The First Church of Christ, Scientist, in Boston has taken Mr. McClain on extensive travels in the United States and Great Britain in the interest of branch church activities. He has also participated in a number of Christian Science radio and television programs.

The title of Mr. McClain's lecture will be "Christian Science: Its Message to the Twentieth Century."

MOORE COUNTY RECORDER'S COURT

Accident Proves Bad Luck For Man Carrying Pistol, Knucks and Dagger

Despite being armed with a .32 pistol, knucks and a dagger—or maybe because of them—Robert Johnson of Sanford had nothing but bad luck last Friday night.

The 19-year-old Negro was nipping along home on US Highway 1 late at night, carrying a friend who had gotten hurt in some kind of fracas down Southern Pines Way, when close to Vass, he had a little accident. He bumped into another car, backed off and went on his way, but had a flat tire and had to stop in Vass. There the fellow he had bumped, a Vass resident named Priest, caught up with him and so did Night Officer J. R. Grissom. Since the accident had happened out of town, Grissom called the State Highway Patrol, and also searched Johnson, bringing to light the pistol, the knucks and the dagger.

Trooper R. R. Samuels arrested him for exceeding safe speed and accident—not hit-run, as there was insufficient evidence of intent—and Grissom arrested him for carrying concealed weapons. Samuels also took charge of the injured friend, carrying him to Southern Pines for possible investigation of the fracas.

In Moore County Court Monday, Johnson received 90 days on the concealed weapons count, suspended on payment of \$100 and costs, on good behavior conditions, and an additional 30 days or fine of \$25 and costs, with court orders to pay the damage to the other car.

Other cases disposed of:

Joe Andrew Hussey, Bennett, Route 2, careless and reckless driving, accident, judgement continued on payment of \$25 and costs, pay damages to other car; Jerry Dale Garner, Robbins, Route 1, exceeding safe speed, judgement continued on payment of \$15 and costs, pay damages to the other car; James Kenneth Helm, Robbins, speeding 70 in 60-mile zone, \$15 and costs; Carl James Nunnery, Carthage, speeding 55 in 35-mile zone, \$15 and costs; Gerald Luther Edwards, Sanford, speeding 80 in 55-mile zone, 60 days suspended for two years on payment of \$65 and costs, not to violate any speed laws of the state, license to be suspended as provided by law; Rush Junior McLaughlin, Southern Pines, speeding 60 in 45-mile zone, \$15 and costs; same defendant, disposing of mortgaged property, nol pros on payment of costs; Robert Jerome Bowman, Fort Bragg, careless and reckless driving, accident, \$25 and costs, defendant to pay medical expenses of his passengers who were injured.

MORE PARKWAY USE

The Great Smoky Mountains National Park and the Blue Ridge Parkway meet near Cherokee, on the reservation which is home of the Eastern Band of the Cherokee Indians. The Parkway, most popular of all areas administered by the National Park Service, had more visitors during the first 11 months of 1962 than in any full year of its 25-year history. The 6,354,152 people who traveled the Parkway between January 1 and November 30 represented an attendance gain of 8.5 per cent over the same period in 1961.

PARK VISIT RECORD

In 1962, the Great Smoky Mountains National Park—most-visited of all National Parks—became the first National Park to reach a visitor count of 5,000,000 in a single year. By November 30, total 1962 visitation totaled 5,123,700. This was eight per cent above the corresponding 11 months of 1961, and greater than the entire 12 months total of last year.
