

## Red, white and blue nest egg

If you're like most Americans, you probably intend to use your Savings Bonds as a down payment on a house, to help send a child to college or otherwise upgrade your standard of living.

You don't need to feel one whit less patriotic because of this.

The fact that you and tens of millions of other Americans buy and hold U.S. Savings Bonds helps Uncle Sam manage his financial affairs better and puts him in a position to be a stronger voice and a stronger power in the free world.

And the fact that you and these other millions of Americans have accumulated the savings you have—46 billions in E and H Savings Bonds alone—is one of the reasons why Americans are financially strong and reliant. And their individual strength is the strength of the nation.

When the communists make one of their favorite statements—that they're going to "bury us" economically—your savings and your support of your country are mighty powerful answers. Keep building both with U.S. Savings Bonds.
