Patrolman F. R. Wicker attributed the accident to high speed. He said the 1955 Chevrolet twodoor sedan, southbound at 1:30 a. m., was out of control for some for a time at Carthage and at 700 feet, about 350 feet on the right-hand shoulder, then crossing to the left side, where it rolled and somersaulted several times across a pasture lot.

Maples was able to get out of the wrecked car and hitch-hike to Vass, where he summoned help.

Coroner W. K. Carpenter, ruling Fore's death due to the accident, ordered Maples held for grand jury action for manslaughter. He has been charged with excessive speed resulting in death, with preliminary hearing set for September 16 in Moore recorders court.

Funeral services for Fore were held Monday afternoon in the Cameron Presbyterian Church, conducted by the pastor, the Rev. H. L. Wilson, assisted by the Rev. A. C. Trivette of Laurel Hill, former pastor. Burial was in St. Andrews Cemetery.

Surviving are the parents, Mr. and Mrs. C. H. LEADERS ASKED TO BACK BLOOD EFFORT

J. R. Hauser of Southern Pines, chairman of Moore County's Red Cross blood program that supplies blood to both hospitals in the county, said this week that he is sending out some 200 letters to public officials, business and civic leaders and other groups, inviting them to attend a meeting "to determine whether or not the program should continue," at 8 p. m., Thursday, September 19, in the high school cafeteria at

Carthage. For the year ending June 30, Moore County residents used 1,397 pints of blood-518 more pints than were collected in that year from donors in this county during periodic visits of a bloodmobile from the Charlotte Red Cross center.

Unless there is a strong response in support of the blood program, Moore County will lose it, Mr. Hauser
