

Polling Places Listed For Referendum On Swine Assessment; Voting Is Urged

By N. C. CAGLE
County Swine Referendum
Chairman

Moore County swine producers are urged to vote in the Swine Referendum to be held on Tuesday, October 1.

The producers will vote whether or not to assess themselves five cents per head on all hogs sold for slaughter.

These funds will be used to create a greater demand for pork, increase income from swine and help solve swine problems of the producer.

Swine offer an opportunity for increasing farm income because: 1. More hogs are needed for slaughter; 2. Markets are available for feeder pigs and market hogs; Marketing grain through market hogs increases its value; 4. Swine fit well into existing farm enterprises.

The North Carolina Swine Association, which will be responsible for directing this new program, if it carries by two-thirds majority, is dedicated to the interest of every farmer who produces and sells hogs.

The polling places will be: Farmers Exchange Store, Carthage; M. W. Harbour's Store, Cameron; Farmers Supply Company, Aberdeen; Garner's Store, Westmoore; Pressley's Store, Glendon; Carthage Farmers Supply, Carthage; L. D. Brooks Store, Route 2, Vass; Lynn Martin's Store, Eagle Springs; and Highfalls Store, Highfalls.

The '64s from Ford are here: The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!

FORD
Falcon • Fairlane • Ford • Thunderbird

1964 SUPER TORQUE FORD

Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension system allows wheels to move backward as well as up and down to flatten bumps... Distinctive new rooflines.

1964 FAIRLANE

Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

1964 FALCON

Everything's changed except the economy that made Falcon famous... Falcon's still holds all-time Mobil Economy Record for Sixes or Eights... Plushest ever built into a compact car... 14... —plus three extra-duty wagons.
