

**Democrats Plan Election Action**

Thirty Southern Pines Democrats gathered Tuesday night at Howard Johnson's Motor Lodge to discuss on an informal basis Democratic actions to be taken during the last few days before the election next Tuesday.

Among the items enthusiastically discussed by the group was individual responsibilities on the day of the election.

Those present were urged to contact other Democrats in their precincts and assure that every registered voter gets to the polls on Tuesday.

A committee was appointed to study Democratic publicity in the area to make certain that Democratic candidates were sufficiently supported in local newspapers and radio.

**Knights Trounce Vikings 21-6**

By JOHN McLAUGHLIN

Coach Tony Trentini's Southern Pines High School Blue Knights trounced Coach Jack Crenshaw's Union Pines Vikings, 21-6, for their seventh straight win of the season. The game was played at Memorial Field here before an overflowing crowd

who observed part of the Homecoming festivities of Southern Pines High School.

After receiving the opening kickoff, Southern Pines drove to the Union Pines 25-yard line before being thwarted by the Vikings' defensive team.

On the ensuing series, the Vikings attempted a third down quick kick, which was blocked by a host of Knights. After receiving possession of the ball, Southern Pines drove 37 yards in three plays with Quarterback Ricky Johnson connecting on a 35-yard pass for the score.

Johnson passed to End Harry Webb for the extra point. At the end of the first quarter, the Knights led 7-0.

During the second quarter, Union Pines drove 72 yards in 19 plays for their lone touchdown. Fullback Bobby Myers scored from one yard out. At halftime, the score was 7-6 in favor of Southern Pines.

In the third quarter, after unsuccessful drives on the part of both squads, a Union Pines quick kick was blocked by the Southern Pines interior line. The ball rolled into the Viking end zone where the Knights' Harry Webb alertly pounced on it for a Southern Pines touchdown. Jerry Wilson passed to Peter Pezzi for the extra point. At the end of the third period, the Knights led, 14-6.

Early in the fourth quarter, a potential Southern Pines touchdown was stalled on the Viking one-yard line by a pass interception. After forcing the Vikings to punt from their own eight-yard line, the Knights drove 35 yards for their third

touchdown of the evening. Jerry Wilson scored from five yards out, with Hal Hassenfelt running for the extra point.

Coach Trentini was very pleased with the Knights' performance, especially the second half defense, which held Union Pines to a scant 27 yards offensively.

On Friday, October 30, the Knights travel to Robbins to battle the Bearcats of Elise High School, who lost to Aberdeen in a tight game last week 27-12. A large group of local fans are expected to give the Knights the boost they need for the coming encounters.
