Rebel Boys And Girls Take First Of Season Games From Seagrove Teams

By GERALD GARNER

Pinehurst took two victories in its first attempts of the '64-'65 season Friday night, November 6, by the scores of 44 to 29 in the girls' game and 83 to 35 in the boys' game. Each school was asked to vote for sportsmanship awards for a girl and boy from the opposing teams. Gail Lea received the girl's award and Wiley Barrett received the boy's award.

The Pinehurst girls jumped into an early lead which never changed hands. The Rebelettes have put together the biggest girls' team Pinehurst has ever placed on the basketball court and it promises to be the best rounded team to come out of Pinehurst High School. They should prove to be the girls' team to beat in this conference year.

The scoring for the Pinehurst girls Friday night went as follows, led by sophomore, jump shot shooting Paula Monroe, who netted 16 points; Juniors Jackie Horner 12 points, Gail Lea 5 points, Dorothy Wallace 4 points, Susan Garner 3 points, sophomore Andrew Owens 2 points, and freshman Mary Alice Lea added one point.

The defense was led by seniors Sue Rogers and Nancy Lea. Nancy also added a point to the winner total.

High scoring honors for the Seagrove team went to Maggie Garner who scored 12 points for the home team.

The Pinehurst Rebels started their season with a crushing defeat over the Seagrove Tigers. Leading the scoring for both the senior co-captain for Pinehurst was Wiley Barrett, with 25 points. Scoring of the other 58 points were as follows: Mike Lunday 12, co-captain Don Vest 10,

Hubert Michaels 9, Johnny Williamson 8, Steve Horner 6, Kemper Fitch 3, Ricky Frye, Charles Currie, Bobby Beddingfield, Tony Yearby, and Austin Bryant each added two points to the Rebels' total. Only one member of the squad failed to make the scoring column. Avin Voncameron and Larry Hancock scored 8 points for the losers.

Pinehurst displayed its fine offensive power by jumping to a quick 7-0 lead forcing the Seagrove team to call time out to try and stop the Rebels' attack. The two teams traded baskets the remainder of the quarter, the score 19 to 12 favor of the Rebels. In the second quarter the Rebels' fine defense was on display as the team held their opponents to four points while they scored 25. The Rebels went into the dressing rooms at half time with a comfortable 44 to 16 point lead.

The third quarter continued to be dominated by the Rebels, even when the younger Rebs took over after a couple of minutes' play. The period ended with the Rebels out-scoring the Tigers by a margin of 23 to 8. The fourth quarter was closer with both teams using several subs. This resulted in a total of 16 points for Pinehurst and 11 for Seagrove.

The Rebels played last night at Hoffman and this game, along with the Deep River game will be covered in next week's edition of The Pilot.

The first home game will be tomorrow night, November 13, with the girls' game starting at 7 pm, and the boys' game immediately following. This should prove to be an interesting game as Deep River has a 6'8" center.

Science Club Meeting

Tuesday, November 3, the Science Club of Pinehurst High School had a meeting. All high school students who were interested in becoming members of the Science Club were invited to attend. The most important business was planning programs for the year. These included everything from special speakers to field trips. It certainly looks like an interesting year.

Future Scientists

The Science Club of Pinehurst High School is very proud of a plaque they received. It states that the Science Club is now an official chapter of the National Future Scientists of America. The members are certainly proud of this.

Elections

Election Day was November 3, and the students of Pinehurst High School had an election of their own. Each student was registered, then they were given a ballot on which they were to vote for president, vice president, governor, and lieutenant governor. The results were: Johnson-Humphrey, 60; Goldwater-Miller, 52; Moore, Scott-40; Gavin, Bell-73.

PTA Meeting

Tuesday, November 10, there was a very important PTA meeting. Mrs. Ebersole and Dr. Ebersole of the Education Department of St. Andrews College had a program on reading and literature in the home. Also, there was a display of new books in the hall of the elementary building. Parents were able to purchase any books they wished. To add to the program, the Pinettes sang several selections.

Ham-Bean Supper

The annual Ham and Baked Bean Supper will be Saturday, November 14, from 5:30 to 7:30 pm in the school cafeteria. This is always a nice event and everyone is urged to come. Tickets may be purchased from Mrs. Peter Tufts, Mrs. Bill Dunlop, Mrs. John McKenzie and from the school office.

Victory! The Pinehurst basketball teams had their first game of the season Friday, November 6. Their opponents were the teams of Seagrove High School. Pinehurst won by a large margin, both games. On the Pinehurst boys' team, Wiley Barrett was the high scorer. On the girls' team, Paula Monroe was the high scorer.

Career Day

Monday, November 9, was career day for all the seniors in the high schools in this area. It was held at the new Union Pines High School. It lasted from 9:15 Monday morning until 1:40 Monday afternoon. The first event on the program was an assembly of all students and college representatives. After this, the students chose three colleges they were interested in and, conferences were held to inform the students about them. Lunch was served in the Union Pines cafeteria. After a very delicious meal, talks on Vocational Guidance were heard. It was a very interesting and educational day for all who took part. Also, a great deal of credit and thanks must go to the faculty and students of Union Pines for making this such an eventful day.

College Staffers Attend Conference

Top administrators of Sandhills Community College attended the annual North Carolina College Conference in Charlotte Thursday and Friday. With Dr. Raymond A. Stone, president of the College, were Dr. William F. Banaghan, dean of instruction, and Mr. Sidney G. Chappell, director of student personnel.

Dr. Stone participated in the organization of the North Carolina Association of Junior Colleges. Chappell attended special meetings of registrars and admission directors. Dr. Banaghan attended special sessions of deans of instruction.
