A new industry near Carthage, expected to start production in six months with some 300 employees and an annual payroll of more than \$1 million, was announced by Mayor L. L. Marion of Carthage Saturday morning at the Municipal Building there.

The announcement that Quality Mills, Inc., of Mt. Airy, will build a garment manufacturing facility was timed to coincide with a similar announcement made at Raleigh by Governor Moore.

Attending the public meeting were many citizens of town and county who had assisted in the months-long negotiations. Representing Quality Mills were President John E. Woltz and his brother, Vice-President Howard Woltz, Jr.

Amid mutual congratulations and predictions of a bright future ahead, the announcement climaxed a communityaction program sparked by Mayor Marion and the Carthage town board, assisted by numerous other agencies.

Just before the meeting, deeds were filed to a 100-acre tract purchased from the Lawhon Estate, fronting on US 15-501 just east of the town limits and south of the Vass road overhead bridge.

40,000 Square Feet

There, said President Woltz, Quality Mills will build a modern plant of 40,000 square feet, to be completed by the end of June. While 300 persons, mostly women, will be employed at the start, "This may be only a beginning," said Woltz, who noted that, while he could make "no promises or commit-(Continued on Page 6)

Service Award **To Young Man** Set Next Week

The Distinguished Service Award of the Southern Pines Junior Chamber of Commerce will be made to a local young man (21-35) at the Jaycees' annual DSA Banquet and Bosses Night, to be held Tuesday of next week at Doug Kelly's Holiday Inn Restaurant. The winner of this annual award is never announced until the presentation is made.

The winner is chosen by a committee of older men in the community on the basis of community service and personal achievement. Final day for nominations by the public was Monday of this week. Employers of the approximately 40 young men in the club will be their guests for the "bosses' night" feature of the dinner. The Tuesday events will be a feature of observance of National Jaycee week.

Scout Camp Is Named 'Reeves'

The first unit of five to be constructed and developed at the new, 2,000-acre Occoneechee Council Boy Scout camping complex, between Carthage and Eagle Springs, will be named "Camp Reeves," it was revealed this week. Work is

now going on at the site. The name honors two residents of the council area---John M. Reeves of Pinehurst, chairman of the board of Reeves Brothers, Inc., textile manufacturing firm with headquarters in New York City; and Charles M. Reeves, Jr., of Sanford, president of the First Provident Company of that

Lee County city. Their contri-butions and pledges "paved the way for getting the first unit in operation," a Council spokesman said. Camp Reeves is expected to

be ready for use this summer by Scouts from the 12 counties of the council. Construction of a large lake is includ-
