BY SANDHILLS COLLEGE

Single Diploma To Be Awarded Here June 9

Sandhills Community College will have a commencement ceremony, an initial graduation exercise to mark the completion of the school's first academic year, according to Dr. Raymond A. Stone, president.

The exercise will be held at 10 a.m., Thursday, June 9, in the courtyard of the Science and Technology Building on the campus off the Pinehurst-Airport road. It will begin with the traditional academic procession.

A unique feature of the event is that only one student will be awarded a diploma. She is Miss Jean Waldman, daughter of Mr. and Mrs. Emerson Waldman of Charlottesville, Va., and sister of Mrs. Sam H. Poole of Southern Pines. Miss Waldman will be awarded the associate degree in arts and next fall will enter UNC-Chapel Hill to complete work on a bachelor's degree in English. She transferred to Sandhills to complete her second year of college work.

Recognition will also be given at the ceremony to men and women who have earned certificates for completion of courses at Sandhills College in the past year.

The first full-sized graduating class will receive associate degrees in 1967, on completion of the second academic year of the college's operation.

The commencement speaker will be Robert E. Lee of Carthage, superintendent of the Moore County Schools, who was a leader in work for the community college in Moore

County and is an advocate of new teaching techniques at all levels of education. A Virginia native, Mr. Lee earned a bachelor's degree at Elon College and a master's degree at UNC-Chapel Hill before entering the teaching field. He was a teacher and principal in Moore County, becoming head of Moore County School system in 1959.

Others who will appear on the program of the ceremony will be Dr. William F. Banaghan, dean of instruction at Sandhills College; Dr. Raymond A. Stone, president; and H. Clifton Blue, chairman of the board of trustees. The Rev. Robert W. Roschy, pastor of the United Church of Christ, will give the invocation and benediction.

Gilmore Nominated For State Senate, Polling Top Vote

Moore County's Voit Gilmore led the 19th Senatorial District primary Saturday, winning renomination for his second term in the State Senate by 28 per cent of the total vote of 43,405.

Incumbent Senator Jennings L. King of Scotland County came in second in the two-seat, five-county race with slightly under 21 per cent.

The totals: Gilmore 12,331; King, 9,008; J. F. (Jeff) Allen of Montgomery, 8,018; John W. Covington, Jr., of Rishmond, 7,363; and incumbent Joe Sink of Davidson, 6,695.

A clear majority would be anything over the figure of 10,850, topped easily by Gilmore but undershot by King, giving Allen the privilege of calling for a runoff.

With each man leaning heavily in his own county, the number of "second places" proved decisive. With 3,167 votes in Moore, Gilmore came in second in Richmond, Scotland and Davidson Counties and a close third in Montgomery.

While it was known that in the reapportioned district, one of the three incumbent senators would have to bow, Senator Joe Sink's low standing at the bottom of the list proved a shocker. His county of Davidson, with 44 of the total 102 precincts, is by far the most populous in the district. Whether or not he depended

Running first Saturday and nominated with a majority was Sen. Voit Gilmore of Southern Pines. King ran second and Allen was third. 990 votes behind King. The district is entitled to two senate seats.

\$200,000 Theatre To Be Built At Shopping Center

Voit Gilmore of Southern Pines, president of W. M. Storey Lumber Company and Charles B. Trexler of Charlotte, president of Stewart & Everett Theatres, Inc. have jointly announced that they will build on land leased from the Town and Country Shopping Center a modern motion picture theatre. Work is starting this month, with completion expected in December.

The lumber company is owner and developer of the shopping center, between Southern Pines and Aberdeen, where the Winn-Dixie Supermarket was the first unit to be built.

The theatre will be known as the Town and Country Cinema. It will have 600 seats and, when fully equipped for operation, exclusive of land, will represent an investment of approximately \$200,000.

Mr. Trexler said that plans had been completed by Charles H. Wheatley and Associates, Architects, of Charlotte, and that contract for the erection of the building has now been awarded to East Carolina Construction Company of Dunn.

The building will be equipped with a modern air-conditioning and heating system scientifically controlled for proper comfort levels both in the

Pleasants Is Undecided On 2nd Primary

James M. Pleasants of Southern Pines, vice-chairman of Moore County commissioners, who lost out Saturday by 197 votes in his bid for renomination in District 4, said today (Wednesday) he had not yet decided whether or not to call for a second primary.

He polled 1,637 votes, to 1,830 cast for Dr. J. Russell Tate of Vass, leader in the three-way primary race. Mrs. Arthealia Hollister had 823.

Dr. Tate's vote failed to constitute a majority. Jim Pleasants' first reaction when returns were complete Saturday night was that he would not seek a runoff but four days later, it appeared that might change.

"A lot of people have talked with me, encouraging me to go ahead, but there are many things to be considered and I am still thinking it over," he said.

That's how the matter stood at noon today.
