### **Blood Program** To Start Year **Short Of Goal**

The Moore County Blood Program, which is operated by the Moore County Chapter of the American Red Cross, nears the end of its administrative year, June 30, about 200 pints short of its goal, Col. John Dibb of Southern Pines, program chairman, said this week

The goal, he explained, is to collect in the county, over a year, as much blood as patients in the county's two hospitals use during that year.

The chairman said he is writing letters to mayors of the county's towns and to the county commissioners, appealing for support of the program and the formation in each community of a blood program promotion committee composed of representatives of industrial, business, civic club

and church groups. In connection with this effort, he said, Leo F. Walsh, Jr., is serving as assistant chairman for the county. representing the Jaycees who have (Continued on Page 5 Sec. 3)

# Safety Record **Made At Plant**

It was a long time coming, but the Gulistan Carpet plant of J. P. Stevens & Co., Inc., at Aberdeen, has set a new plant record for safety.

At 1:30 pm Tuesday, June 28, the plant reached 1,000.009 man hours since the last losttime accident.

It was November 10, 1965, when plant personnel had to begin all over again because of a lost time accident occurring in the warehouse depart-

ment. J. Cecil Beith, plant manager and chairman of the safety program, issued a statement congratulating the employees

for setting the new record. Personnel Manager Ben Price said that each employee will be presented a set of Stevens towels in celebration of the event. Employees started making their selection from samples the minute the 1,000,-000-hours mark was reached.

### BLEACHERS — Forsyth, Dr. Starnes, Supt. Jenkins NURSE TRAINING — Dr. Stone and Chris Shamburger CAMP EASTER - W. E. Samuels, Jr., W. P. Davis Passing The Bucks: It Was A Big Week For Fund-Raising In Sandhills

Presentations of checks for civic and public service projects have been in the news spotlight lately in

Southern Pines. In photo at left, W. E. Samuels, Jr., left, president of the Moore County Chapter of the North Carolina Society for Crippled Children and Adults, hands to William P. Davis, chairman of the Camp Committee of Camp Easter

in the Pines, a check from the chapter that brings to \$4,000 the total given to the camp by the chapter since the camp opened in 1964. The funds came from the chapter's annual Easter Seal campaign. In the background is a portion of one of four new cabins accommodating eight campers) opened this summer at the facility

which is owned by the NC

Society and which is now in operation.

The three smiling local men in the center photo reflect the wide support given to a project enjoyed by hundreds of persons who contributed to it. Lennox (Slim) Forsyth, left, and Dr. Boyd Starnes, center, co-chairmen of the May 7 exhibition baseball game and chicken supper to raise funds for purchase

of additional spectator bleachers at Memorial Field, are presenting to Supt. J. W. Jenkins of Southern Pines Schools a check for \$765.58, representing net proceeds of the two events sponsored by Southern Pines Elks Lodge 1692. The co-chairmen expressed appreciation to all who attended the events and to those who had helped in any

way to make them a success. The new seats will be purchased through the schools, as school football, baseball and track teams regularly use the field. In the photo on right, J. P. (Chris) Shamburger,

right, president of the Sandhills Veterans Association, presents a check for \$3,000 to Dr. Raymond A. Stone, president of Sandhills Community Col-

ed by the veterans in their 20th annual drive to provide nurse training scholarships for Moore County girls. It will be used to aid students in the Sandhills College nurses education program which starts this fall on the campus. Details appear in a news story. (All photos by Humphrey)
