Supreme Court Says **School Vote Valid**

The North Carolina Supreme Court today (Wednesday) handed down an opinion affirming the judgment of Judge Robert W. Gambill in Moore County Superior Court last January and confirming the constitutionality of the General Assembly's act under which voters last year approved consolidation of the county's three school systems.

The high court over-ruled all objections and exceptions of the plaintiffs—J. D. Hobbs of Southern Pines and Dr. J. C. Grier, Jr., of Pinehurst who had filed a "taxpayers' suit".

The lengthy opinion was written by Justice I. Beverly Lake, with all other justices concurring. The ruling means that consolidation of the Moore County, Southern Pines and Pinehurst school systems can proceed without legal hindrance. A site nas been acquired and plans are pending for a consolidated high school to serve the former Southern Pines.
