BY COMMUNITY COLLEGE

Evening Classes In Varied Subjects Set

Sandhills Community College will offer a variety of evening classes in its Vocational - Technical Education Program according to Henry I. Rahn, director. All of these classes of the fall quarter are designed for upgrading skills

and knowledge in certain vocational and technical fields, he noted.

Dates for the classes, the evening hours they will be scheduled, and the classroom locations in the Science and Technology Building, will be announced soon. However, students interested in the courses should pre-register immediately at the Vocational-Technical Program office of Sandhills College on N. W. Broad Street.

The fall term curriculum of evening classes will include: Fundamentals of Mathematics, a 55-hour course dealing with practical number theory, and all basic mathematical operations. The course will give five credit hours toward a diploma.

Drafting I, an introduction to drafting and the study of drafting practices. The 88-hour course gives four credit hours toward a diploma.

Electrical Apprenticeship is a preparatory program directed toward those persons interested in becoming journeyman electricians. It is the first course in a series of training programs with 144 hours of instruction during the year.

TO MEET FRIDAY

Capel, Drexel With Board Of Fitness Group

Felton J. Capel and David A. Drexel, of Southern Pines, who are among the 28 directors of the proposed North Carolina Outward Bound School, will attend a meeting of the directors Friday in Greensboro.

L. R. Preyer of Greensboro, former gubernatorial candidate, is chairman of the board.

North Carolina's school will become the 27th Outward Bound school in the world. The schools provide a 26-day course of "vigorous physical challenges under conditions last known by the pioneers who conquered the wilderness," according to Judge Preyer.

Directors are presently seeking to raise the \$500,000 needed for facilities and initial operating expenses for the school, to be built in Linville Gorge in western North Carolina.

Two Sandhills boys are now in Outward Bound schools in the United States: Will Richards of Southern Pines in Oregon and Boris de Nissoff of Pinehurst in Minnesota. Both will return later this month.

Founded during World War II to train British seamen for survival in disasters, the Outward Bound program has been taken over and adapted to various conditions in several countries. It is widely praised as building both character and physical fitness in boys and young men.

TRIBUTES THURSDAY

Julian Bishop Death Tuesday Ruled Suicide

Julian Tomlinson Bishop, 76, longtime resident and noted sportsman, for more than 40 years an associate in the New York City investment firm of Smith, Barney & Co., died Tuesday about 12:30 p.m. of a shotgun wound at his home in Knollwood. Coroner W. K. Carpenter ruled the death a suicide.

Funeral services will be held in Emmanuel Episcopal Church at 2 p.m. Thursday, conducted by the rector, the Rev. Martin Caldwell, assisted by Dr. Julian Lake, pastor of Brownson Memorial Presbyterian Church. Burial will be in Mount Hope Cemetery.

Mrs. Hattie Mae Mason, maid in the home for 20 years, told the coroner she had accompanied Mr. Bishop on a trip to a hospital, where he took flowers to his wife, a patient there, then to a store for marketing on the way home. He requested that she prepare his lunch, and, while she was doing so, she heard a shot in a bedroom. Entering the room filled with smoke, she saw him lying on the floor. She called neighbors, who summoned the police.

No note was found, and Carpenter said death was instantaneous.

Friends he had visited the day before and also that morning said he had seemed very depressed.

He started coming to Moore County in 1908 from Greenwich, Conn., with his mother, who made annual visits to the Carolina Hotel at Pinehurst.

WW I Veterans To Rally Here

The Veterans of World War I, USA, Inc. will hold a rally in Southern Pines at 2:30 p.m. September 11, in the American Legion Hut on W. Vermont Ave. Raymond J. Jeffreys of Raleigh, past commander of the NC Department, will be the principal speaker.

Jeffreys, author and lecturer, has written and published more than half a dozen volumes.

Jack A. Branch, present state commander, said he was "highly impressed with the outlook for some additional pension benefits for the non-service-connected veterans in the final session of the 89th

COMES HERE FROM WINSTON-SALEM

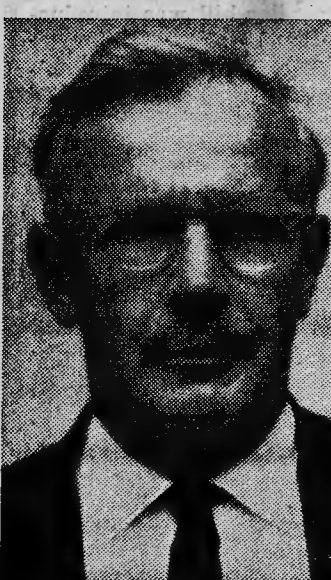

Lindau Named Pilot News Editor

William E. (Bill) Lindau will join The Pilot Thursday as news editor and reporter.

He served six years with the Winston-Salem Journal as assistant state news editor and as a reporter before moving here with his wife, Mrs. Betsy Lindau, and their 13-year-old son, Bill, and 21-year-old daughter, Sara.

Ralph C. Hendren of Southern Pines, summer news assistant, concluded his work with The Pilot on Tuesday, to return to UNC-Chapel Hill for his senior year. Cad Benedict continues as associate editor, working with Mrs. James Boyd, editor and publisher, on the editorial page and having general supervision of editorial operations, while also remaining active in news editing and reporting.

Before going to Winston-Salem, Mr. Lindau had worked on the Asheville Citizen as state news editor and farm page editor, and had been with the semi-weekly Waynesville Mountaineer and the weekly Smoky Mountain Times of

WILLIAM E. LINDAU

Bryson City. His experience also includes three years with the Associated Press in Charlotte.

Mr. Lindau 48, is an "alumnus" of Camp Mackall, where he first became acquainted

QUALITY MILLS OPERATIONS EXPANDING

Plant To Add Many Employees

Quality Mills, Inc., in operation since June in its new garment plant at Carthage, is planning to take on 100 to 150 more employees by the end of the year.

Most of these will be women, practically doubling the number in sewing positions there now, according to Jim Midkiff, plant manager. Of 166 persons now employed, about

150 are women. Hiring will go on, with the expectation of having as many as 400 at work by June, 1967.

An "open house" is planned for the Carthage plant this fall.

The announcements were made at a press conference Friday, when area newspaper people were invited to tour the plant and meet the men

who are running it, including four who regularly check back and forth from the parent plant at Mt. Airy.

Hosts included Midkiff and Cy Willcox, plant engineer, a Moore County native; and, from Mt. Airy, George (Bud) Kallenbach, director of engineering; Al Howell, personnel director; Roger Ayers, quality control director, and Jim Field, director of technical services.

Field lived in Southern Pines from 1960 to 1963, when he was with the Amerotron central offices at Aberdeen. Willcox, also, was formerly with Amerotron, at Robbins.

They welcomed the visitors to the modern plant topping a sloping site on NC 15-501 east of Carthage.

In Working Area
Inside, offices extended on each side from a paneled foyer. Beyond lay the extensive working area, bright as day, with four sewing "lines" or

COURT CONTINUING

The first week of the regular two-week civil term of Moore Superior Court is under way at Carthage, with Special Judge Walter E. Brock of Murfreesboro presiding, and will continue through next week. Divorces and motions took up most of the opening day, Tuesday.

Wards, now \$10.50 to \$12.50 will be \$13; semi-private, to be increased an average of \$2.57 to \$16 and \$18; and private, now \$16.50 to \$20, will be \$19 to \$22.

Room Charges Due To Rise

Room charges at Moore Memorial Hospital will be increased to provide funds to cover increased supply expense, said Duncan L. McGoogan, administrator, when announcing a nurses' pay boost, this week.

The changes, all listed in terms of daily rates, are:

High Schools To Play First Grid Contests

Teams of the two local high schools will open their 1966 seasons here this week, with both games played under lights at Memorial Field at 7:30 p.m.

Monroe Avenue High School of Hamlet will be the visiting opponent for the West Southern Pines Yellow Jackets Thursday night, according to Coach Joe Wynn.

On Friday night, Coach J. H. Smith of the East Southern Pines Blue Knights will send his generally inexperienced squad as the underdog against Rohanen High of Rockingham, ranked as the top team in the Central Tar Heel Conference.

However, Coach Smith said this week, the squad "has come a long way" since pre-season training started, has worked hard and is looking forward to the testing they'll get Friday.

COUNCIL TO MEET

Regular monthly meeting of the town council will be held in the municipal building at 8 p.m. Tuesday, September 13.

Area III School Principal To Be Chosen; Citizens To Serve On Study Committees

Preparation and planning for the Area III school consolidation, combining Southern Pines, Pinehurst, Aberdeen and West End, will get under way this month with the selection of a principal for the new high school, and the setting up of a Citizens Council steering committee as the initial steps.

Applicants for the principalship are currently being screened and will be interviewed next Tuesday and Thursday evenings by the

Area III advisory council, with appointments to be made at other times if desired for those from in or near Moore County, said Supt. Robert E. Lee.

Public Meeting Set
A public meeting Monday, September 26, time and place to be announced, will get an intensive planning program under way covering all phases of the operation, utilizing the talents of interested citizens along with local school personnel, and assisted by consultants from the State Department of Education and outside the State, as desired.

The far-reaching study expected to result, which will be documented and published, has been selected for the unit's participation in the Regional Curriculum Project, financed under the federal ESEA Title V, to bring leadership and resources of the State Department into full cooperation with the local representatives in facilitating desirable change.

With the consolidation not to go into effect until July 1, 1967, and the \$2-million school not yet built, slated to open in September 1968, Supt. Lee was asked why a principal should be employed and citizen studies begun so far in advance.

New Ideas Expected
He said, "The architects need to know what the people want, what the curriculum will entail and what extra-curricular activities will be embodied in the plans, before they can do their best job in planning the school. We expect there will be many new ideas, drawn from the whole field of modern education. It will take the full two years to make and carry out these plans.

"The principal can also do his best job if he is in on the plans, and also contributing to them, as early as possible."

A new principal working this year elsewhere in the State could come in from time to time for consultation, or one living near could be present at many or most of the meetings, Supt. Lee pointed out.

"A number of applications were received after ads were placed by the Moore County Board of Education in leading state papers last month, with Supt. Lee contacting departments of education and placement bureaus in colleges and universities throughout the

Public Invited To Ceremony At Plant In Manly

Ribbon cutting ceremonies will be held Tuesday afternoon, September 13 at 3 o'clock at Manly by the Mobile Products Division of Taylor Mobile Homes, Inc.

Carl Baggett, Jr., manager of the Manly operation, invites the public to visit and inspect the plant which started production in a new, modern building about six weeks ago.

Fred L. Taylor of Vass and Troy is president of the firm and R. A. McGilvary is vice president.

The new plant has been building mobile school classrooms since it got into production a few weeks ago.

Taylor Mobile Homes has its home office and factory in Troy, and also an operation in Florida.

Gardner Plans Day In County This Thursday

Jim Gardner of Rocky Mount, Republican candidate for Congress in the 4th District, will spend the entire day in Moore County tomorrow (Thursday), according to his announced schedule.

The day's visit includes morning tours of northern Moore and Carthage; lunch and a coffee meeting with supporters in Southern Pines, an afternoon visit to the Sandhill Furniture factory in West End; supper in Carthage and a 7:30 p.m. reception in Robbins.

Gardner will be in Montgomery County for the entire day on Friday and in Chatham all day Saturday, his announcement said.

LEAF MARTS TO OPEN THURSDAY

Tobacco warehousemen at Aberdeen and Carthage, Moore County's two Middle Belt markets that will open Thursday for auction sales of the flue-cured leaf, are enthusiastic about prospects for the coming season.

Tobacco has been selling at record highs on the already opened Border and Eastern Belt markets.

Full sets of buyers for all the major companies are expected at both the Aberdeen and Carthage markets.

Humane Society Asks Interested Persons To Meet

The Founders' meeting of the Humane Society of Moore County, Inc., will be held Friday, September 9, at 8 pm at the Southern Pines High School library.

Mrs. Leon H. Baker of Southern Pines, chairman of the Founders Committee, whose members are Miss Bet-

ROBBINS COLLECTION, WEDNESDAY

Area Residents Urged Give Blood In Stop At Local Plant, Tuesday

Blood collections in the continuing Moore County program sponsored by the Red Cross will take place next Tuesday at the Proctor-Silex plant here (1 to 5:30 pm); and on Wednesday at the First Baptist Church in Robbins (11 am to 4:30 pm). Col. John Dibb, county chairman, reminds the public.

In connection with the Pro-

ctor-Silex visit on Tuesday, Leo F. Walsh, Jr., Southern Pines bloodmobile chairman, said that the company management "has graciously permitted us to invite the public to use this opportunity to donate blood," as well as the plant employees for whom the visit is primarily scheduled.

Urging residents of this area to "share your good health" by donating a pint of blood, Walsh pointed out that bloodmobile collections are the only source of whole blood available to the two hospitals in Moore County.

He also noted that a certain percentage of Red Cross blood is now being sent to armed forces overseas and that "our obligation is therefore increased in the interest of national security."

However, he said, "most of the blood we donate is used by our own friends and relatives right here in the county."

First East Side PTA Slated Monday

Opening meeting of the East Southern Pines Parent-Teacher Association is set for Weaver Auditorium at 8 pm, Monday, September 12. It is announced by Mrs. Robert Leland, president. Parents of all students, grades 1-12, are invited.

A reception for teachers will be held after a short general meeting. A membership drive will begin soon, Mrs. Leland said.

THE WEATHER

Maximum and minimum temperatures for each day of the past week were recorded as follows at the US Weather Bureau observation station, at WEEB, on Midland Road.

	Hi	Lo
August 31	89	65
September 1	90	69
September 2	94	64
September 3	94	64

HOLIDAY SCENE — Some of the approximately 500 persons who were served at an outdoor supper at the Elks Lodge-Southern Pines Country Club cookout area Monday (Labor Day) evening are shown in this view of the happy, relaxed scene. Note crowded picnic tables in the background. Some of the diners had eaten and gone when this picture was made — and others were yet to come. (Humphrey photo)

500 Choose Golf, Cookout Over Travel

About 500 persons were served at the Elks Club-Southern Pines Country Club cookout area on Labor Day, when the Elks, in conjunction with the club and the Sandpipers, men's golfing group, staged one of their three annual holiday events.

A golf tournament preceded the big picnic of charcoal-broiled hamburgers and hot-dogs with plenty of trimmings.

Golf and picnics have been sponsored by the groups on Labor Day, July 4 and Easter,

for the past eight years, with the avowed aim of keeping members off the dangerous highways by providing food and entertainment for whole families.

Monday's event was one of the best attended. The Elks Lodge has 605 members, the Country Club 250 and the Sandpipers, all SPCC members, number 85.

Special thanks were extended to the volunteer cooks who included: Jack Barron, John Buchholz, Joe Matthews, Hol-

is Thompson, Carl Lee, Shag Mattocks, Joe Garzik, Slim Forsyth and Roland White. The Buchholz children served iced tea and soft drinks.

Elks officials said that the bloom was somewhat taken off the weekend by vandalism at the Country Club swimming pool which took place the previous Saturday night and made the pool unusable Sunday and Monday. Chairs, tables, umbrellas, waste cans and even ash trays were thrown into the pool by unknown vandals, officials said.
