State Highway Commission will speak at the first 1967 meeting of the Moore County Young Democratic club Thursday, January 12, at 7 pm.

Officials of the Moore County YDC in addition to Jerry Cole are: Mrs. Waitsel Deese, first vice president; Sonny Guion, second vice president; Fred Teeter, third vice president; Leon Keith, secretary; won his Eagle badge.

The action on the resolution followed statements by Southern Pines area resort-facility executives.

The executives said in effect that a system of on-premises liquor sales is necessary to prevent serious loss of tourist business to resort areas like Augusta, Ga., and Myrtle Beach, S. C.

Tourist-facility executives told the councilmen that the area already has suffered severe losses of tourist business because of the State Supreme Court's ruling that "brownbagging" is illegal.

For Beer Sales

To Young People

Southern Pines police and tate ABC officers keep watching for sales of beer to minors -people under the age of 18the Town Council was told Tuesday night.

Town Manager F. F. Rainey made the statement during the council's regular January meeting. He pointed out that a man was ordered in Southern Pines Recorder's Court last Wednesday to surrender his beer license for selling beer to a minor.

The judge of the court, W. Harry Fullenwider, said after Rainey spoke that, for the information of the press, the term "minor" under the law applies to anyone under age 18 — 17-year-old soldiers in uniform and 17-year-old college students, for example, and not only high school students.
