15-CENTS RISE

(Continued from Page 1) suming job in the process.

On Taylor's suggestion the commissioners made a "gentleman's agreement" which which considers the possibility of a bond issue to complete Pinecrest and finance improvements to other schools in the future. If a bond issue is voted on and given a favorable majority the 15-cent tax would be used to help pay the interest on it and retire it.

The 15-cent raise was voted when mathematics by Mrs. Estelle Wicker, county accountant, and H. A. Brogden, an auditor from John C. Muse & Co. of Southern Pines, showed it would allow the allocations ultimately set. The board of education had asked \$335,000 for capital outlay and \$754,-584 for current expenses, not including the funds to be reimbursed by state and federal

County Schools Supt. Robert E. Lee, in reply to a question whether the approved alloca-Pinecrest as scheduled, replied affirmatively but added: if the take part. estimates of the administration, architect, board of education and Pinecrest Advisory Council are accurate.

the original estimate of the cost of establishing the high school's sewer line proved short because some of the factors from which the estimate was formed went awry-such as the assumption that the contractors would be permitted to lay part of the line across Pinehurst property and that certain federal funds would remain available.

Still to be worked out are some details in the budget for among other items.

Kiwanis Hears Rector In Talk On War Causes

The Rev. Martin Caldwell rector of Emmanuel Episcopal Church in Southern Pines, was the speaker on Wednesday, June 12, for the regular meeting of the Sandhills Kiwanis Club. Mr. Caldwell, in an address entitled, "Why Do Men Fight?," cited the history of violence through wars, and proceeded to urge that disagreements need not eventuate in destruction.

He urged that America's responsible citizens instill in others a respect for authority and laws, not by constant criticism of other groups, but by recognition of the fact that they themselves, through their special session August 12-23, own negativism, bear more responsibility than is ordinarily recognized for breakdown in respect for tradition and order.

Mr. Caldwell received a standing ovation for his fine
