TWENTY-FOUR PAGES

SOUTHERN PINES, N. C., WEDNESDAY, JULY 24, 1968

TWENTY-FOUR PAGES

PRICE: 10 CENTS

FROM \$10 MILLION ESTATE

Mrs. Kennedy's Will Makes Bequests Here

Individuals and institutions of this area benefit extensively under terms of the will of Mrs. Audrey K. Kennedy, prominent Sandhills resident who died here May 18.

The will was allowed for probate in Norfolk Probate Court at Dedham, Mass., Tuesday, and its outstanding provisions were published in The Boston Herald this (Wednesday) morning, according to

information received today by telephone from a Massachusetts correspondent.

Mrs. Kennedy maintained a residence at Brookline, Mass., as well as her estate on Youngs Road here. For nearly 30 years she was a leading figure in the civic, sports and social life of the Sandhills and an outstanding benefactor of public and private causes.

The Boston Herald's report said that the bulk of her \$10 million estate goes to the Frederick J. Kennedy Memorial Foundation which was established in memory of her father who founded the Kennedy clothing stores which operate over the New England states.

Outright bequests amount to \$2 million, The Herald said. Those of particular interest here include:

—\$500,000 to the Penick Memorial Home, Southern Pines.

—\$500,000 to St. Joseph of the Pines Hospital here.

—\$125,000 to Dr. Francis L. Owens, physician whose home is at Pinehurst and offices here.

—\$20,000 to Emmanuel Episcopal Church here.

—\$25,000 to Henigan L. Kerns of Southern Pines "for devoted service."

—\$2,500 to each employee with service of over two years.

Moore Tobacco Tests Plots On Producers' Tour

Tobacco test plots in Moore, Montgomery and Richmond counties will be visited Friday by tobacco growers in a tour conducted by the North Carolina State University Agricultural Extension Service.

The visits in Moore County starting at 9 am will be at the farms of Carl Whitaker on State Road 1868; E. M. Hollyfield, State Road 1830; J. C. Stanley Jr., State Road 1663; Bill Lee, Eastwood; James Patterson, State Road 1122, Jackson Springs; and Walter McKenzie, Jackson Springs.

The producers will leave at 8 am from the Richmond County Courthouse at Rockingham to start the tour.

PEAK OF SEASON — Two Sandhills girls and a visitor from Virginia believe in getting their peaches fresh—right from the orchard, in this case the Edgar Graham farm near Jackson Springs. Left to right, Laura Auman of West End, Becky Burns of Aberdeen and Christie Bowen of Charlottesville, Va., a Southern Pines visitor.

Bypass Zone Hearing Will Be Thursday

A public hearing on a recommendation that part of the US 1 bypass be rezoned to permit construction of a Sheraton Motor Inn will be held Thursday, starting at 8 pm, by the town council in the Municipal Center.

The recommendation of the Planning Board is that a 12-acre tract on the west side of the bypass north of Morganton Road be rezoned to Community Shopping from the present Residential Single Family. The property is owned by Karl Andrews of Pinehurst. Five acres of the tract would provide the site for the proposed 120-unit motel.

Andrews wants the rest of the tract rezoned also for possible future business development.

GOP Committee To Meet Here Thursday

The Moore County Republican Executive Committee, of which Paul Helms of Robbins is chairman, has scheduled a meeting at the Southland Hotel here, Thursday July 25, at 8 pm, primarily for discussion of precinct organization.

All interested persons, whether or not committee members, are invited to attend, said W. H. Bowen of Southern Pines, who announced the meeting locally.

DR. R. C. KILLOUGH

Veterinarian With Hospital Here Licensed

Dr. Richard C. Killough, who on June 1 joined the staff of Sandhill Veterinary Hospital on Midland Road, was one of several new graduates in veterinary medicine who were licensed last week by the State.

A native of Indian Trail in Union County, he graduated from Indian Trail High School, took his pre-veterinary courses at N. C. State University and graduated in May from Oklahoma State University with the DVM degree.

Dr. Killough interned last summer at Sandhill Veterinary Hospital, working with Dr. C. McLean and Dr. J. E. Currie, Jr., owners, and decided to return here to make his permanent home. He and his wife, the former Kay Kindley of Indian Trail, are making their home at 460 Midland Road. They are Presbyterians.

He is the son of Mr. and Mrs. C. P. Killough of Indian Trail, and is 25 years old.

Youths Available For Farm Work

With tobacco marketing near at hand and peaches reaching their peak, farmers in Moore County are taking advantage of the Youth Employment Program. The Moore Community Action Program, which sponsors the youth employment service, has been placing young people in farm and other jobs this summer.

Farmers who are interested in full-time or part-time workers should call the Moore County CAP office in Carthage at 947-5755. Persons needing other types of workers are also invited to call.

'Country Store' Is Farmer Day Feature

A "country store" selling food items, antiques and other articles will be a new feature of the annual Farmers Day at Robbins, Saturday, August 3, it was announced this week.

The usual parade of mounted riders, old vehicles and a horse show sponsored by the Jaycees in the afternoon are on the program.

Commissions from sale of items in the "store" will be used for town beautification.

Bumper Crop Of Peaches Now At Best

Starting last week and continuing into August, it's "freestone peach" time in the Sandhills peach-growing area, with one variety after another of fine eating peaches coming in.

People are driving in from over North Carolina, as well as other states, to load up at the orchards in the "peach triangle" of Moore, Montgomery and Richmond Counties. The triangle, roughly, has its "points" at West End, Candor and Ellerbe.

The Lorings and Halehaves were at their peak last week, Georgia Belles are coming in this week, and about August 1 will come the favored Redskins and luscious, old-time Elbertas, along with several newer varieties—all good for canning and freezing as well as eating now.

So bounteous is the crop—the best in 21 years—that the US government has extended its support system to prevent a price collapse, and last week began buying shipments for hospitals and other federal institutions. Because of summer vacations, they do not go on the school lunch program but

27th Moore Golf Tourney Is In Final Rounds

The 27th annual Moore County Golf Tournament is in the final rounds this week with golfers playing for the championship and the titles in 12 other flights at Foxfire Golf and Country Club's course six miles west of Pinehurst.

Sunday is the last day golfers can play their matches.

Matched for the title round in the championship flight are Billy Wilson Jr. of Pinehurst and Charles Russell of Vass. Playing for the consolation prize are Dick Schmedl of Southern Pines and Bill Woodward of Robbins.

The pairings for the finals in the other flights are: Firsts — Dean Hundley, Southern Pines, vs Charles Rose, Southern Pines. Consolation: Floyd Brown, Sanford, vs. Harry Chatfield, Southern Pines.

Miss McMillan Will Conclude Pilot Work

Miss Julia McMillan of Southern Pines will conclude her work as summer assistant at The Pilot on Friday and that night will leave for Miami, Fla., to spend a few days with friends before flying to Bermuda for a two-weeks visit.

Later in August she will return to Southern Pines before resuming her studies as a senior at the University of North Carolina at Chapel Hill in September. She expects to complete her requirements for a degree in January.

Miss McMillan has assisted in both editorial and business departments at The Pilot during the past eight weeks. She is the daughter of Dr. and Mrs. R. M. McMillan.

Moore Post Offices To Go On New Schedule July 27

Services at post offices windows will be curtailed in Moore County starting Saturday but otherwise the recently issued Post Office Department order will have little effect in the county.

The Southern Pines Post Office will continue Saturday town deliveries of mail but

will eliminate the Saturday general delivery window service at the postal building. Acting Postmaster Woodrow McDonald advised. No change will be made in window service Mondays through Fridays, he said.

The schedule for Saturdays at Southern Pines will be identical at the post offices at Aberdeen, Pinebluff, Pinehurst and Niagara, postmasters have announced.

At Carthage, Postmaster Gilbert Bailey said Saturday window service will be reduced to two hours in the morning, probably from 9 to 11. Only general delivery mail will be issued at the windows, he said, and there will be no sales of money orders or stamps.

Gilbert said no change is being made in the system of Saturday deliveries on the star-route and the three rural routes under the Carthage Post Office. No town deliveries are made in Carthage now. Town residents get their mail in boxes at the post office.

Mail will be put up in post office boxes as usual.

At Southern Pines, McDonald said mail will be worked and put up in the boxes as usual on Saturdays.

The order to curtail, however, has suspended plans to extend local mail service to some adjacent areas of Southern Pines, such as Sandhurst and Bethesda Road, McDonald said.

At Vass, Postmaster Mack Callahan said window service will be 8 am to 10 am Saturdays, effective this Saturday, and general-delivery mail service only will be offered. He said, however, that Saturday deliveries would continue as usual. Vass Post Office does not give local door to door delivery service but does maintain a star route.

Commissioners, School Board Meet Cancelled

The joint meeting of the Board of Moore County Commissioners and the Moore County Board of Education scheduled for Thursday afternoon at Carthage has been cancelled and no new date set as yet.

Some members of the school board found they could not attend the Thursday meeting. Some commissioners will be out of town next week.

The purpose of the planned meeting is to bring the commissioners up to date on the statuses of the federal aid programs in the county school system.

The commissioners want to know what would be expected of the county should federal aid for specific programs be discontinued.

PONY LEAGUE SCORES

The Southern Pines Pony League baseball team won both home games the past week, whipping Carthage 5-3 Thursday and Pinehurst 11-4 Tuesday, bringing its season's record to date to 6 wins and 5 losses.

Gardner Rally Set For Sat., August 3

Moore and Montgomery County Republicans are teaming to stage a rally for Congressman Jim Gardner, GOP gubernatorial candidate, at the Arthur Williams lake, between Eagle Springs and Candor, Saturday, August 3, between 1 and 4 pm. Details are in an ad on the front page of Section 3 and more information will appear in The Pilot next week.

REPLACES CREATH

Lee Will Head Fall Campaign Of United Fund

Robert E. Lee of Carthage has been selected as chairman of the fall campaign of the United Fund of Moore County, Inc.

Lee, who is superintendent of Moore County schools, was elected by the Fund executive committee to succeed L. Boyd Creath as chairman. Creath, formerly of Pinehurst, has been transferred to Sanford as president of the Carolina Bank.

United Fund President John A. Corbett of Southern Pines announced the change in campaign chairmen at a meeting of the organization's directors in Southern Pines, when the admissions and budget committee headed by Roy Swarigen reviewed the applications and proposed budgets of 10 local agencies.

Corbett said that the United Fund is expected to have at

Chicken Fry Is Successful

The fried-chicken supper for the benefit of the Southern Pines Little League held last Wednesday night at the Elks Club appears to be good for nearly \$400 net after expenses, collections on ticket sales indicate.

This was reported today (Wednesday) by Tommy Jessup, league treasurer. He said that more than \$700 had been collected on ticket sales so far.

Martin Parrish, league president, said today that approximately 800 people attended the supper and "we're in the black."

Jessup said payment on the building of the ball park can be completed this summer with money left over to help pay the expenses of the 1969 season.

THE WEATHER

Maximum and minimum temperatures for each day of the past week were recorded as follows at the US Weather Bureau observation station, at WEBB, on Midland Road.

	Max.	Min.
July 17	93	68
July 18	90	68
July 19	89	67
July 20	89	66
July 21	90	62
July 22	88	66
July 23	90	66

SOME DISSATISFACTION INDICATED

Community Survey Says Majority Replying Approve Local Services

Most of the people answering Jaycees questionnaires expressed satisfaction with Southern Pines community services and facilities.

The majority of the replies said public transportation was insufficient. And some of the majorities looking kindly on other community services were thin.

Jaycees working on the project, incidentally, found that the average age of the person replying was 51 and that one of every six replying was retired.

The results of the tabulations of the replies were reported by Jaycee President George Little at the regular meeting of the Southern Pines Town Council for July. He said that approximately 30 per cent of the 1,000 questionnaires mailed last winter to town residents were returned

partially or completely answered.

He gave a copy of the results, with the questions, to each councilman.

Forty-eight per cent of those replying to the specific question rated local fire protection "good" and 38 per cent "average." Six per cent rated it "poor" and eight per cent did not answer the question.

Police protection was rated good by 60 per cent and average by 30 per cent. Five per cent rated it poor and the rest did not answer the question.

Seventy-eight per cent, the tabulation shows, feel that their respective neighborhoods receive adequate police protection, 10 per cent do not and the rest did not answer.

Local electric service was rated good by 78 per cent and adequate by 17 per cent. Three

AT COLLEGE — Having completed the tests they took last week to determine the general educational level of each student, these New Careers enrollees were at Sandhills Community College Friday awaiting the evaluation of the test results. On Monday they began a full-time program of work-training with the New Careers program which is affiliated with the college. (Pilot photo)

WHAT COMMUNITY ACTION IS DOING—4

Hope Offered By 'New Careers'

(Last report in a series)

By JULIA McMILLAN

Next week 28 more people will be added to the work force of the four-county area served by the Sandhills Community Action Program, Inc. Men and women of Moore, Lee, Hoke and Montgomery Counties, who have previously been unemployed or underemployed, will begin training and working in fields in which they will be better able to serve their society.

will be done is a new program sponsored by SCAP called New Careers. Through New Careers these men and women will be trained—not for temporary jobs and not in a hurried six-weeks period, but for career jobs during a training period lasting for two years.

New Careers is designed to provide "meaningful employment for unemployed or underemployed people in the sub-professions and in human services." Specifically, New Careers trainees will work and learn as juvenile rehabilita-

tion aides, policemen, teachers, aides, and psychiatric aides. Training will take place at Sandhills Community College, and job work will be at Morrison Training School near Hoffman or at Leonard Training School at McCain for juvenile rehabilitation aides; at Biscoe, Star, Mt. Gilead and Robbins for the four police trainees; at one of the area's hospitals for the psychiatric aides, in anticipation of the completion of the Mental
