DID YOU KNOW The Pilot specializes in other things besides news and advertisements? Well we do - such as Fine Printing

AREN'T you running low on letterheads and envelopes? Perhaps calling cards or informals. Better check your supply of billheads and window envelopes - yes, even your register forms. JUNE is just around the corner you know - that means graduation and weddings. Each event calls for invitations, announcements, thank you notes, or napkins for the reception - or perhaps birth announcements. KEEP THE PILOT IN MIND the next time you holler. "quick Henry, an envelope."
