SWITCHES—Republican party officials admit that their campaign this spring to get Democrats to change their registration to Republican has

been a flop.
Party switches have been few. State Elections Board officials estimated that in the State as a whole no more than 200 had changed party affiliations.

In Moore County there had been only one party switch as of June 7. An office to promote party switching had been opened on Board Street in Southern

Pines for several weeks. Several Republican leaders said privately that the Watergate exposures had definitely had an effect on the campaign, and some Democrats are expecting party switches in their favor as

the Senate hearings continue.
