Teenager Charged In Wreck

Charges of hit and run, careless and reckless driving, no operator's license and carrying a concealed weapon were lodged against a West End teenager last week following an accident involving a passenger car and a motorcycle near Pinecrest High School.

Jeffrey Robert Vanhoy, 18, a Pinecrest student from Aberdeen, Rt. 1, was treated for a leg injury and released at Moore Memorial Hospital, it was reported by Trooper J.T. Covington of the State Highway Patrol.

Covington reported that the automobile driver, Wayne Eubanks, 16, West End, Rt. 1, left the scene of the accident, which took place at 7:55 a.m. Tuesday, April 28. The patrolman said the hit and run charge is a felony because a personal injury was involved. He added that the concealed weapon was a straight razor which Eubanks was carrying on his person.

Vanhoy was one of two motorcyclists driving along Rural Paved Road 1905 behind Pinecrest High School.

Trooper Covington said that Eubanks made a "bootleg turn," by applying brakes, spinning around in the road and heading in the opposite direction, driving into the path of the motorcyclists. The patrolman explained that Vanhoy drove his motorcycle into the ditch because of oncoming traffic.

The other motorcycle operator was identified as Robbie Pope, Aberdeen, Rt. 1. The driver of another passenger vehicle, James M. Harris of Seven Lakes, turned around and stopped at the scene of the accident, Covington said.

The warrants against Eubanks were drawn up later in the day Tuesday and were served Wednesday morning.

Damage to Vanhoy's 1981 Yamaha was estimated at \$1000.

Damage to the 1978 Ford was estimated at \$2000.

Trooper Shepherd investigated an accident Sunday at 4:30 a.m. six miles east of Carthage on Rural Paved Road 1831. No one was injured in this accident.

Driver Danny Fred Garner of Carthage, Rt. 5, was traveling east when he went to sleep, according to the accident report. The trooper said the vehicle ran off on the left, struck a tree stump and came to rest in the edge of a plowed field.

The 1977 Datsun was damaged an estimated \$1200.

No charges were filed in the two accidents.
