

**BEAUTY PARLOR** — Skit about the gossip that is heard in a beauty salon was a highlight of the cosmetology fashion show. Participating in the skit were, left to right, Lucy Dunn, Angela Adams, Jane Shiver and Odessa Talley.

## Fashion-Hair Show At SCC

Fashions for spring and summer in clothes and hair styles were featured in a show at Sandhills Community College during the evening of May 19.

The Cosmetology Department of Sandhills Community College sponsored the show which was put on by cosmetology students and their models.

Mrs. Darlene Fisher, coordinator of the program, said the students were responsible for the entire show which included entertainment and modeling.

The entertainment came in the form of "commercial TV" skits, singing and impersonations. Libby Dowdy sang a song to open the program and these students put on four skits in between the parades of models: Angela Sylvia Nardo, Jane Shiver, Johnny Miller, Patricia Caddell, Lucille Dunn, Odessa Talley and

Sandra Cummings. George Fields was master of ceremonies for the evening and Harold Pickett provided recorded music for the event.

The models selected by the cosmetology students were little girls, junior girls, young ladies and mature ladies. Some models were also cosmetology students. They were presented in four parades.

The first parade of models were: Sandra Lounes, Earlene Frye, Sharon McLaughlin, Waldrette Scarborough, Grace Cummings and Judy Treadwell. They were the models of students Kathy McLean, Debbie Evans, Angela Adams, Sandra Cummings and Patricia Caddell.

The second parade of models were Juana Miller, Denice Evans, Holly Nardo, Brandy McNeill, Myrdith McNeil and

Sharon Bradley. They were the models of Johnny Miller, Debbie Evans, Sylvia Nardo and Patricia Caddell.

The third parade of models consisted of Mallie Hennings, Shirley McMillian, Sandra Cummings, Sally Lammonds, Linda McDowell and Bonnie Overton. They were the models of Lucille Dunn, Kathy McLean, Jane Shiver, Patricia Caddell and Odessa Talley.

The fourth parade featured models Johnnie Gaddy, Christie Wilson, Jean Hennings, Lisa Person, Debbie Evans and Lisa Evans. They were the models of students Angela Adams, Jane Shiver, Carolyn Nix, Judy Garner and Debbie Evans.

A refreshment intermission was given at the end of the fashion parades and a parade of models and students together concluded the show. The cosmetology students gave Mrs. Fisher a bouquet of flowers for her participation in the program.

The cosmetology program at Sandhills is a five-quarter (approximately 15 months) course that offers a diploma. Students may enter at the beginning of any quarter and can obtain entrance information from either Mrs. Fisher or the Admissions Office at the college.

The classes are conducted in the afternoons and evenings at the Moore County Education Center in Carthage.

### NUMB ARMS, LEGS Danger Signals

There may be misalignment of vertebrae in the spine causing pressure on nerves, yet the patient experiences no pain in the back. Instead, a variety of sensations may be felt in other parts of the body. These include tingling, tightness, hot spots, cold spots, crawling sensations, electric shock sensations, stinging, burning, and others.

Here are nine critical symptoms involving back pain or strange sensations which are usually the forerunners of more serious conditions. Any one of these usually spells back trouble.

- (1) Paresthesias (see above)
- (2) Headaches
- (3) Painful joints
- (4) Numbness in the arms or hands
- (5) Loss of sleep
- (6) Stiffness in the neck
- (7) Pain between the shoulders
- (8) Stiffness or pain in lower back
- (9) Numbness or pain in the legs.

These signals indicate that your body is being robbed of normal nerve function. Until this function is restored, you will, in some degree, be incapacitated. The longer you wait to seek help, the worse the condition will become. Don't wait! Should you experience any of these danger signals... call for in depth consultation in Layman's terms.
