Mrs. Henry Judson Rea

Rea-Hunsucker Wedding Held May 30 At Robbins

Miss Elizabeth Ann Hunsucker and Henry Judson Rea were united in marriage Saturday, May 20, at 1 in the afternoon at the Tabernacle United Methodist Church in Robbins. Dr. Lester L. Dattler of Carthage officiated at the double-ring ceremony.
The bride is the daughter of Mr. and Mrs. Eugene E. Hunsucker of Robbins. The bridegroom is the son of Mr. and Mrs. Judson K. Rea, III of Carthage, Rt. 1.
A program of nuptial music was presented by the organist, Miss Andrea Holtsclaw of Robbins. The Rev. Thomas Holtsclaw, minister of Tabernacle United Methodist Church, sang "The Wedding Song" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a white silk organza gown fashioned with a high neckline and deep lace overlaid yoke adorned with seed pearls. The full sheer sleeves ended in a ruffle with wristlets of chantilly lace. The full skirt fell to a chapel train and was enhanced by a deep flounce of crystal pleating encircled with chantilly lace. Her two tiered fingertip veil of English silk illusion was edged with matching chantilly lace and was held in place by a lace covered bandeau. She carried a bouquet of white silk daisies.
The matron of honor was Mrs. Keith Johnson of Robbins. She wore a floor-length dress of light blue dotted swiss featuring a full skirt and ruffle neckline and carried a bouquet of mums. The bridesmaids were Miss Sharon Kay Hackney of Chapel Hill and Miss Jane Albert of Robbins. Their dresses and flowers were identical to the matron of honor except for being a different rainbow color, yellow and green.
The bridegroom's father served as best man. Ushers were Walter Rea, brother of the bridegroom, Tommy Hunsucker of Southern Pines, brother of the bride, Gregg Rogers of Cameron and Spencer Adams of Aberdeen, friends of the bridegroom. They were attired in ice-blue tuxedos.

The beauty of the church was enhanced by brass candelabra with white tapered flanked on either side with vases of flowers in the rainbow colors.
Mrs. Hunsucker chose for her daughter's wedding a floor-length dress of light blue with draped neckline and flowing skirt. Mrs. Rea wore a matze dress with draped bodice and sunburst pleated skirt. Their corsage was white carnations with matching ribbons.
Honored guests were grandmothers of the bridegroom, Mrs. Hazel S. Rea of Carthage and Mrs. Pearl M. Preslar of Hamlet. Also, honored and remembered with flowers were Mrs. Maude P. Finison and Mr. Jesse S. Phillips of Robbins, Rt. 1, aunt and uncle of the bride.
The registry was attended by Mr. and Mrs. Ralph Hunsucker of Southern Pines, cousins of the bride. Mrs. Lester L. Dattler of Carthage directed the wedding.
The bride graduated from North Moore High School and Central Carolina Technical Institute of Sanford. She is employed in the pharmacy at Moore Memorial Hospital.
The bridegroom graduated from Union Pines High School and Sandhills Community College. He is employed by Phillips Motor Company of Carthage.
After a wedding trip to the mountains of North Carolina, they will reside at Carthage, Rt.

3. **CLOTHING SAVVY**
Style, Fashion and Fad. Knowing the difference between them can determine whether a clothing dollar is invested wisely or unwisely, says Harriet Tutterow, extension clothing specialist, North Carolina State University.
Style refers to the type, form or outline of a garment.
Fashion is the style that is "in." Fashions usually recur every few years.
Fad is a fabric, color or other specific clothing item which gains rapid and short-lived acceptance. Investing money in fad clothing is usually investing money unwisely.

TWO HONORED — Mrs. Clara Harper (left) and Mrs. Flora Perkins were honored at the annual Beta Zeta Chapter of Alpha Delta Gamma May 7 when Judy Boroughs presented silver trays to them upon retirement. Together they represent 52 years of service to children and teaching. They teach second and third grades at Southern Pines Elementary School.

History Of Dixie Told

The Eureka Extension Homemakers Club met with Burdine Swenson on May 28 at 7:30 p.m.

Thirteen members answered the roll by giving the name of a spring flower—in alphabetical order. Mrs. Swenson had the devotional from "God Is No Fool" on the subject "Lo, I am with you always."

Myrtle Caldwell gave a brief history of the life of Daniel D. Emmett of Ohio who wrote "Dixie" in 1859. This song was later to become the inspirational song of the Confederate Army. "Dixie" was then sung by the club as Mrs. Caldwell accompanied them on the piano.

It was learned that 100 percent of the club planted a tree on May 6 during the business session presided over by the president, Gussie Marion. This was a national club project. A nominating committee was chosen to select new officers for the coming year.

Nellie Greene then gave a program on "The Use of Medical Drugs." The importance of following the physician's instructions on taking medication was stressed. Accidents that could happen due to overdoses or mixing drugs were related by Mrs. Greene to emphasize this fact. After the program was concluded, she took each member's blood pressure—since May was designated as Blood Pressure month.

During show and tell time, Margaret Horne showed a toy dog she had made from scraps of material.

After repeating the club collect, the hostess invited everyone into the dining room where she served delicious

DID YOU KNOW THAT...
Thieves Ain't No Dummies
With only two percent of the residences in the United States having security systems, it becomes obvious why a thief is not interested in entering a "bugged" house.
However, make sure that you have a security system to back up the many warning signs available. Thieves too, can be vindictive.
