

Moore Bicentennial Quiz

BY VETA GORMAN

- Bicentennial Quiz:
Locate these early homes and buildings in Moore County:
1. The Street Medical Building.
 2. The Bryant House.
 3. The Shaw House.
 4. The Bruce-Dowd-Kennedy House.
 5. Daniel C. Campbell House.
 6. Paint Hill Farm.
 7. John Blue House.
 8. New England House.
 9. The Allison Francis Page House.
 10. The Greenwood Inn.

House was built around 1850, located on Road 1644 north of Carthage, using Road 1006 until near Deep River. This was on the Fayetteville-Salem Plank Road.

6. Paint Hill Farm was built around 1820, a point which is sometimes called Mount Helicon, at the Head of the Rockfish, and is located in Southern Pines near Highland Trails. It is the home of Mr. and Mrs. Ernest Ives.

7. The John Blue House is in

Aberdeen on Blue Road going toward Bethesda. It was built in 1888 for the founder of the Aberdeen and Rockfish railroad.

8. The New England House is in Southern Pines and was originally called the Vermont House and had roomers. For a time it was a hospital and is now owned as a ministry of Calvary Memorial Church on Bennett Street.

9. The Allison Page House in Aberdeen was built in 1880-81 and

is located on "Old Highway Number One" or North Poplar Street as the first Page family home in Moore County. Later it became the home of William Maurer.

10. The Greenwood Inn is located in Cameron and was built to house railroad employees. It was built around 1870 and is now a shop for antiques and collectibles, owned by Mrs. Isabelle McKeithen Thomas.

Hint: Pictures and map locations are on the calendars of Historic Moore County during the recent years. These are by the Moore County Historical Association.

Answers to questions concerning historic Moore County homes, and inns.

1. The Street Medical Building is located on the south side of Deep River. It was built in the late 1700's and has been used as a law office and medical office by three generations of doctors.

2. The Bryant House is located near the junction of State Road 1210 leaving 211 a little west of the traffic circle and State Road 1261, westward from Carthage.

3. The Shaw House is located at the crossing of Pee Dee and Morganton roads, among the earliest in Moore County. It is the oldest home in Southern Pines.

4. The Bruce-Dowd-Kennedy home is the oldest house in Carthage. Dr. C.S. Bruce built it as a wedding gift for his daughter, Mrs. Clem Dowd which was later bought by Powell Kennedy, grandson of David Kennedy who was noted for gunsmithing.

5. The Daniel C. Campbell

A Sandhills Vineyard Near Eagle Springs

Play The Lake...

Woodlake

Deep in the heart of the Carolina Sandhills, off the beaten track, yet not too far from it all...something's making a big splash...It's the new lakeside recreation community everyone's talking about called Woodlake. An exciting new way of life for vacation or year 'round living. Within the privacy and security of this spacious community lies one of the largest manmade lakes in North Carolina—1,130 acres of refreshingly cool, clear water. Swim, sail, fish, water ski...Play in the lake, or around it, on the lush rolling fairways and velvet greens of our 18 hole.

Ellis Maples golf course. In addition, there are tennis courts, an extensive clubhouse, boat landing, and plans for so much more.

Enjoy Woodlake for a lifetime! Two new phases of beautiful lakeside villas are now underway. The Cove Villas - Phase II, spacious, two-bedroom villas, located along a cozy inlet, are priced from only \$72,900.00. The Cove Villas - Phase III NOW PRE-SELLING! with a \$10,000.00 Savings. Prices from \$62,900. Large homesites, as well as custom designed homes are also offered at Woodlake. Come by or call today for more information on life at Woodlake.

FLETCHER a textile tradition since 1850

Fletcher is far into the second century of producing and servicing fine machinery with advanced features.

Companies in the Fletcher group—each sharing the deep-rooted traditions of excellence—provide three distinct lines to the textile industry.

FLETCHER INDUSTRIES manufactures ring twisters, skein reels and winders. It also provides a service of complete comprehensive valve reconditioning.

FLETCHER SOUTHERN is the only company in the world making every type of shuttle for all types of weaving from the narrowest to the widest widths of fabrics.

FLETCHER INTERNATIONAL offers machinery from firms that are world renowned for quality performance. Among them are:

- BONAS, England - manufacturers of narrow fabric needle looms.
- METAG, Italy - manufacturers of heavy-duty, narrow fabric shuttleless looms.
- RPR, Italy - manufacturers of up-twisters, 2 for 1 twisters, and texturing machinery.
