PROLIFIC COTTON GROWER.

-THE GREAT-

Cotton, Grain and Tobacco Fertilizer, Manufactured by the Goldsboro Oil Company. Try it once and you will want it again. Read the following Testimonials:

Mr. F. C. Hyman, Smithfield, N. C.
You wish to know how I like the Prolific Cotton Grower Fertilizer. I think it the best fertilizer I ever used. I tried it with four brands of standard fertilizer and found that it paid better by itself than either of the others with 20 bushels of cotton seed per acre. I put 200 pounds in the drill and from 50 to 100 pounds in with the seed. My best cotton was the Prolific Cotton Grower Fertilizer last year. It is as good as any guano I ever used, and on sandy land or when cotton is apt to take the rust, I consider it the best. I will continue to use it as long as you keep it up to its present standard. It being a home enterprise, the manufacturers of it ought to be encouraged, especially when it

Fertilizer better than any kind they have ever used. I find it carries the cotton to maturity by keeping it green and growing until frost, it stands the dry and wet weather better than any I have used. I shall use the Prolific next year and cheerfully recommend it to my friends.
P. H. C. DUPRE.
Messrs. Borden Bros., Goldsboro, N. C.
Geats—I used forty five tons of the Prolific Cotton grower Fertilizer last year. It is as good as any guano I ever used, and on sandy land or when cotton is apt to take the rust, I consider it the best. I will continue to use it as long as you keep it up to its present standard. It being a home enterprise, the manufacturers of it ought to be encouraged, especially when it

is equal to the very best.
Yours Truly,
W. A. SMITH.
F. C. Hyman, Smithfield, N. C.
Dear Sir—I used forty tons of standard guano on my farm last year; one of my tenants desired to try the Prolific Cotton grower and I bought one ton for him and I saw it tested beside other brands the week where the Prolific Cotton Grower was put was one quarter larger and the yield in cotton was one third more. It is every farmers duty to buy the best fertilizer. I shall use forty tons of the Prolific this year.
Yours truly,
WILLIS H. AVERY.
Mr. F. C. Hyman, Smithfield, N. C.
Dear Sir—I have used several brands

of guano for tobacco, and last year I used the Prolific Cotton Grower. I know it paid me better than any kind I ever used under tobacco or cotton. I used ten tons last year and will want ten this year.
JOSEPH FULLER.
Mr. F. C. Hyman, Smithfield, N. C.
Sir—The Prolific Cotton grower I bought of you, through Mr. K. I. Lawler, last season gives me perfect satisfaction. I tested four rows about 140 yards long, with standard fertilizers and weighed every pound of the cotton and the rows on which I put the Prolific made 10 pounds of cotton more than the other. Will use Prolific next season.
Very Respectfully,
CARROLL LANGDON,
Spilona, N. C.

Mr. F. C. Hyman, Smithfield, N. C.
Dear Sir—Last Spring you came to see me with a sample of the Prolific Cotton Grower, asking me to sell for you and more particular to use it on my farm. I did not like it, was afraid to try it, and sold all I bought except two sacks. One I used on very poor land and the other on improved land side by side with another high grade fertilizer. The Prolific grew off the cotton quicker and held its squares better during the drought than any other kind I used. I will say, and mean exactly what I say, that if I had have used the Prolific on my farm of 70 acres I think I would have made at least five bales of cotton more than I did make with the kind I used. Every farmer to whom I sold the Prolific says they are highly pleased with its action on cotton and will have no other next season.

Mr. F. C. Hyman, Smithfield, N. C.
Dear Sir—I have always been partial to certain brands of Standard Guano, but last year I bought a few tons of the Prolific Cotton Grower from you at Smithfield and I found the Prolific far the best Guano I ever used. It kept my cotton green until frost and caused the top bales to grow larger. I will use the Prolific this year, and advise those who want a first class brand of Guano to buy it.
Yours &c.

Dear Sir—I take great pleasure in recommending the Prolific Cotton Grower

to the farmers. It is the best guano I ever used. It kept my cotton green and growing until the top bales matured. I will use the Prolific this year.
