What The Bible Is.

Some writer gives the following analysis of the "Book of books," the Bible:
It is a book of laws to show the right from the wrong.
It is a book of wisdom that makes the foolish wise.
It is a book of truth which detects all human errors.
It is a book of life and shows how to avoid everlasting death.
It is the most authentic and entertaining history ever published.
It contains the most remote antiquities, the most remarkable events and wonderful occurrences.
It is a complete code of laws.
It is a perfect body of divinity.
It is an unequalled narrative.
It is a book of biography.
It is a book of travels.
It is the best covenant ever made, the best deed ever written.

It is the best will ever executed the best testament ever signed.
It is the learned man's masterpiece.
It is the young man's best companion.
It is the schoolboy's best instructor.
It is the ignorant man's dictionary and every man's directory.
It promises an eternal reward to the faithful and believing.
But that which crowns all is the Author. He is without partiality and without hypocrisy with whom there is no variability, neither shadow of turning.—Religious Intelligencer.

Many Mothers of a Like Opinion.
Mrs. Pilmer, of Cordova, Iowa, says: "One of my children was subject to croup of a severe type, and the giving of Chamberlain's Cough Remedy promptly, always brought relief. Many mothers in this neighborhood think the same as I do about this remedy and want no other kind for their children. For sale by A. H. Boyett, Smithfield, Selma Drug Co.; J. W. Benson.

If troubled with a weak digestion try Chamberlain's Stomach and Liver Tablets. They will do you good. For sale by A. H. Boyett, Smithfield; Selma Drug Co.; J. W. Benson.

The noblest contribution which any man can make for the benefit of posterity is that of a good character. The richest bequest which any man can leave to the youth of his native land, is that of a shining, spotless example.—R. C. Winthrop.

Josephus Jones was out of fix. The world was out of tune, "My biz," said he, "is in a mix, My head is full of rheum."

His face was sallow, drawn and sad, His eye had lost its light, "If things don't mend I'll soon be mad," Declared the broken wizard.

"Alas, alas, dear wife," quoth he, "I wish that I were dead, Ill health, starvation, poverty, Are all I see ahead."

"Oh, not so bad as that, my dear, I know just what you need; Your Liver's wrong, I greatly fear; Let's try some JULY WEED."

Jones took his good wife's words as true, And they were true indeed, He's all made over, all made new, He's taking JULY WEED.

July Weed is truly a wonderful remedy. Price 50c and \$1.00 at all Drug Stores.

A Power For Good.

The pills potent in their action and pleasant in effect are DeWitt's Little Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue mass or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sulphur in Liquid Form

Modern Science Triumphs

Chemists Astonished! Doctors Amazed!

Everyone remembers the sulphur and molasses of childhood. You hated the dose, but it did you good. But you had to take a whole lot to get any benefit, because very little of it could get in your blood and system. Now, at last, a chemist has found a way to liquify sulphur—to make it soluble—so that it is instantly absorbed by the skin and blood. This marvelous discovery is called

HANCOCK'S LIQUID SULPHUR

Just think of it! Chemists show us that every part of the body contains sulphur—needs sulphur. Sulphur is nature's greatest purifier. Where Sulphur goes disease is destroyed, Hancock's Liquid Sulphur cures Eczema, Pimples and all Blood and Skin Diseases.

Hancock's Liquid Sulphur Co., Baltimore, Md. BALTIMORE, April 7, 1904.

Gentlemen:—I wish to testify to the merits of your LIQUID SULPHUR and LIQUID SULPHUR OINTMENT. I am a police officer stationed at Baltimore and Charles Streets, and all my friends and many others know that I have long suffered with a bad case of Eczema of the palms of my hands and have had to wear gloves all the time. I was under treatment by eminent physicians for a long time without success. Last summer your Liquid Sulphur and Ointment were recommended to me and I began its use. My hands improved from the first application. After about a week's trial I went to John Hopkins Hospital to have my hands treated with X-Rays. At the Hospital I was advised to continue the use of the Liquid Sulphur and Ointment, as it seemed to be doing my hands much good.

Under their advice I continued the use of the Liquid Sulphur and Ointment for six weeks or two months, and at the end of that time my hands were cured, and they are as sound as anybody's.

I have used the Sulphur constantly in my family, and it is excellent, also, for the bath, for sore and tender feet and for any chafed or sore places.

I cannot recommend your Liquid Sulphur and Ointment too highly.

(Signed) Yours very truly, JOHN T. CARROLL.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never gripe nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fevers.
