Facts About The Great Majestic Range

It is the only range in the world made of Malleable and Charcoal Iron. It has, beyond any question of a doubt, the largest and best reservoir. It uses about half the fuel used on other ranges, and does better work by far.

The Majestic All Copper Nickel plated Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.

The Charcoal Iron body of the great Majestic Range lasts three times as long as a steel body.

Being made of non breakable material, there is practically no expense for repairing the Majestic.

As for breaking, it is perfection, not only for a few months, but for all time to come.

A Great Majestic Range lasts three times as long as a cheap range, but it don't cost three times as much.

PROOF—We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where Majestic Ranges are made, will prove to your satisfaction, that these are absolute facts, and will show you many more reasons why the Great Majestic Range is absolutely the best that money can buy.

Our National Danger.

We rush through life without taking time to eat, sleep or play, and as a result this is an age of indigestion, nervousness, irritability, sleeplessness and debility. The national danger is stomach weakness, due to the strenuous life.

With the discovery of Mi-o-na, which strengthens the stomach muscles and stimulates secretion of the digestive juices so that the stomach does its work as it should, there is no longer any excuse for indigestion.

Mi-o-na never fails to cure stomach troubles, and is sold in 50-cent boxes by Hood Bros., with a guarantee to refund the money if it does not give complete satisfaction.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting a re-constituted, and cover to its had. For stomach distress, bloating, flatulence, bad breath and yellow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
