It had been supposed that be-Mr. David Barbour, of Wilson's cause Asheville is a resort city of great importance, as well as a business city of growing importance, that the desire to cater to visitors would cause Asheville voters not to vote out the accursed whiskey traffic. This turns out to have been an erroneous opinion. Its people determined to permit no consideration to cause them longer to submit to the saloon. They will find that in attracting visitors and in its business growth the saloon repelled more than it brought.

All honor to Asheville and its splendid citizenship. This means that no whiskey can now be sold west of Salisbury except at Morgauton after July first .- News &
